Independent Auditor's Report

To the Trustees and Plan Administrator
Evergreen Health Group, LLC 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Evergreen Health Group, LLC 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets (in liquidation) available for benefits as of December 31, 2024, and the related statement of changes in net assets (in liquidation) available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Evergreen Health Group, LLC 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report - Continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Evergreen Health Group, LLC 401(k) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Liquidation Basis of Accounting

As further discussed in Note J to the financial statements, the Plan adopted a resolution to terminate the plan on March 31, 2025. As a result, the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Health Group, LLC 401(k)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report - Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Evergreen Health Group, LLC 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Health Group, LLC 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditor's Report - Continued

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

A. Description of the Plan

The following brief description of the Evergreen Health Group, LLC 401(k) (plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General

The plan is a defined contribution plan designed to provide retirement savings benefits to eligible employees of the company through tax deferred voluntary contributions by employees.

Employees are eligible to participate in the plan after attaining the age of eighteen and completion of three months of service. Employees can enter the plan on the next monthly date upon satisfaction of the eligibility requirements. Employees who are covered by a collective bargaining agreement, a non-resident alien who received no earned income, a leased employee or an employee paid on a commission basis are not eligible to participate in the plan.

Magnolia NH LLC, Houston NH LLC, Port Lavaca NH LLC and Zephyr NH LLC are all adopting employers.

Contributions

Participants may elect to defer a percentage or dollar amount of their salary each pay period up to 100% of their annual eligible compensation, as defined by the plan document, in the form of pre-tax contributions. Participants may also contribute eligible rollovers from other qualified defined benefit or defined contribution plans and individual retirement accounts. The plan also allows Roth contributions. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions.

The Plan has an automatic elective deferral contribution of 3%. No automatic increase applies.

The Plan does not provide for employer contributions.

Participant's accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately and fully vested in their voluntary contributions and rollover contributions plus actual earnings thereon.

Evergreen Health Group, LLC 401(k)
Notes to the Financial Statements

A. Description of the Plan - Continued

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 7.75% to 8.50%. Principal and interest is paid ratably through payroll deductions. The loan term may not exceed 5 years, except that any loan used to purchase your principal residence may be repaid over a longer period.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

If an active participant has attained age fifty-nine and one-half (59 ½), they may elect to withdraw all or a portion of their account while still employed by the company. Hardship distributions are permitted.

Forfeited accounts

Forfeitures represent the non-vested benefits remaining from employees who have withdrawn from the plan before coming fully vested. Forfeited amounts are retained in the plan and will first be used to pay administrative expenses. Any remaining forfeitures will be used to reduce any employer contribution to the plan. Forfeited non-vested accounts amounted to \$0 as of December 31, 2024.

B. Summary of Significant Accounting and Reporting Policies

Basis of accounting

The financial statements are maintained on the liquidation basis of accounting for the year ended December 31, 2024, in accordance with U.S. generally accepted accounting principles.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. See Note C for a discussion of fair value measurements.

Evergreen Health Group, LLC 401(k)
Notes to the Financial Statements

B. Summary of Significant Accounting and Reporting Policies – Continued

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for fully-benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Operating expenses

Certain administrative expenses of maintaining the plan are paid by the company. Contract administrative fees are paid by the plan.

Subsequent events

The plan has evaluated subsequent events through October 17, 2025, the date the financial statements were available to be issued.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Evergreen Health Group, LLC 401(k) Notes to the Financial Statements

C. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The 3 levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Collective investment trust: Valued at net asset value (NAV) of units of the collective investment trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the collective investment trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Evergreen Health Group, LLC 401(k)
Notes to the Financial Statements

C. Fair Value Measurements - Continued

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2024:

	<u>Assets at Fair Value as of December 31, 2024</u>

D. Related Party and Party In Interest Transactions

During 2024, the plan investments were investments managed by Principal Trust Company. Principal Trust Company is a custodian as defined by the plan and, therefore, a party in interest with respect to the plan. These transactions are covered by an exemption from the "prohibited" transaction provisions of ERISA and the IRC.

E. Plan Termination

The company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. See Note J for further information.

Evergreen Health Group, LLC 401(k)

Notes to the Financial Statements

F. Tax Status

On June 30, 2020, the IRS stated that the prototype adopted by the plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The plan has not received a determination letter specific to the plan itself; however, the plan administrator and the plan's tax counsel believe that the plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Custodial Certification

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Principal Trust Company and was not subjected to any auditing procedures performed by the independent public accountants:

- a. Total investments as shown in the accompanying statements of net assets available for benefits of \$371,615 as of December 31, 2024.
- b. Net investment income as shown in the accompanying statement of changes in net assets available for benefits of \$18,626 for the year ended December 31, 2024.
- c. All investment-related information in the accompanying supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2024.

Evergreen Health Group, LLC 401(k)
Notes to the Financial Statements

I. Failure to Timely Transmit Participant Contributions

The Company failed to remit to the Plan certain participant contributions and loan repayments during 2024 totaling \$153,828, within the period prescribed by the DOL's regulations. Plan officials adopted stricter oversight in this area and will make contributions to the affected participants' accounts to compensate those participants for potential lost earnings and correct the prohibited transaction by filing Form 5330 Return of Excise Taxes Related to Employee Benefit Plans.

J. Liquidation Basis of Accounting

On March 31, 2025, the Plan adopted a resolution to terminate the plan. Plan assets will continue to be held on behalf of participants and their beneficiaries until distributed in accordance with the Plan terms. Participants shall be 100% vested in their accounts. Management determined the liquidation basis of accounting was appropriate at December 31, 2024.

The assets of the Plan have been fair valued based on the market at year end. Income and expense cannot be reasonably estimated through termination and have not been accrued in these financial statements. Income from investments along with the corresponding investment fees of the plan and fees for distributions will be reported annually. Management cannot reasonably determine when all participants will request their distributions.

Subject: 2024 Form 5500, Evergreen Health Group, LLC 401(k), EIN 84-2795435,
Reasonable Cause Statement for Late Filing of Form 5500 – First-Time Filer

To Whom It May Concern:

We are writing to respectfully request abatement of any penalties associated with the late filing of our Form 5500 for the plan year ending December 31, 2024. This was our first-year filing Form 5500, and due to the complexity of the process and the coordination required for the independent audit, we inadvertently missed the filing deadline by approximately one week.

We understand the importance of timely and accurate filings under ERISA and the Internal Revenue Code and take our compliance obligations seriously. Upon recognizing the oversight, we acted promptly to complete and submit Form 5500, including the required audit report, through the EFAST2 system.

The plan has since been terminated, and our limited staff—working diligently on a part-time basis—is committed to ensuring all remaining compliance matters are addressed responsibly and in a timely manner.

We respectfully request penalty relief under the **reasonable cause provisions** outlined in:

- **Treasury Regulation §301.6651-1(c)**, which provides that a failure to file may be excused for reasonable cause if the filer exercised ordinary business care and prudence but was nevertheless unable to comply.
- **IRS Policy Statement 3-2**, which supports abatement when the taxpayer demonstrates good faith and a history of compliance.
- **IRS First-Time Abatement (FTA) Policy**, which allows penalty relief for filers with a clean compliance history over the prior three years and current compliance with filing and payment obligations.

We also understand that the Department of Labor may consider reasonable cause in assessing civil penalties under **ERISA §502(c)(2)**. While we are not requesting relief under the Delinquent Filer Voluntary Compliance Program (DFVCP), we believe our circumstances—being a first-time filer, acting promptly upon discovery of the error, and operating with limited resources during plan termination—support a finding of reasonable cause.

EverGreen

HEALTH GROUP

We have not received any prior notices of delinquency from either agency and are submitting this request proactively. We respectfully ask that any penalties assessed be waived in light of our circumstances and our demonstrated commitment to compliance.

Please do not hesitate to contact us at Selina.chao@evergreenhg.com if additional information is required.

Sincerely,

Selina Chao, Plan Administrator
