Opinion

We have audited the accompanying financial statements of **Peterson Properties, Inc., Employee Health Care Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of January 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended January 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits – modified cash basis of **Peterson Properties, Inc., Employee Health Care Plan** as of January 31, 2025 and 2024, and the changes in net assets available for benefits – modified cash basis for the year ended January 31, 2025, in accordance with the basis of accounting described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Peterson Properties, Inc., Employee Health Care Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements were prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Peterson Properties, Inc., Employee Health Care Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Peterson Properties, Inc., Employee Health Care Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control – related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

January 31, 2025 and 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of **Peterson Properties, Inc., Employee Health Care Plan** (the “Plan”) are prepared under the modified cash basis of accounting. This basis differs from generally accepted accounting principles primarily because the Plan records revenues when received and expenses when paid rather than when the revenue was earned or the expense incurred.

Benefit Payments – Premiums paid by **Peterson Properties, Inc.** (the Company and plan administrator) are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits.

Income Tax Status – The Internal Revenue Service has informed the Company by a letter dated January 11, 1984, that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and is exempt from federal income taxes under provisions of Section 501(a) of the IRC. Once the Plan is qualified, it is required to operate in accordance with the Plan document and current law to maintain its qualification. The plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status. The Plan has been amended subsequent to receipt of the favorable determination letter. The plan administrator believes the amendments do not adversely affect the qualified status of the Plan. In the event the IRS determines the amended Plan does not qualify, the Plan will be amended retroactively to maintain the Plan's qualified status.

Plan management evaluates uncertain tax positions taken by the Plan and discloses if it has taken an uncertain position that more likely than not would not be substantiated upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes there are no such positions as of January 31, 2025, and, accordingly, no positions has been disclosed.

NOTES TO FINANCIAL STATEMENTS

January 31, 2025 and 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events – Management has evaluated events and transactions that have occurred since January 31, 2025, and reflected their effects, if any, in these financial statements through October 16, 2025, the date the financial statements were available to be issued.

2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. The Plan document contains a more complete description of the Plan's provisions.

General – The Plan provides comprehensive major medical, life, and accidental death and dismemberment insurance. The Plan covers eligible employees and dependents of the Company. The Plan and related trust were established August 1, 1982. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administrative Expenses – The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Benefits – The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short and long-term disability benefits, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

2. DESCRIPTION OF THE PLAN (continued)

Benefits (continued) –

Insured Benefits – The Plan offers one health maintenance organization (HMO) that participants can choose. The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and spousal), and long-term disability benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance and basic accidental death and dismemberment insurance programs are paid to the insurance company from the general assets of the Company.

Experience-rated Contracts – Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

Stop Loss Coverage – The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-insured Benefits – All other Plan benefits are self-insured. The claims for self-insured benefits (other than short-term disability) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants.

The Plan has determined the impact of Medicare Prescription Drug, Improvement and Modernization Act of 2003. The Plan's benefits are actuarially equivalent to Medicare Part D.

2. DESCRIPTION OF THE PLAN (continued)

Contributions – In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs based on the current group rate premium cost. The Company pays the full cost of basic life insurance, basic accidental death and dismemberment insurance, and stop loss insurance.

Eligibility Requirements – A person and their dependents are eligible for coverage from the first day of the month following when he or she meets the following criteria: 1) a full-time, active employee of the employer; 2) an employee, employee's spouse or unmarried children, who were eligible to join the Plan but are not plan participants because they could not give evidence of good health to the Plan when such evidence was required, but are otherwise still eligible through active employment or dependency status; 3) in a class eligible for coverage; 4) completes the employment waiting period of 30 days of continuous service as an employee.

3. PARTY-IN-INTEREST

There were no party-in-interest transactions which are prohibited by ERISA, Section 406, and for which there is no statutory or administrative exemption.

4. REPORTABLE TRANSACTIONS

There were no reportable transactions in excess of 5% of the current value of Plan assets.

5. OTHER

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The net assets available for benefits per the financial statements and the Form 5500 were \$56,672 at January 31, 2025. The benefits paid on behalf of participants per the financial statements and Form 5500 totaled \$757,979 in fiscal year 2025. There were no unpaid benefits due to withdrawing participants at January 31, 2025.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

8. CLAIMS INCURRED BUT NOT REPORTED

At January 31, 2025, the Plan had approximately \$830,000 of estimated accumulated plan benefits, consisting of unpaid claims and claims incurred but not reported. These amounts are based on historical claim payment patterns and current plan experience. While not required to be accrued under the modified cash basis of accounting, the amount is required to be disclosed to provide information about the Plan's accumulated benefit obligations.
