The Plan Administrator and Participants  
Lifehouse, Inc. 401(k) Plan & Trust

**INDEPENDENT AUDITOR'S REPORT**

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Lifehouse, Inc. 401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of November 22, 2024 and December 31, 2023, and the related statements of changes in net assets available for benefits for the period from January 1, 2024 to November 22, 2024 and the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 22, 2024 and December 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lifehouse, Inc. 401(k) Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Plan Merger**

As further discussed in Note 1, effective November 22, 2024, the Plan was merged into the VOYA Pooled Employer Plan and all plan assets were transferred to VOYA Plan in accordance with the provisions of ERISA.

LIFEHOUSE, INC. 401(K) PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
PERIOD FROM JANUARY 1, 2024 TO NOVEMBER 22, 2024  
AND YEAR ENDED DECEMBER 31, 2023

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of Lifehouse, Inc. 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

On September 19, 2024, the Board of Directors of Lifehouse, Inc. approved the transfer of the Plan into VOYA Pooled Employment Plan (VOYA Plan) effective November 22, 2024. As a result, all investments were transferred from the Plan into VOYA Plan on that date.

General

The Plan was a defined contribution plan covering all employees, except union and nonresident aliens, of Lifehouse, Inc. (Lifehouse). The Plan, adopted on January 1, 2017, and restated on January 1, 2022 and March 23, 2023, was designed to comply with the applicable sections of the Internal Revenue Code (IRC) and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants who were at least age 18 may contribute annually up to 100% of eligible compensation, as defined in the Plan document. The maximum participant contribution to the Plan allowed for participants under the age of 50 was \$23,000 and \$22,500 for 2024 and 2023, respectively, and for participants age 50 and over was \$30,500 and \$30,000 for 2024 and 2023, respectively. These limits are set forth by the Internal Revenue Service and may vary to reflect changes in the Consumer Price Index. Participants could also contribute amounts representing distributions from other qualified plans. The Plan also allowed participants to make designated Roth contributions on an after-tax basis.

The Plan provided that Lifehouse may contribute annually a discretionary matching contribution equal to a certain percentage or dollar amount of a participant's contribution. In addition to the matching contributions, the Plan could also provide for a discretionary profit sharing contribution determined each year as a percentage of eligible compensation or a dollar amount for each eligible employee, as defined in the Plan document. There were no profit sharing contributions to the Plan in 2024 and 2023. The Plan may also provide for a safe harbor contribution which covers those participants who have deferral elections on file. The safe harbor contribution was a match of 100% of the first 3% of salary deferral plus 50% of the next 2% of salary deferral. Lifehouse contributed safe harbor contributions totaling \$426,153 and \$491,784 to the Plan in 2024 and 2023, respectively, of which \$-0- and \$16,757 was receivable at November 22, 2024 and December 31, 2023, respectively.

Vesting

Participant and Lifehouse contributions, and related earnings thereon, were immediately vested.

Participant Accounts

Each participant account was credited with the participant's contributions, Lifehouse's contributions and earnings thereon, and was charged with an allocation of administrative expenses, if any, that may be paid by the Plan. If Lifehouse did not pay for Plan-related expenses, such expenses were generally allocated based on participant account balances or charged in an equal amount to all participant accounts. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

LIFEHOUSE, INC. 401(K) PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
PERIOD FROM JANUARY 1, 2024 TO NOVEMBER 22, 2024  
AND YEAR ENDED DECEMBER 31, 2023

Investment Options

The Plan's investments were held by John Hancock Life Insurance Company (U.S.A.) (John Hancock). Upon enrollment in the Plan, a participant could direct his or her account to be invested among one or more pooled separate accounts offered by John Hancock, which invested in a portfolio of securities based on specific investment objectives.

These investment options were approved by Lifehouse. A participant could change his or her investment elections for future contributions, or transfer existing balances, from one fund to another by following procedures established by John Hancock.

Notes Receivable from Participants

Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding loan balance in the previous 12 months even if all or a portion of this amount has been repaid, or 50% of their vested account balance minus any existing loan balance. The loans were secured by the participant's vested account and bore interest at rates ranging from 4.25% to 9.50% as of November 22, 2024 and December 31, 2023, which was based on the prime rate of interest published by any Federal Reserve Bank as of the date of the loan, plus 1%. Loan payments were made by semi-monthly payroll deductions over a term generally not exceeding five years. However, loans made for the purchase of a principal residence may have terms up to thirty years. The maximum permissible number of loans outstanding at any given time was three per participant. Effective March 23, 2023, the maximum number of loans outstanding at any one time was one per participant.

Notes receivable from participants, secured by participant account balances, were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans were reclassified as distributions based upon the terms of the Plan.

Benefit Payments

On termination of service for any reason, as defined in the Plan, a participant could elect to receive either a lump-sum amount or installments equal to the value of the participant's vested account. The Plan also provided for hardship distributions and in-service distributions to current employees under certain circumstances. Upon disability, retirement, or termination of employment, the Plan provided for a mandatory distribution if a participant's vested account balance is \$5,000 or less.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The Plan prepares its financial statements under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions and investment income are recorded when earned and benefits when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Under generally accepted accounting principles, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

LIFEHOUSE, INC. 401(K) PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
PERIOD FROM JANUARY 1, 2024 TO NOVEMBER 22, 2024  
AND YEAR ENDED DECEMBER 31, 2023

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to observable inputs (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy based on inputs are as follows:

Level 1 – Valuations are based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access and therefore do not entail a significant degree of judgment.

Level 2 – Valuations are based on significant inputs that are observable, either directly or indirectly, or quoted prices in markets that are not active, that is, markets in which there are few transactions, the prices are not current or price quotations vary substantially over time or among market makers.

Level 3 – Valuations are based on inputs that are unobservable and significant to the overall fair value measurement and therefore require more judgment.

Following is a description of the valuation methodologies used for investments measured at fair value:

Pooled Separate Accounts (Mutual Funds):

The fair value of pooled separate accounts, invested in underlying mutual funds, is based on the net asset value per share of each fund held by the Plan at year-end, as described in the group annuity contract. Such investments are categorized as Level 2 of the fair value hierarchy.

Pooled Separate Account (Collective Investment Trust):

The John Hancock Stable Value Fund Collective Investment Trust is valued at the net asset value of the units of the collective investment trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily, however, John Hancock reserves the right to require 30 days' notification for participant directed withdrawals. If the Plan initiates a full redemption of the fund, John Hancock reserves the right to require 12 months' notification in order to ensure securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce fair value calculations that may not be indicative of net Annually realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in different fair value measurements at the reporting date.

Net appreciation (depreciation) in fair value of investments reflects dividends and realized and unrealized gains and losses during the period ended November 22, 2024 and year ended December 31, 2023.

All plan assets were transferred to VOYA Plan on November 22, 2024.

Net asset value and fair value were equal for all investments held by the Plan at December 31, 2023. Additionally, there were no unfunded commitments to purchase investments at December 31, 2023. There were no imposed redemption restrictions on participants.

Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through October 15, 2025, the date on which the financial statements were available to be issued.

**NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Investments were held by John Hancock, the Plan’s investment custodian, a party-in-interest under ERISA. These transactions qualified as party-in-interest transactions. Fees paid by the Plan related to administrative services were \$76,764 and \$75,233 for the period from January 1, 2024 through November 22, 2024 and year ended December 31, 2023, respectively.

**NOTE 6 – TAX STATUS**

The Plan was a participant in the CCH Incorporated, DBA ftwilliam.com Non-Standardized Pre-Approved Profit Sharing Plan With CODA, approved as tax-exempt under Section 401 of the Internal Revenue Code (IRC) by the Internal Revenue Service pursuant to an advisory letter dated June 2020.

The plan administrator believed that it had appropriate support for any tax positions taken, and as such, did not have any uncertain tax positions that were material to the financial statements. The Plan’s federal Form 5500 is subject to examination by regulatory agencies generally for three years after filing.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invested in pooled separate accounts through a group annuity contract with John Hancock. Such investments were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated, it was at least reasonably possible that changes in the values of investments could occur in the near-term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
