DOWD DELIVERIES
401(K) PLAN

AUDITED FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE
FOR THE YEARS ENDED
DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

October 8, 2025

To the Administrative Committee
of the Dowd Deliveries 401(K) Plan
393 Pingree Hill Road
Auburn, New Hampshire 03032

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dowd Deliveries 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dowd Deliveries 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dowd Deliveries 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dowd Deliveries 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dowd Deliveries 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dowd Deliveries 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Yours truly,

DOWD DELIVERIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the Dowd Deliveries 401(K) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all full-time employees as defined by the Plan agreement of Dowd Deliveries, LLC. (the Plan Sponsor) and are eighteen years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

B. Contributions

Each year, participants may contribute up to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate at 7 percent of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. Participants may change their investment deferral election once each pay period and their investment account options daily.

The Plan Sponsor elected to make a matching contribution in 2024 in accordance with statutory requirements. Participants are entitled to receive matching contributions equal to 1% of each participant's deferred compensation. During the year ended December 31, 2024, the Plan Sponsor made matching contributions of \$17,742.

The Plan Sponsor may also, at its discretion, make non-elective contributions, as defined in the Plan agreement. During the year ended December 31, 2024, the Plan Sponsor made no non-elective contributions.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contributions, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DOWD DELIVERIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN (CONT.)

D. Vesting

Participants are vested immediately in their employee contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching contributions and actual earnings thereon is based on years of credited service. A participant's interest in their matched contributions is 100% vested after 18 months of credited service. A participant's interest in their non-elective contributions is 100% vested after six years of credited service.

E. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator at the time the loan application is submitted. During the years ended December 31, 2024 and 2023, there were no loans issued and outstanding.

F. Payment of Benefits

On termination of service due to death, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, or elect to receive it in installments.

G. Terminated Accounts

At December 31, 2024 and 2023, terminated vested accounts amounted to \$13,241 and \$14,492, respectively. These accounts were not paid to the terminated participants as of December 31, 2024 and 2023, respectively.

H. Hardship Withdrawals

Hardship withdrawals may be allowed in the case of heavy and immediate financial need that cannot be satisfied by other sources. Such withdrawals may be granted upon receipt of documented evidence and can only be made from fully vested accounts. During the year ended December 31, 2024, there were no hardship withdrawals.

I. Forfeited Accounts

Forfeitures of employer contributions can be applied to reduce subsequent employer matching contributions. In 2024, forfeited nonvested accounts totaled \$6,855. The balance in the forfeiture account as of December 31, 2024 was \$1,743. There was no balance in the forfeiture account as of December 31, 2023.

DOWD DELIVERIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN (CONT.)

J. Administration Expenses

The Plan Sponsor provided certain administrative and accounting services to the Plan at no cost. Any expenses not paid by the Sponsor shall be paid by the trustees out of the principal or income of the Plan. During the year ended December 31, 2024, expenses paid by the trustees out of the principal or income of the Plan were \$1,447.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, investment income is recognized when received and disbursements are recognized when made. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with generally accepted accounting principles.

B. Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of Plan assets and changes therein at the date of the financial statements. The most significant estimate affecting the financial statements is the fair value of investments. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received by the Plan. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. Participants pay principal and interest through payroll deductions each pay period. Interest income is recognized by the Plan when it is received.

DOWD DELIVERIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

D. Notes Receivable from Participants (Cont.)

If a participant fails to make scheduled repayments and does not cure the delinquency within the required time period, the loan is treated as a deemed distribution in accordance with Internal Revenue Code requirements and is removed from the Plan's loan balance.

The Plan does not charge participants any fees for loan origination or ongoing loan administration. Accordingly, no loan fees are deducted from participants' accounts and no loan-related income is recognized by the Plan in connection with such services.

E. Payment of Benefits

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy under this framework are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets or identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

DOWD DELIVERIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

3. FAIR VALUE MEASUREMENTS (CONT.)

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth the Plan’s assets at fair value as of December 31, 2024 and 2023

	<u>2024</u>	<u>2023</u>
<u>Investments Measured at Net Asset Value:</u>		
Mutual funds	\$ 208,080	\$ 97,999
Cash and cash equivalents	<u>1,744</u>	<u>4,591</u>
	<u>\$ 209,824</u>	<u>\$ 102,590</u>

4. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Matrix Trust. Matrix Trust is the custodian of the Plan assets, and therefore, these are transactions that qualify as party-in-interest transactions.

6. PLAN TERMINATION

The Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

DOWD DELIVERIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

7. TAX STATUS

The Internal Revenue Service has determined and informed the Custodian by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

The provisions of Accounting for Uncertainty in Income Taxes require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Because this is only the second year of the The Plan's existence, 2023 is the only prior period subject to income tax examinations.

8. INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

9. SUBSEQUENT EVENTS

Subsequent to the Plan year ended December 31, 2024, but prior to the issuance of these financial statements, the Plan Sponsor made the decision to terminate the Dowd Deliveries 401(K) Plan (the "Plan"), effective May 23, 2025. All required actions to terminate the Plan in accordance with applicable regulations under the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA) were completed.

Following the effective date of termination, steps were taken to ensure Plan assets were distributed to participants and beneficiaries in accordance with the Plan's provisions. As of the date of issuance of these financial statements, an immaterial residual balance remains in one of the Plan's investment funds. The Plan Sponsor is in the process of liquidating this remaining balance and intends to complete final distribution and administrative close-out activities in accordance with applicable laws and guidance.

Management has evaluated all subsequent events through October 8, 2025, the date the financial statements were available to be issued, and has determined that no other events or transactions require disclosure.
