Independent Auditor's Report

To the Participants and Plan Administrator of
Kenney Ortho Group, Inc. 401(k) Plan
Nicholasville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kenney Ortho Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 3, 2024 and December 31, 2023, the related statement of changes in net assets available for benefits for the period ended September 3, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 3, 2024 and December 31, 2023, and for the period ended September 3, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis

As discussed in Note 1 to the financial statements, the Board of Directors of the Plan Sponsor approved to terminate the Plan on January 11, 2024. Management has determined liquidation is imminent and, as a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

KENNEY ORTHO GROUP, INC. 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Kenney Ortho Group, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and became effective January 1, 2013 and was restated effective October 4, 2021. The Plan covers all eligible employees of Kenney Ortho Group, Inc. (the Plan Sponsor and Administrator). The Plan Sponsor's Board of Directors is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's Board of Directors.

In February 2024, the Plan Sponsor merged with Hanger Clinic.

Plan Termination

On January 11, 2024, the Board of Directors of the Plan Sponsor approved to terminate the Plan. On July 15, 2024, the Plan Sponsor provided the Plan's participants with a notice of its intent to terminate the Plan effective August 31, 2024, subject to the provisions set forth in ERISA and provided the optional forms of benefit available to the participants, including any inactive participants, affected by termination of the Plan. At the time of the Plan termination, participants became 100% vested in any Plan Sponsor contributions in which they were not fully vested. Final distribution of funds occurred on September 3, 2024.

If participants did not provide their election to Empower by market close on August 30, 2024, the vested account balance for those participants was rolled over directly to an individual retirement account (IRA) established by the Plan Sponsor on their behalf. Accounts that are rolled over in this manner, will initially be invested in the Empower Guaranteed Income Fund (the Fund) until the participant specifies otherwise. The Fund is the capital preservation investment option available in the Empower Automatic Rollover IRA and the default investment if no investment elections are made. The Fund is provided through a group funding agreement issued by Empower Annuity Insurance Company of America, a Colorado insurance company. The Fund offers both guaranteed interest and guaranteed safety of principal.

Eligibility

Upon attaining age twenty-one, employees classified as full-time are eligible to participate in the Plan after completing three months of service and employees classified as part-time, temporary or seasonal are eligible to participate in the Plan upon completing at least 1,000 hours of service during a Plan year. Eligible participants may enter the Plan on the first day of the month coinciding with or following the date they meet the applicable service requirements. Upon entry into the Plan, participants may begin making elective deferrals of compensation. Employees are eligible for Plan Sponsor nonelective contributions after one year of service.

Contributions

Participants may contribute up to the maximum allowable annual contribution as defined by the Plan adoption agreement. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan includes an automatic deferral feature. Accordingly, the Plan Sponsor will automatically withhold a portion of eligible compensation from participants' pay each payroll period and contribute that amount to the Plan as a pre-tax deferral unless participants make a contrary election. The amount to be automatically withheld from eligible compensation each payroll period will be equal to the percentage of compensation set forth in the table below:

<u>Plan Year</u>	<u>Automatic Deferral Percentage</u>
2 and under	3%
3	4%
4	5%
5 and after	6%

The Plan Sponsor will contribute safe harbor matching contributions of 100% (up to 2%) and 50% (more than 2%, but not more than 6%) of eligible compensation that a participant contributes to the Plan. The Plan Sponsor may also contribute a nonelective contribution. During the period ended September 3, 2024, the Plan Sponsor did not make a nonelective contribution to the Plan. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Plan Sponsor's safe harbor contributions, the Plan Sponsor's nonelective contributions (if any), an allocation of Plan earnings, and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

KENNEY ORTHO GROUP, INC. 401(K) PLAN

1. Description of the Plan, continued

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are fully vested in the Plan Sponsor's safe harbor contributions after two years of service and according to the following schedule for the Plan Sponsor's nonelective contributions:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Loans

Participants may borrow from their individual account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rates are fixed and is set at 2% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, beneficiaries may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in their account, or annual installments using the life expectancy rule. For termination of service for other reasons, participants may receive the value of the vested interest in their benefits as a single lump sum distribution.

Forfeited Accounts

Forfeitures result from termination of employment under circumstances in which the participant is not fully vested in Plan Sponsor contributions. The forfeitures may be (1) used to reduce future Plan Sponsor contributions, (2) used to pay administrative expenses, or (3) allocated to participants. In 2024, \$9,954 was used to pay administrative expenses from forfeited nonvested accounts. There were no remaining forfeited nonvested accounts at September 3, 2024. As of December 31, 2023, forfeited nonvested accounts totaled \$9,806.

2. Summary of Significant Accounting Policies

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP) which requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

KENNEY ORTHO GROUP, INC. 401(K) PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Basis of Accounting

Due to the termination of the Plan as discussed in Note 1, the financial statements of the Plan are prepared under the liquidation basis of accounting, beginning with the 2024 financial statements.

Under the liquidation basis of accounting, the Plan is required to present relevant information regarding the expected resources in liquidation by measuring and presenting assets at the amount of the expected cash proceeds from liquidation, which may include the presentation of assets not previously recognized under GAAP, but that it expects to use in settling liabilities.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contracts, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the period.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the period in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent loans are treated as distributions based on the terms of the Plan adoption agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

2. Summary of Significant Accounting Policies, continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits to participants are charged directly to the participant's account and are included in administrative expenses.

The investment expenses are charged to each mutual fund and are included with the fund's net appreciation.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit rate, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Subsequent Events

The Plan Sponsor has evaluated subsequent events for accounting and disclosure requirements through October 24, 2025, the date that the financial statements were available to be issued.

3. Certified Investment Information

Information in the accompanying financial statements related to investments and notes receivable from participants held as of September 3, 2024 and December 31, 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period ended September 3, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (Empower), a qualified institution.

4. Investment Contract with Insurance Company

The Plan has a fully benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, as reported to the Plan by Empower. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

KENNEY ORTHO GROUP, INC. 401(K) PLAN

Notes to the Financial Statements, continued

4. Investment Contract with Insurance Company, continued

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor event (e.g., divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the Plan; or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (i) an uncured violation of the Plan's investment guidelines, (ii) a breach of material obligation under the contract, (iii) a material misrepresentation, (iv) a material amendment to the agreement without the consent of the issuer.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The interest crediting rates were 1.45% and 1.30% as of September 3, 2024 and December 31, 2023, respectively. Such interest rates are reviewed on a quarterly basis for resetting. The average yield for the period ended September 3, 2024 was 1.36%.

5. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at September 3, 2024 and December 31, 2023. Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>4,529,938</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>4,529,938</u>

KENNEY ORTHO GROUP, INC. 401(K) PLAN

Notes to the Financial Statements, continued

6. Related Party and Party-in-Interest Transactions

The Plan allowed participants, if they elected, to invest in Fixed Account Series fund that is managed by Empower. Additionally, Empower is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Empower provides certain administrative and recordkeeping services to the Plan pursuant to an agreement between the Plan Sponsor and Empower. Empower receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

Additionally, MCF Advisors, LLC (MCF) provides advisory services to the Plan pursuant to an agreement between the Plan Sponsor and MCF.

7. Tax Status

The Plan uses a prototype Plan document sponsored by Empower. Empower received an opinion letter from the IRS, dated November 14, 2022, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan Sponsor's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

8. Reconciliation to Form 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of September 3, 2024 and December 31, 2023, is as follows:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per financial statements	\$ -	\$ 4,679,407
Plan Sponsor contributions receivable	<u>-</u>	<u>(29,922)</u>
Net assets per Form 5500	<u>\$ -</u>	<u>\$ 4,649,485</u>

A reconciliation of the net decrease in net assets available for benefits per the financial statements to the net loss per Form 5500 for the period ended September 3, 2024 is as follows:

	<u>2024</u>
Net decrease in net assets available for benefits per the financial statements	\$ (4,679,407)
Employer contribution receivables: Plus beginning of year balance	<u>29,922</u>
Net loss per Form 5500	<u>\$ (4,649,485)</u>

KENNEY ORTHO GROUP, INC. 401(K) PLAN

Notes to the Financial Statements, continued

9. Subsequent Events

In 2025, following the termination of the Plan and the full distribution of its assets, two compliance issues were discovered (1) several part-time, temporary and seasonal employees who satisfied the 1,000-hour service requirement were not automatically enrolled in the Plan as required and (2) a participant's elected deferral rate change was not timely implemented in the payroll system, resulting in missed deferral contributions. These issues caused missed deferral opportunities for the affected participants.

Because the Plan had already been terminated and all funds distributed, management consulted with an ERISA attorney to address these errors. As a corrective measure, the Plan was re-established solely for the purpose of remitting a qualified non-election contribution (QNEC) for the missed deferral opportunities, any applicable missed employer matching contributions and associated lost earnings on both and then distributing the amounts to the affected participants.

The total corrective contributions and earnings, amounting to \$20,730, were deposited into the Plan trust on October 9, 2025. Corrective distribution notices and election forms were mailed to the affected participants on October 22, 2025, with the 402(f) special tax notice. Disbursements to the affected participants will be issued upon conclusion of the election period in 2025.
