## Independent Auditor's Report

Plan Administrator  
Children's Hospital Medical Center Employee Savings Plan  
Cincinnati, Ohio

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We were engaged to perform an audit of the financial statements of Children's Hospital Medical Center Employee Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Children's Hospital Medical Center Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Disclaimer of Opinion***

We do not express an opinion on the accompanying financial statements of Children's Hospital Medical Center Employee Savings Plan. Because of the significance of the matter described in the "Basis for Disclaimer of Opinion" section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

### ***Basis for Disclaimer of Opinion***

As described in Note 2 to the financial statements, Children's Hospital Medical Center Employee Savings Plan has excluded from investments in the accompanying statements of net assets available for plan benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for plan benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

### ***Responsibilities of Management***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's Hospital Medical Center Employee Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities***

Our responsibility is to conduct an audit of Children's Hospital Medical Center Employee Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the "Basis for Disclaimer of Opinion" section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Children's Hospital Medical Center Employee Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the "Basis for Disclaimer of Opinion" section it is inappropriate to and we do not express an opinion on this supplemental schedule.

## Children's Hospital Medical Center Employee Savings Plan

Notes to Financial Statements  
December 31, 2024 and 2023

---

(1) Plan Description

The following description of the Children's Hospital Medical Center Employee Savings Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan document for a complete description of the Plan.

- (a) General – Children's Hospital Medical Center (Cincinnati Children's) established the Plan effective January 1, 1958. The Plan is a defined contribution plan for qualifying participants of Cincinnati Children's, subject to the limitations of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In 2020, the Plan was amended and restated to include all previous amendments, in an IRS pre-approved format, effective as of January 1, 2010. The Plan adopted required amendments related to the passing of the SECURE Act in March 2021 and SECURE Act 2.0 in December 2022. Formal approval of the amendments are not yet complete as Cincinnati Children's is waiting on guidance from the IRS on necessary provisions but are expected to be formally approved by the required deadline that was extended to the last day of the first plan year beginning on or after January 1, 2026.
- (b) Administration – Cincinnati Children's is the sponsor of the Plan and responsible for general administration of the Plan. Teachers Insurance and Annuity Association of America (TIAA) serves as the issuer of the TIAA Traditional Annuity contract, and College Retirement Equities Fund (CREF) serves as the issuer of the CREF variable annuities held by the Plan. TIAA is the recordkeeper of the Plan. TIAA Trust, N.A. serves as the Plan Custodian. The Plan Administrator, through its recordkeeper, establishes and maintains an account for each participant.
- (c) Contributions – Participants may elect to make voluntary pre-tax deferrals of employee eligible compensation. New and re-hired employees are automatically enrolled in the Plan for voluntary deferrals at a rate of three percent of eligible compensation. Payroll deductions commence sixty days after hire and are automatically invested in an age-appropriate lifecycle fund. During the sixty-day period before automatic enrollment, employees can choose to opt out of the Plan. If an employee opts out of the Plan after the sixty-day period, the employee has ninety days from the date of the first contribution to withdraw from the Plan and request a refund of all withholdings. Participants may change their investment allocations and contribution rate at any time. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan requires non-elective employer contributions in the amount of ten percent of eligible compensation to certain qualifying participant accounts. Qualified participants must attain the age of twenty-one, qualify as an employee (as defined in the plan document), and complete at least 1,000 hours of service each year.

Contributions from Plan participants and the matching contributions from Cincinnati Children's are recorded in the year in which the employee contributions are withheld from compensation.

- (d) Participant Accounts and Investment Options – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the Cincinnati Children's non-elective contribution, elective employee contributions, and an allocation of the Plan's earnings and losses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's

---

vested account. Participants may elect to direct the investment of their account in one or all of the investment options offered by the Plan. The Plan offers a self-directed brokerage account feature where participants may direct their investments through a trustee sponsored brokerage account.

- (e) Vesting – Participants are immediately fully vested in their elective and rollover contributions and any net earnings or losses thereon. Vesting in the Cincinnati Children's contribution portion of participants' accounts, plus net earnings or losses thereon, is based on years of service. Participants are fully vested in their employer contributed benefits after three years of credited service or upon death or disability.
- (f) Payment of Benefits – Distributions are payable upon retirement, death, disability, or termination of employment, as defined by the Plan document. A participant may elect withdrawals while employed upon reaching the age of 59 ½ for elective employee contributions. Plan benefits are primarily paid in a lump sum payment.
- (g) Hardship Withdrawals – Participants may request that a portion of their elective contributions account be distributed in the case of severe financial hardship, as defined in the plan document. TIAA must approve any such hardship withdrawals.
- (h) Forfeitures – Non-vested portions of a participant's account are forfeited after five consecutive years following an employee's termination or immediately upon distribution. Forfeitures may be used to offset future Cincinnati Children's contributions or to pay plan expenses. In 2024 and 2023, there were \$0 and \$11,483 of employer contributions offset with forfeitures, respectively. There were \$43 and \$41 of forfeitures held in the Plan at December 31, 2024 and December 31, 2023, respectively. Benefit payments to participants are recorded upon distribution. There were no amounts payable to terminated participants as of December 31, 2024 and 2023.
- (i) Termination – Although it has not expressed any intent to do so, Cincinnati Children's has the right under the Plan, in certain circumstances, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, the participants become fully vested in their accounts.

### (2) Summary of Significant Accounting Policies –

- (a) Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. As such, the Plan has excluded from investments in the accompanying Statements of Net Assets Available for Plan Benefits, certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, "Annual Reporting Requirements for 403(b) Plans". The investment income and distributions related to such accounts have also been excluded in the accompanying Statements of Changes in Net Assets Available for Plan Benefits. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying

**Children's Hospital Medical Center  
Employee Savings Plan**

Notes to Financial Statements  
December 31, 2024 and 2023

---

financial statements. The effects of these excluded contracts and custodial accounts and the related income and distributions on the financial statements are not reasonably determinable.

- (b) Investment Valuation and Income Recognition – The majority of the Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. The fully benefit responsive investment contracts are recorded at contract value.

The fair values of accumulated units held by the Plan in CREF Variable Annuity accounts and the TIAA Real Estate Account are based on each account's daily NAV. Daily NAV is the best approximation of fair value, as it is based on the estimated fair value of the underlying net assets.

The TIAA Traditional Annuity has a non-benefit responsive contract (non-benefit responsive investment contract) and a fully benefit responsive contract of the TIAA Traditional Annuity (fully benefit responsive investment contract). The TIAA Traditional Annuity is a guaranteed fixed annuity through a contract with TIAA, an insurance company. Participants who choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity make contributions that purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified rate of interest, are guaranteed by TIAA's claims paying ability. The TIAA Traditional Annuity also provides an opportunity for participants to receive additional amounts, which the TIAA Board of Trustees may declare and are determinable each year.

Participants in the non-benefit responsive investment contract can withdraw their investment over a seven-to-ten-year period from the date of election. Participants in the fully benefit responsive investment contract have no redemption restrictions. The non-benefit responsive TIAA Traditional Annuity is recorded based on discounted cash flows which is an approximation of fair value. The fully benefit responsive TIAA Traditional Annuity is recorded at contract value. There are no limitations on the ability of the TIAA Traditional Annuities to transact at fair value.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded as earned on an accrual basis, and dividend income is recorded on the ex-dividend date.

The net appreciation or depreciation in the fair value of the Plan's investments is presented in the Statements of Changes in Net Assets Available for Plan Benefits. This line consists of the realized gains or losses and unrealized appreciation or depreciation on those investments.

Certain amounts in the prior period financial statements have been revised . These revisions had no impact on previously reported increase in net assets available for plan benefits or total net assets available for plan benefits. Specifically, for the year ended December 31, 2023, income of \$8.1 million previously reported under "Net appreciation in fair value of investments" has been revised to "Interest income" to more accurately reflect the nature of the revenue.

- (c) Management Fees – A portion of the management fees and operating expenses charged to the Plan for certain investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, a portion of the management fees and operating expenses are reflected as a reduction of investment return for such assets. Other administrative fees were paid directly from the Plan in 2024 and 2023.

**Children's Hospital Medical Center  
Employee Savings Plan**

Notes to Financial Statements  
December 31, 2024 and 2023

---

Certain administrative functions are performed by employees of Cincinnati Children's at no cost to the Plan.

- (d) Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits as of the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period and in the accompanying notes to the financial statements. Actual results could differ from those estimates.
- (e) Risks and Uncertainties – The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur, and such changes could materially affect the amounts reported in the financial statements.

(3) Fair Value Measurements and Disclosures –

The Plan accounts for its assets under ASC 820 Fair Value Measurements (ASC 820). ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that categorizes into three levels the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs) as described below:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Unobservable inputs that reflect management's determination of assumptions that market participants would use in pricing the asset or liability. These inputs are developed based on the best information available.

The following describes the valuation methods and assumptions used by the Plan to estimate the fair values of the investments:

Mutual Funds – Mutual funds are valued using quoted prices listed on nationally recognized securities exchanges (Level 1 inputs).

CREF Variable Accounts – The fair values of accumulation units held by the Plan in CREF accounts (registered investment companies) are based on each account's daily net asset value (NAV), which is the best approximation of fair value. CREF accounts are not exchange traded and are classified within Level 2 of the

**Children's Hospital Medical Center  
 Employee Savings Plan**

Notes to Financial Statements  
 December 31, 2024 and 2023

fair value hierarchy. NAV data is available daily to Plan administrators and client investors on TIAA and CREF's website and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in these accounts.

TIAA Real Estate Account – The fair value of the Plan's interest in the TIAA Real Estate Account (a pooled separate account) is based on the fund's daily NAV, which is considered by Plan management to be the best approximation of fair value. This investment is classified within Level 2 of the fair value hierarchy. The unit value of the fund is calculated daily and available to Plan administrators and client investors on TIAA and CREF's website. Underlying holdings are primarily valued using independent appraisals or independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in this account.

TIAA Traditional Annuity – Non-benefit Responsive – Investments in TIAA Traditional Annuity contracts are reported at estimated fair value based on discounted cash flows. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable, and the investments are valued using unobservable inputs (Level 3). While transactions involving the purchases/sales of individual TIAA Traditional contracts are not observable in a public marketplace, contract value is an approximation of fair value.

The table below includes the major categorization for debt and equity securities on the basis of the nature and risk of the investments on December 31, 2024.

The valuation methods as described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Notes to Financial Statements  
December 31, 2024 and 2023

---

The Plan utilizes its custodian's external pricing service to estimate the fair value of the underlying investments held in the Plan. Cincinnati Children's receives the custodian's System and Organization Controls' report. The custodian uses multiple pricing vendors for the assets held in trust.

(4) Tax Status –

The Plan operates under a volume submitter agreement in connection with a volume submitter plan document sponsored by Document Agility, Inc. This volume submitter plan document has obtained an opinion letter from the IRS stating that the volume submitter satisfies the requirements under Section 403(b) of the Internal Revenue Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and not subject to tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Information Certified by Insurance Carriers –

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA and CREF, qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2024 and 2023.
- Investment income as shown in the Statements of Changes in Net Assets Available for Plan Benefits for the years ended December 31, 2024 and 2023.
- Investment information included in the accompanying Schedule of Assets Held at End of Year as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

(6) Exempt Party-In-Interest Transactions –

Plan investments include units of a mutual fund, variable annuities, a pooled separate account and investment contracts managed by TIAA and CREF affiliated entities. TIAA Trust, N.A. and TIAA and CREF are the asset custodian and the benefit payment administrator, respectively, as defined by the Plan document and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for by the Plan for the investment management services are included as a reduction of the return earned on each fund.
