To the Participants and Trustees of  
Knight Island Management 401(k) Plan  
Earleville, Maryland

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements**

We have performed an audit of the accompanying financial statements of Knight Island Management 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined that it is permissible under the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

## **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the 2024 Audit of the Financial Statements section—

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- the information in the 2024 financial statements referred to above, related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Knight Island Management 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Knight Island Management 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statement section of our report, our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Knight Island Management 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Knight Island Management 401(k) Plan’s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2024 Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedules H, Line 4i – Schedules of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s rules and regulations for reporting and disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Auditor's Report on the 2023 Financial Statements

The financial statements of Knight Island Management 401(k) Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information

related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 10, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). **KNIGHT ISLAND MANAGEMENT LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE A – DESCRIPTION OF PLAN**

The following description of the Knight Island Management 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by Knight Island Management, LLC (“the Company”) effective November 13, 2022, for employees of Knight Island Management, LLC, JVW Investments LLC dba Tidal Creek Growers, and JVW Construction Services, LLC. Eligible employees may begin making elective deferral and Roth contributions after meeting plan eligibility requirements. Deferral and Roth contributions became effective October 28, 2022, and Safe Harbor contributions effective January 1, 2023. The Plan covers all eligible employees, as described in the Plan Summary, who complete 6 months of service within a twelve consecutive month eligibility computation period at the Company and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The enrollment period to start contributing to the plan is twice a year, on January 1 and July 1.

Contributions

Each year, as defined by the Plan, participants may contribute the lesser of 90% of their plan compensation or the annual dollar limit on salary deferral contributions and up to 50% of plan compensation as Roth elective deferral. Compensation, as defined by the Plan, includes wages reported on Form W-2, excluding fringe benefits and other non-salary compensation, consistent with the definition used for determining employee and employer contributions. For any self-employed individual, plan compensation means earned income, as in the case of any shareholder-employee or owner-employee. The Plan provides for employee elective deferrals and employer Safe Harbor matching contributions equal to 100% of the first 3% of compensation deferred, plus 50% of the next 2%, up to the annual IRS limit. Employer discretionary contributions may also be made at the Plan Sponsor’s discretion. The annual dollar limit in effect for years 2024 and 2023 are \$23,000 and \$22,500 respectively. Any calendar year in which a participant has reached (or will reach) at least age 50, a catch-up contribution of \$7,500 and \$7,500 may be made for years 2024 and 2023. Participants direct the investment of their contributions into various investment options offered by the Plan.

**KNIGHT ISLAND MANAGEMENT LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE A – DESCRIPTION OF PLAN (CONTINUED)**

The Company makes an employer matching contribution to the Plan. If the participant makes an elective deferral during the plan year and is an eligible employee on the last day of the plan year, the participant will be eligible for the plan year to receive an allocation of matching contributions. The amount of the employer matching contribution will vary depending upon the percentage of the participant's compensation that is contributed to the Plan as a deferral. The Company will make an employer matching contribution in an amount equal to 100% of these deferrals that are not in excess of 4% of the plan compensation. The Company may also make non-elective contributions. These contributions are totally discretionary and set by the employer. The employer matching contributions to the plan were \$437,866 and \$278,880 in 2024 and 2023, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan earnings and charged with an allocation of administrative expenses when paid from the Plan assets. Allocations are based either on a pro-rata basis or on an equal-dollar basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Contributions to the Plan are invested by the Trustee in various investment funds, according to participant instructions. The plan administrator provides participants with current copies of the prospectus describing each investment option.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are fully vested in their elective deferrals, Safe Harbor, and rollover accounts. Employer non-elective contributions, if made, vest according to a 2-year cliff schedule. A participant is 100% vested after six years of credited service.

YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE A – DESCRIPTION OF PLAN (CONTINUED)**

Payment of Benefits

After a participant leaves the Company due to any reason (death, disability, termination, or retirement), if the vested amount does not exceed \$5,000, the participant's vested account balance will be distributed from the Plan. Benefits are payable upon termination, retirement, death, or hardship as provided under the Plan. In-service distributions are permitted upon attainment of age 59½ or in cases of financial hardship. The participant may elect to receive his or her vested benefit in a single lump sum or have the payment paid as a "direct rollover" to an individual retirement account (IRA) or to another employer's tax qualified plan. If the vested amount exceeds \$5,000, a consent is required for any distribution from the account.

Forfeitures

Forfeitures resulting from terminated non-vested participants are used by the employer to pay plan administrative expenses of the Plan and/or to restore previously forfeited balances. Forfeitures not used for these purposes at the election of the administrator, may be used to reduce employer contributions. During 2024 and 2023, non-vested forfeited amounts were \$204 and \$0, respectively.

Top Heavy and Hardship Provisions

The Plan contains top-heavy and hardship withdrawal provisions consistent with IRC §416 and §401(k)(2)(B).

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, 50% of their account balance, or the total vested account balance up to \$10,000 provided that additional security is given to the extent such loan exceeds 50% of the vested account balance, with repayment through payroll deduction. The notes are secured by the balance in the participant's account and bear an interest rate comparable to the current interest rates charged by financial institutions for similar loans. Principal and interest are paid ratably through monthly payroll deductions.

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 and 2023**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Date of Management’s Review of Subsequent Events

Subsequent events were evaluated through September 30, 2025, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payments of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

**KNIGHT ISLAND MANAGEMENT LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. The net appreciation (depreciation) in fair value of investments has been reported as the change between the current market value and the market value at the time of purchase.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**NOTE C – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested as provided in the Plan documents.

**NOTE D – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE E – TAX STATUS**

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan was established April 26, 2007, using the AccuDraft Volume Submitter Profit Sharing 401(K) Plan document which has been approved by the Internal Revenue Service, and it is currently operating in compliance with the applicable requirements of the IRC.

The Plan's information return filings are subject to examination by the Internal Revenue Service and the Department of Labor for a period of three years after the date of filing. Returns filed for plan years prior to 2022 are no longer subject to examination.

**KNIGHT ISLAND MANAGEMENT LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE F – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS**

Matrix Trust Company is the trustee of the Plan. As a result, Matrix Trust Company qualifies as a party in interest to the Plan with respect to transactions related to these funds. The fair market value of the funds managed by Matrix Trust Company totaled \$1,977,532 and \$808,296 for the years ended December 31, 2024 and 2023, respectively.

Fees paid by the Plan for investment management services amounted to \$8,632 and \$1,884 for the years ended December 31, 2024 and 2023, respectively. Administrative expenses, including recordkeeping and custodial fees, are paid from Plan assets unless otherwise paid by the employer.

**NOTE G – FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stocks, corporate stocks, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.
