Independent Auditors' Report

Plan Administrator
JCI 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of JCI 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and the Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

(1) **Description of the Plan**

The following description of the JCI 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the amended plan agreement for a more complete description of the Plan’s provisions.

(a) **General**

The Plan is a defined contribution plan covering all employees of JCI Jones Chemicals, Inc. (the “Company” or the “Employer”) who have completed six months of service and have attained age twenty-one. The Plan was established effective June 1, 1986, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan has adopted certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”).

Effective July 27, 2021, the Plan adopted the Cycle 3 Restatement of the Defined Contribution Pre-Approved Plan document administered by Empower Trust Company (“ETC”), formerly Great-West Trust Company, the trustee of the Plan. Recordkeeping services are provided to the Plan by Empower Annuity Insurance Company of America (“EAIC”), formerly Great-West Life & Annuity Insurance Company.

(b) **Contributions**

Each year, participants may contribute up to 100% of annual compensation as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan also accepts rollover contributions from other qualified plans at any time. The Company contributes 100% of the first 6% of base compensation that a participant contributes to the Plan. Contributions are subject to certain Internal Revenue Code (“IRC”) limitations.

The Company may, at its discretion, make additional discretionary and qualified non-elective contributions to the Plan. There were no discretionary and qualified non-elective contributions made during 2024.

(c) **Participant investment account options**

The Plan currently offers various mutual funds and a common collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

(1) **Description of the Plan - Continued**

(d) **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's contributions, rollover contributions from other qualified retirement plans, and allocations of the Plan's investment income and administrative expenses. The allocation of plan investment income and administrative expenses is based upon the participant's account balance.

(e) **Vesting**

Participants are immediately 100% vested in their voluntary and rollover contributions plus actual investment income thereon.

Participants are 100% vested in Company matching contributions plus the actual investment income thereon after completion of the second year of service.

(f) **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan by the plan administrator. Principal and interest are paid ratably through payroll deductions. A participant may not have more than one outstanding loan balance at any time and not have more than five loans during any one year period. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

(g) **Payment of Benefits**

The Plan provides for payment of benefits of the participant's vested account balance as soon as reasonably practical upon retirement, death, total and permanent disability, or termination of employment. The Plan also provides for distribution to a participant upon reaching normal retirement age. Benefits are recorded when paid.

Participants, while employed, may make withdrawals against their vested account balance in accordance with the Plan, which generally requires the demonstration of financial hardship.

(h) **Forfeitures**

Non-vested benefits of terminated participants are forfeited on the date the employee terminates. Forfeitures are used to reduce Employer matching and Employer qualified non-elective contributions. At December 31, 2024 and 2023, \$23,358 and \$7,089 was available to offset Employer matching and Employer qualified non-elective contributions, respectively. The Company used approximately \$10,000 in forfeitures to reduce Employer match contributions and pay plan expenses during the year ended December 31, 2024.

(1) Description of the Plan - Continued

(i) Administrative Expenses

All significant costs related to plan administration are paid by the Company.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis and present the net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value as determined by quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

The Morley Stable Value Fund (the "Fund") is a common/collective trust fund. The Fund consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions, the performance of which may be predicted by underlying fixed income investments. The principal value of these assets are designed to remain stable regardless of stock and bond market fluctuations. The Fund is maintained by Principal Global Investors Trust Company who has retained Morley Capital Management to service as investment advisor. The Fund is valued based on the NAV of units reported by the sponsoring bank or trust company. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily and there are no restrictions on redemptions from this fund.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Included in net appreciation in fair value of investments are realized and unrealized gains and losses resulting from market value adjustments and from recording the results of sales of investments.

(d) Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

JCI 401(K) PLAN

(2) **Summary of Significant Accounting Policies - Continued**

(e) **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(f) **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(g) **Payment of benefits**

Benefits are recorded when paid.

(3) **Information Certified by Trustee (Unaudited)**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosures under ERISA. Accordingly, ETC, the Plan's trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value
- Notes receivable from participants
- Interest, dividends, and other income
- Interest income from notes receivable from participants
- Net appreciation in fair value of investments
- Schedule of asset (held at end of year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

JCI 401(K) PLAN

(4) **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual Funds

Mutual funds are valued at quoted market prices in an exchange and active markets, which represent the NAV of shares held by the Plan at year end.

Common/Collective Trust

Collective trust funds are valued based on the unit value as determined by the sponsoring bank or trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) Fair Value Measurements - Continued

Common/Collective Trust - Continued

As of December 31, 2024 and 2023, the Plan's investments measured at fair value on a recurring basis were as follows:

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2024</u>	<u>Fair Value Measurements at Report Date Using</u>		
		<u>Observable Inputs (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 14,957,954	<u>14,957,954</u>	<u>-</u>	<u>-</u>
Common/collective trust at NAV	<u>1,052,396 (a)</u>			
	<u>\$ 16,010,350</u>			

<u>Description</u>	<u>Assets Measured at Fair Value at December 31, 2023</u>	<u>Fair Value Measurements at Report Date Using</u>		
		<u>Observable Inputs (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Mutual funds	\$ 12,935,595	<u>12,935,595</u>	<u>-</u>	<u>-</u>
Common/collective trust at NAV	<u>935,393 (a)</u>			
	<u>\$ 13,870,988</u>			

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

JCI 401(K) PLAN

(4) Fair Value Measurements - Continued

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is based on NAV per share practical expedient as of December 31, 2024 and 2023, respectively:

<u>Description</u>	<u>Fair Value at December 31, 2024</u>	<u>Fair Value at December 31, 2023</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Common Collective Trust	\$ <u>1,052,395</u>	<u>935,393</u>	<u>-</u>	Daily	(b)

(b) Units may be redeemed daily. There is 30-day redemption notice period for benefit payments and participant transfers to noncompeting options. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month advance written notice.

(5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(6) Party-in-Interest Transactions

The Plan paid approximately \$98,400 to EAIC, an affiliate of the trustee, for services provided to the Plan during 2024. The Plan also paid approximately \$37,200 for investment advisory fees during the year. Revenue received by ETC for administrative services is funded from sub-transfer fees (revenue sharing payments) paid to EAIC from non-ETC funds and from a portion of the expense ratio of ETC Proprietary funds. For the year ended December 31, 2024, approximately \$37,200 is included in other income in the statement of changes in net assets available and was utilized during the year to reduce plan expenses.

Participant loans are considered party-in-interest transactions, because they are transacted with plan participants. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

(7) Tax Status

The Plan has adopted the ETC Defined Contribution Prototype Plan and Trust, which received its latest opinion letter from the Internal Revenue Service dated November 14, 2022 stating that the prototype plan adopted by the Company, as then designed, was qualified under Section 401(a) of the Internal Revenue Code. The adopted plan document has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

JCI 401(K) PLAN

Notes to Financial Statements - Continued

(7) **Tax Status - Continued**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) **Delinquent Participant Contributions**

Defined contribution plans are required to remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. For the years ended December 31, 2024, 2023 and 2022, approximately \$47,000, \$134,000 and \$82,000, respectively, of participant contributions were not remitted or were not remitted within the Plan's remittance policy. The Company is in the process of remitting any applicable lost earnings and excise tax as a result of these delinquent participant contributions via the Voluntary Fiduciary Correction Program.

(9) **Subsequent Events**

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 2, 2025 the date the financial statements were available to be issued.
