INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Abell LLC Health Plan

Opinion

We have audited the accompanying financial statements of the Abell LLC Health Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Abell LLC Health Plan as of December 31, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Abell LLC Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Abell LLC Health Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the health benefit plan for the employees of Abell LLC Health Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Abell LLC Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1: DESCRIPTION OF THE PLAN

The following description of the Abell LLC Health Plan (the “Plan”) provides only general information. Refer to the Plan document for a more complete description of the Plan’s provisions.

General

Effective October 1, 2012, Abell, LLC (the “Sponsor”) adopted the Plan. The Plan is a contributory defined benefit health and welfare plan. The Plan provides medical and prescription drug benefits to active employees of the Sponsor who elect to participate. The Plan and related trust are subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan name changed from Abell Corporation Medical Benefit Plan to Abell LLC Health Plan effective January 1, 2019. The Plan Administrator is responsible for oversight of the Plan.

Some administrative functions are performed by employees of the Sponsor. No compensation is remitted to the Sponsor for these services.

Eligibility and Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical, and prescription drugs) to full-time employees of the Sponsor working an average of 30 hours per week. Dependent coverage is available at the election of the participant. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (“COBRA”).

Health claims of active participants are processed by UMR, Inc. (“UMR”), but the responsibility for payments to participants and providers is retained by the Plan.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

Benefits of the Plan are self-insured. The claims for self-insured benefits are processed by the Plan’s third-party claims processors under an administrative services only arrangement. The claims processor pays claims directly out of the Plan’s assets. Despite the Plan’s utilization of third-party claims processors, ultimate responsibility for payments to providers is retained by the Plan. The Plan’s Sponsor pays the majority of the administrative costs of the Plan; re-insurance premiums are paid for by the Plan.

Note 1: DESCRIPTION OF THE PLAN (Continued)

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Sponsor and employee contribution amounts are determined annually by the Plan's management. Employees may contribute specified amounts, determined annually by management, to extend coverage to eligible dependents.

The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, health claims incurred but not reported ("IBNR"), claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of benefit obligations and net assets available for benefits.

Due from Plan Sponsor

The related party receivables of \$262,659 and \$164,109 for the years ended December 31, 2024 and 2023, respectively, represent cash accounts that have been segregated by the Sponsor at year-end that has yet to be funded to the Plan.

Stop-Loss

Insurance coverage consists of medical specific and aggregate stop-loss. Premiums paid to Berkley Insurance Company for stop loss insurance are paid for by the Plan. The stop-loss policy period differs from the Plan year.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Stop-Loss (Continued)

Insurance coverage through Berkley Accident and Health consists of medical specific and aggregate stop-loss. The Plan has split funded specific stop-loss insurance, which provides coverage on individual claims paid in excess of a \$115,000 deductible per person in the years of coverage for 2024 and 2023. The maximum coverage for specific insurance is unlimited for the 2024 and 2023 Plan years for any one covered individual's lifetime. Aggregate stop-loss insurance provides coverage on aggregate claims paid based on an aggregate monthly factor and the number of covered units. The maximum coverage for aggregate insurance is \$1,000,000 for 2024 and 2023, respectively.

Stop-loss recoveries totaling \$438,524 and \$243,491 for the 2024 and 2023 Plan years, respectively, have been netted against claims paid in the accompanying statements of changes in benefit obligations and net assets available for benefits. There were no stop-loss receivables recorded as of December 31, 2024 and 2023.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. The Plan paid for stop loss insurance premiums in the amount of \$375,451 and \$313,524 for the years ended December 31, 2024 and 2023, respectively.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 14, 2025, and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: TAX STATUS

Effective October 1, 2012, the Sponsor established a trust which was created for the sole purpose of providing health and welfare benefits to eligible participants of the Plan. The Plan has not applied for tax exempt status pursuant to Section 501(c)(9) of the Internal Revenue Code. Management is continuing the Plan as a taxable trust. The Plan had no taxable income for the years ended December 31, 2024 and 2023; therefore, income tax expense for the years ended December 31, 2024 and 2023, was \$0.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has receivables of \$262,659 and \$164,109, respectively, due from Sponsor as of December 31, 2024 and 2023, related to cash held by the Sponsor for the Plan.

The Sponsor incurred and paid fees for administrative services related to the Plan in the amount of \$188,425 and \$111,571 for the years ended December 31, 2024 and 2023, respectively, to various parties-in-interest.

Note 5: RISKS AND UNCERTAINTIES

Estimated Health Claims in Process and Claims Incurred But Not Reported

Plan obligations for health claims in process and claims incurred but not reported are estimated by the Plan's management. These amounts are paid by the Plan only if claims are submitted and approved for payment. The reserve was developed using paid claims subsequent to December 31, 2024 and 2023, and additional assumptions derived from the Plan's claim experience. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 6: TERMINATION OF THE PLAN

Although the Plan has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.
