INDEPENDENT AUDITORS' REPORT

To the Participants and Board of Trustees
Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust
Dayton, Ohio

Opinion

We have audited the financial statements of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of January 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust as of January 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of January 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

To the Participants and Board of Trustees
Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust
Dayton, Ohio

Opinion

We have audited the financial statements of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of January 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust as of January 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of January 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN:

The following description of the Iron Workers District Council of Southern Ohio & Vicinity Annuity Trust (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan that covers employees of those employers who have agreed to make the required employer contributions to the Plan per collective bargaining agreements with various local Iron Workers unions located in Indiana, Kentucky, Ohio, and West Virginia. To be eligible, an employee must be working for a participating employer who is subject to a collective bargaining agreement or for a participating employer subject to a trustee approved participation agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Administration of the Plan is the responsibility of the Board of Trustees and is governed by a joint board consisting of equal representation from the participating employers and the various local Iron Workers unions.

Contributions

In accordance with the collective bargaining agreements, employers are required to make monthly contributions at a fixed dollar amount based on hours worked by participants or on hours paid, which includes the premium for overtime hours. Hourly contribution rates vary by the collective bargaining agreements in place for each jurisdiction. The Plan also accepts employee rollovers from other qualified retirement plans; however, no participant contributions are accepted.

Participant accounts

Each participant's account is credited with the employer's contribution, plan earnings thereon and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in the contributions made on their behalf by employers plus actual earnings thereon.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their account a minimum of \$5,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants make principal and interest payments directly to the Plan's custodian. Loans that are three months delinquent are considered in default. The unpaid balance of the loan, plus interest accrued through the date of default, is considered a "deemed distribution", taxable to the participant. The unpaid balance of the "deemed distributed" loan, plus accrued interest since the date of default, is used to determine the maximum amount a participant can borrow in subsequent loans from the Plan.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's interest in his or her account, or monthly installments for a period not to exceed ten years with the monthly installment amount adjusted annually based on the remaining balance in the participant's account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution after a prescribed waiting period.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies of the Plan:

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value as described in Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment earnings (losses) include interest, dividends and the Plan's gains and losses on investments bought and sold as well as held during the year.

Cash

Cash includes amounts on deposit with financial institutions. The balances, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts and plan management believes that the Plan is not exposed to any significant risk with its cash on deposit with financial institutions.

Employer contributions receivable

Employer contributions receivable represents amounts due from employers that were received subsequent to year end. Therefore, the carrying amount of these receivables is not reduced by an allowance for amounts that will not be collected. In addition, it is impractical to estimate a recognition of revenue for amounts due but erroneously unreported by employers.

Reciprocity contributions

Participants of the Plan and participants of the benefit plans of other affiliated local unions may have temporary employment assignments outside the jurisdiction of their local union. Therefore, the Plan has entered into reciprocity agreements with other affiliated locals to ensure that employer contributions are forwarded to the benefit plans of the affiliated local unions on behalf of the participants. Reciprocal contributions received, and reciprocal contributions paid have been recorded on the statements of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, less any amounts deemed distributed. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit payments

Benefit payments to participants are recorded when paid.

Administrative expenses

Expenses of maintaining the Plan are paid by the Plan. Fees related to the administration of notes receivable from participants or other participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. The Plan Administrator allocates certain administrative and record-keeping costs to the Plan, in addition to the cost of payroll and related payroll benefits directly attributable to the Plan. In computing these allocated costs, various factors were considered, including the time spent, space used, costs incurred, and volume of transactions related to the Plan in relation to the related Pension Trust and Benefit Trust. These expenses are reported in administrative expenses on the accompanying statements of changes in net assets available for benefits.

Subsequent events

The Plan has evaluated subsequent events through October 23, 2025, the date the financial statements were available to be issued.

3. INVESTMENTS:

The Plan maintains a participant directed investment program whereby participants can elect to invest in a limited number of registered investment companies and a guaranteed investment contract, each with different investment guidelines that allows participants to diversify their asset allocation to meet their individual objectives. At January 31, 2025 and 2024, Prudential Retirement served as custodian for the Plan's registered investment companies.

The Plan has entered into an investment contract with Mass Mutual totaling \$156,774,322 and \$160,989,433 at January 31, 2025 and 2024, respectively. Mass Mutual maintains the contribution in a group annuity contract that guarantees a minimum rate of return. Mass Mutual is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuer.

The Plan's net investment earnings (losses) were as follows:

	<u>2025</u>	<u>2024</u>
Interest from cash and money market accounts	17,217	78
Dividends from registered investment companies	18,003,807	10,662,174
Net appreciation from registered investment companies	22,438,806	12,908,233
Net earnings from guaranteed investment contract	4,681,789	5,202,330
Net investment earnings	\$ 45,141,619	28,772,815

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies: Mutual funds are valued at the daily closing prices as reported by the funds. The funds held by the Plan are registered with the Securities and Exchange Commission. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

There have been no changes in the methodologies used at January 31, 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's Trustees believe that the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2025:

Description	Level 1	Level 2	Level 3	Total Fair Value
Registered investment companies	<u>\$ 362,140,059</u>	<u>-</u>	<u>-</u>	<u>362,140,059</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2024:

Description	Level 1	Level 2	Level 3	Total Fair Value
Registered investment companies	<u>\$ 303,319,654</u>	<u>-</u>	<u>-</u>	<u>303,319,654</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to the total net assets available for benefits.

There were no transfers, purchases or issuances of Level 3 assets for the years ended January 31, 2025 and 2024.

5. TAX STATUS:

The Internal Revenue Service has determined and informed the Plan by a letter dated December 8, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

6. RELATED ORGANIZATIONS AND PARTIES IN INTEREST:

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA.

The Plan operates jointly with the Benefit Trust and Pension Trust sponsored by the Iron Workers District Council of Southern Ohio & Vicinity. Transactions between the Plans are as follows:

The Plan leases office space on an annual basis from the Pension Trust. Rent expense is determined annually based on an allocation of square footage. Lease expense under this arrangement was \$34,613 and \$20,328 for the years ended January 31, 2025 and 2024, respectively.

Certain administrative expenses benefiting all three related plans are paid by the Benefit Trust. Such joint costs are allocated to each plan based on factors, including personnel time, governance time, contribution levels, postage usage, etc. The total expenses allocated to the Plan related to these joint administrative costs were \$404,966 and \$525,673 for the years ended January 31, 2025 and 2024, respectively. Included in the joint costs allocated from the Benefit Trust is the change in the funded status of the office employees defined benefit plan sponsored by the Benefit Trust totaling \$(68,005) and \$18,931 for the years ended January 31, 2025 and 2024, respectively. This portion of the joint cost will be settled in the future as the Benefit Trust makes required contributions.

Employer contributions to the Plan and related Plans are remitted jointly in a single monthly payment. These contributions are initially deposited into the related Pension Trust and subsequently transferred to the appropriate Plan after processing. Amounts held by the Pension Trust on behalf of the Plan are classified as part of accounts receivable from related plans.

At January 31, 2025, \$358,578 was due from the Pension Trust and \$69,250 was due to the Benefit Trust. At January 31, 2024, \$190,163 and \$171,026 was due from the Pension Trust and Benefit Trust, respectively. These balances are the result of contributions pending transfer, rent charges, the Plan's share of the funded status of the defined benefit plan sponsored by the Benefit Trust and the true-up of the actual joint costs allocated from the Benefit Trust compared to estimated payments made during the year.

7. PLAN TERMINATION:

In the event the Plan is terminated, the net assets of the Plan will be allocated for payment of plan benefits to the participants in order of priority determined in accordance with ERISA, applicable regulations thereunder, and the plan document.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. SIGNIFICANT PARTICIPATING EMPLOYERS:

For the years ended January 31, 2025 and 2024, no employers represented greater than 10% of total employer contributions to the Plan.

10. PLAN AMENDMENTS:

For Plan loans, effective February 6, 2024, if installment payments remain unpaid at the end of the calendar quarter after the calendar quarter in which the applicable installment payment was originally due, the entire loan shall be deemed to be in default. A borrower who defaults in payment of a loan shall not be eligible to apply for another loan unless the defaulted loan is first paid through after-tax contributions made by the participant.
