## **Independent Auditors' Report**

To the Participants and Plan Administrator of the  
Utah Legal Services, Inc. 403(b) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements**

We were engaged to audit of the accompanying financial statements of the Utah Legal Services, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and December 31, 2023 (unaudited), and the related statement of changes in net assets available for benefits for the year December 31, 2024 then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Utah Legal Services, Inc. 403(b) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institutions as of and for the year ended December 31, 2024, stating that the certified investment information as described in Note 9 to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statement section –

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of

America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Utah Legal Services, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Utah Legal Services, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Utah Legal Services, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Utah Legal Services, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Prior Year Financial Information**

The accompanying statement of net assets available for benefits includes information as of December 31, 2023, presented for comparative purposes only. Such information is derived from the Plan's records and was not audited, reviewed, or compiled by us; accordingly, we do not express an opinion or provide any other form of assurance on them.

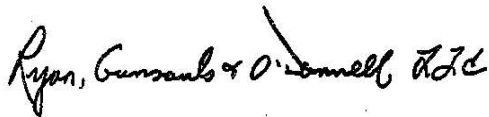

#### **Other Matters – Supplemental Schedules Required by ERISA**

The Supplemental Schedules of Assets (Held at Year End) and of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information that agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 1:    Description of Plan**

The following description of Utah Legal Services, Inc. (the Company)'s 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who are age 21 or older and have completed 1 year of service for employee elective deferrals and are age 18 or older and have completed 1 month of service for employer matching and non-elective contributions. Participants may enter the Plan on the first monthly entry date after meeting the participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian, trustee and plan administrator are responsible for oversight of the Plan. The trustee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the plan administrator. The Plan's custodians are a) Mid Atlantic Trust Company and b) Voya Retirement Insurance and Annuity Company.

Certification

The Plan's custodians have certified to the accuracy of the investment transactions, recognition of income, expenses, and assets held as of December 31, 2024.

Contributions

Each year, participants may contribute pretax annual compensation to the Plan, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-four pooled separate accounts and one fixed account as investment options for participants. The Company may make discretionary matching contributions based on certain formulas as defined in the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's discretionary profit-sharing contribution, (b) Plan earnings or losses, (c) forfeitures of terminated participants' nonvested accounts, and (d) charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 2 years of credited service.

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 1: Description of Plan, continued**

Payment of Benefits

On termination of service due to death, disability, retirement, or withdrawal from the Plan, a participant may elect to receive a lump-sum cash payment, one of various annuity contracts, or a direct rollover to another qualified retirement plan, in an amount equal to the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 8.00 – 9.50%. Principal and interest are paid ratably through payroll deductions. Each participant can have only one loans outstanding at a time. During the year ended December 31, 2024, the Plan issued 4 loans to participants. At December 31, 2024, balances of notes receivable from participants totaled \$45,190.

Forfeitures

In accordance the Plan provisions, forfeitures may be used to pay administrative expenses. At December 31, 2024, there were \$37 of forfeitures.

Hardship Distribution

Under certain circumstances, a participant may qualify for certain hardship distributions if a participant has an immediate and significant financial need, subject to certain usage requirements and other conditions. The participant may receive a lump sum payment equal to the vested amount of the participant's account balance.

Administration of Plan Assets

Contributions are held and managed by the custodian, who invests cash received allocates interest and dividend income, and makes distributions to participants. Employees of the Company perform certain administrative functions for the Plan. Such employees do not receive compensation from the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. GAAP.

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 2: Summary of Significant Accounting Policies**

Basis of Accounting, continued

Investments held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan has no fully benefit-responsive investment contract at December 31, 2024.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024, no allowance for credit losses has been recorded. If a participant ceases to make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and a delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's fixed account is stated at fair value. All other investments are stated at fair value based on readily available market information. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains and losses and the unrealized appreciation (depreciation) on those investments.

Operating Expenses

Plan administration fees are paid from the assets of the Plan to the extent permitted. Expenses may be allocated among all Plan participants or charged directly against individual account balances. Fees charged directly to individual account balances include general recordkeeping fees and expenses related to processing distributions or loans, qualified domestic relations orders, and directing the investment of the participants' account balance.

Payment of Benefits

Benefits are recorded when paid.

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**

**Note 3: Investment Valuation and Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a fair value hierarchy that prioritizes investments based on the assumptions market participants would use when pricing an asset. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Plan groups assets at fair value in three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

These levels are:

Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 Unobservable inputs that cannot be corroborated by observable market data.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. These classifications (Level 1, 2 and 3) are intended to reflect the observability of inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

Market price is affected by a number of factors, including the type of instrument and the characteristics specific to the instrument, as well as the effects of market, interest and credit risk. Instruments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. It is reasonably possible that change in values of these instruments will occur in the near term and that such changes could materially affect amounts reported in the Plan's financial statements.

The following table summarizes the valuation of the Plan's investments by the fair value hierarchy levels as of December 31, 2024:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Separate account	\$ 4,211,157	\$ 4,211,157	\$ -	\$ -
Fixed account	<u>110,882</u>	<u>-</u>	<u>110,882</u>	<u>-</u>
Total investments	<u>\$ 4,322,039</u>	<u>\$ 4,211,157</u>	<u>\$ 110,882</u>	<u>\$ -</u>

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 3: Investment Valuation and Fair Value Measurements, continued**

The Plan presents, in the statement of changes in net assets available for benefits, the net (depreciation) appreciation in the fair value of its investments which consists of the realized gains and losses and the unrealized (depreciation) appreciation on those investments.

**Note 4: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**Note 5: Tax Status**

The Plan has been informed by its contract administrator that the 403(b) plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since its adoption. The Company is of the opinion that the Plan is currently being operated and fulfills the applicable requirements of a qualified plan. Accordingly, no provision for federal or state taxes has been provided.

The Plan is required to report uncertain tax positions. After evaluating the tax positions taken, none are considered to be uncertain; therefore, no amounts have been recognized as of December 31, 2024. If incurred, interest and penalties associated with uncertain tax positions would be recorded in the period assessed as other operating expenses. No interest or penalties have been assessed as of December 31, 2024. The Plan files Form 5500, and the three previous tax years remain subject to examination.

**Note 6: Related Party and Related Parties-in-Interest**

Plan administrative services and investment products were provided by Mutual of America Life Insurance Company, Mid Atlantic Trust Company, and Voya Retirement Insurance and Annuity Company. Transactions with Mutual of America Life Insurance Company, Mid Atlantic Trust Company, and Voya Retirement Insurance and Annuity Company qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management services amount to \$27,419 for the year ended December 31, 2024. These party-in-interest transactions are exempt from the prohibited transaction rules in ERISA.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

<b>Net decrease in net assets available for benefits, per the Form 5500</b>	<b><u>\$ (1,164,491)</u></b>

**Note 9: Summary of Information Furnished by Custodian (Unaudited)**

In accordance with Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the plan administrator has received certification from the custodian of the Plan as to the accuracy and completeness of certain financial information of the Plan. The following items were provided by, or were derived from data provided by the custodian of the Plan:

- Statements of Net Assets available for the Plan Benefits at December 31, 2024:  
Investments including separate account assets and their valuation.
- Statement of Changes in Net Assets Available for the Plan Benefits for the year ended December 31, 2024:  
  
Interest, dividends, and realized and unrealized appreciation (depreciation) in the fair value of investments; and  
changes in net assets arising from investment activities.
- Supplemental Schedule for the year ended December 31, 2024:  
All information included in the schedule.

**Note 10: ERISA Bond Requirements**

The ERISA requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the Plan year or

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**

\$500,000. The Plan maintained coverage of \$360,000 for the period January 1, 2024 through April 1, 2024, and \$500,000 for the period April 1, 2024 through April 1, 2025. Based on plan assets at the beginning of the 2024 plan year, the required minimum coverage was \$500,000. Accordingly, coverage for January 1 through March 31, 2024, was below the required amount. Management has represented that adequate coverage will be maintained on a continuous basis going forward.

**Note 11: Delinquent Participant Contributions**

During the year ended December 31, 2024, certain employee contributions and participant loan repayments totaling \$122,085 were not remitted to the plan within the time frame required by the Department of Labor's regulation at 29 CFR 2510.3-102. These late remittances constituted nonexempt prohibited transactions under ERISA §406 and the IRC §4975. The following is a summary of the delinquent contributions:

The Company has remitted the delinquent contributions and will deposit any lost earnings to the affected participant accounts. The Company intends to correct the prohibited transaction by filing under the Voluntary Fiduciary Correction Program (VFCP).

**Note 12: Partial Transfer of Plan Assets Between Custodians**

During the plan year, the Plan initiated a partial transfer of \$67,026 in assets from Voya to Mutual of America, representing approximately 20% of total plan assets. The transfer was executed to consolidate investment options and reduce administrative costs. Both custodians continue to hold plan assets as of year-end. The final transfer is expected to occur in July 2026.

**Note 13: Subsequent Events**

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure through the date the financial statements were available to be issued, which was the date of the independent auditors' report. The Plan has determined no events required disclosure.

## **Independent Auditors' Report**

To the Participants and Plan Administrator of the  
Utah Legal Services, Inc. 403(b) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements**

We were engaged to audit of the accompanying financial statements of the Utah Legal Services, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and December 31, 2023 (unaudited), and the related statement of changes in net assets available for benefits for the year December 31, 2024 then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Utah Legal Services, Inc. 403(b) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institutions as of and for the year ended December 31, 2024, stating that the certified investment information as described in Note 9 to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statement section –

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of

America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Utah Legal Services, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Utah Legal Services, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Utah Legal Services, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Utah Legal Services, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Prior Year Financial Information**

The accompanying statement of net assets available for benefits includes information as of December 31, 2023, presented for comparative purposes only. Such information is derived from the Plan's records and was not audited, reviewed, or compiled by us; accordingly, we do not express an opinion or provide any other form of assurance on them.

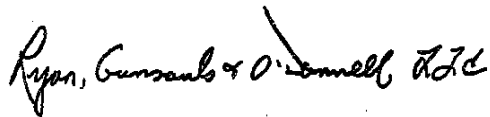

#### **Other Matters – Supplemental Schedules Required by ERISA**

The Supplemental Schedules of Assets (Held at Year End) and of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information that agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to the Financial Statements**  
**December 31, 2024**

**Note 1:    Description of Plan**

The following description of Utah Legal Services, Inc. (the Company)'s 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who are age 21 or older and have completed 1 year of service for employee elective deferrals and are age 18 or older and have completed 1 month of service for employer matching and non-elective contributions. Participants may enter the Plan on the first monthly entry date after meeting the participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian, trustee and plan administrator are responsible for oversight of the Plan. The trustee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the plan administrator. The Plan's custodians are a) Mid Atlantic Trust Company and b) Voya Retirement Insurance and Annuity Company.

Certification

The Plan's custodians have certified to the accuracy of the investment transactions, recognition of income, expenses, and assets held as of December 31, 2024.

Contributions

Each year, participants may contribute pretax annual compensation to the Plan, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-four pooled separate accounts and one fixed account as investment options for participants. The Company may make discretionary matching contributions based on certain formulas as defined in the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's discretionary profit-sharing contribution, (b) Plan earnings or losses, (c) forfeitures of terminated participants' nonvested accounts, and (d) charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 2 years of credited service.

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 1: Description of Plan, continued**

Payment of Benefits

On termination of service due to death, disability, retirement, or withdrawal from the Plan, a participant may elect to receive a lump-sum cash payment, one of various annuity contracts, or a direct rollover to another qualified retirement plan, in an amount equal to the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 8.00 – 9.50%. Principal and interest are paid ratably through payroll deductions. Each participant can have only one loans outstanding at a time. During the year ended December 31, 2024, the Plan issued 4 loans to participants. At December 31, 2024, balances of notes receivable from participants totaled \$45,190.

Forfeitures

In accordance the Plan provisions, forfeitures may be used to pay administrative expenses. At December 31, 2024, there were \$37 of forfeitures.

Hardship Distribution

Under certain circumstances, a participant may qualify for certain hardship distributions if a participant has an immediate and significant financial need, subject to certain usage requirements and other conditions. The participant may receive a lump sum payment equal to the vested amount of the participant's account balance.

Administration of Plan Assets

Contributions are held and managed by the custodian, who invests cash received allocates interest and dividend income, and makes distributions to participants. Employees of the Company perform certain administrative functions for the Plan. Such employees do not receive compensation from the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. GAAP.

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 2: Summary of Significant Accounting Policies**

Basis of Accounting, continued

Investments held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan has no fully benefit-responsive investment contract at December 31, 2024.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024, no allowance for credit losses has been recorded. If a participant ceases to make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and a delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's fixed account is stated at fair value. All other investments are stated at fair value based on readily available market information. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains and losses and the unrealized appreciation (depreciation) on those investments.

Operating Expenses

Plan administration fees are paid from the assets of the Plan to the extent permitted. Expenses may be allocated among all Plan participants or charged directly against individual account balances. Fees charged directly to individual account balances include general recordkeeping fees and expenses related to processing distributions or loans, qualified domestic relations orders, and directing the investment of the participants' account balance.

Payment of Benefits

Benefits are recorded when paid.

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 3: Investment Valuation and Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. U.S. GAAP establishes a fair value hierarchy that prioritizes investments based on the assumptions market participants would use when pricing an asset. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Plan groups assets at fair value in three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

These levels are:

Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 Unobservable inputs that cannot be corroborated by observable market data.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. These classifications (Level 1, 2 and 3) are intended to reflect the observability of inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

Market price is affected by a number of factors, including the type of instrument and the characteristics specific to the instrument, as well as the effects of market, interest and credit risk. Instruments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. It is reasonably possible that change in values of these instruments will occur in the near term and that such changes could materially affect amounts reported in the Plan's financial statements.

The following table summarizes the valuation of the Plan's investments by the fair value hierarchy levels as of December 31, 2024:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Separate account	\$ 4,211,157	\$ 4,211,157	\$ -	\$ -
Fixed account	<u>110,882</u>	<u>-</u>	<u>110,882</u>	<u>-</u>
Total investments	<u>\$ 4,322,039</u>	<u>\$ 4,211,157</u>	<u>\$ 110,882</u>	<u>\$ -</u>

**UTAH LEGAL SERVICES, INC. 403(b) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 3: Investment Valuation and Fair Value Measurements, continued**

The Plan presents, in the statement of changes in net assets available for benefits, the net (depreciation) appreciation in the fair value of its investments which consists of the realized gains and losses and the unrealized (depreciation) appreciation on those investments.

**Note 4: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**Note 5: Tax Status**

The Plan has been informed by its contract administrator that the 403(b) plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since its adoption. The Company is of the opinion that the Plan is currently being operated and fulfills the applicable requirements of a qualified plan. Accordingly, no provision for federal or state taxes has been provided.

The Plan is required to report uncertain tax positions. After evaluating the tax positions taken, none are considered to be uncertain; therefore, no amounts have been recognized as of December 31, 2024. If incurred, interest and penalties associated with uncertain tax positions would be recorded in the period assessed as other operating expenses. No interest or penalties have been assessed as of December 31, 2024. The Plan files Form 5500, and the three previous tax years remain subject to examination.

**Note 6: Related Party and Related Parties-in-Interest**

Plan administrative services and investment products were provided by Mutual of America Life Insurance Company, Mid Atlantic Trust Company, and Voya Retirement Insurance and Annuity Company. Transactions with Mutual of America Life Insurance Company, Mid Atlantic Trust Company, and Voya Retirement Insurance and Annuity Company qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management services amount to \$27,419 for the year ended December 31, 2024. These party-in-interest transactions are exempt from the prohibited transaction rules in ERISA.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

 <b>Net decrease in net assets available for benefits, per the Form 5500</b>	 <b><u>\$ (1,164,491)</u></b>

**Note 9: Summary of Information Furnished by Custodian (Unaudited)**

In accordance with Section 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under the ERISA, the plan administrator has received certification from the custodian of the Plan as to the accuracy and completeness of certain financial information of the Plan. The following items were provided by, or were derived from data provided by the custodian of the Plan:

- Statements of Net Assets available for the Plan Benefits at December 31, 2024:  
Investments including separate account assets and their valuation.
- Statement of Changes in Net Assets Available for the Plan Benefits for the year ended December 31, 2024:  
  
Interest, dividends, and realized and unrealized appreciation (depreciation) in the fair value of investments; and  
changes in net assets arising from investment activities.
- Supplemental Schedule for the year ended December 31, 2024:  
All information included in the schedule.

**Note 10: ERISA Bond Requirements**

The ERISA requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan’s assets at the beginning of the Plan year or

\$500,000. The Plan maintained coverage of \$360,000 for the period January 1, 2024 through April 1, 2024, and \$500,000 for the period April 1, 2024 through April 1, 2025. Based on plan assets at the beginning of the 2024 plan year, the required minimum coverage was \$500,000. Accordingly, coverage for January 1 through March 31, 2024, was below the required amount. Management has represented that adequate coverage will be maintained on a continuous basis going forward.

**Note 11: Delinquent Participant Contributions**

During the year ended December 31, 2024, certain employee contributions and participant loan repayments totaling \$122,085 were not remitted to the plan within the time frame required by the Department of Labor's regulation at 29 CFR 2510.3-102. These late remittances constituted nonexempt prohibited transactions under ERISA §406 and the IRC §4975. The following is a summary of the delinquent contributions:

The Company has remitted the delinquent contributions and will deposit any lost earnings to the affected participant accounts. The Company intends to correct the prohibited transaction by filing under the Voluntary Fiduciary Correction Program (VFCP).

**Note 12: Partial Transfer of Plan Assets Between Custodians**

During the plan year, the Plan initiated a partial transfer of \$67,026 in assets from Voya to Mutual of America, representing approximately 20% of total plan assets. The transfer was executed to consolidate investment options and reduce administrative costs. Both custodians continue to hold plan assets as of year-end. The final transfer is expected to occur in July 2026.

**Note 13: Subsequent Events**

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure through the date the financial statements were available to be issued, which was the date of the independent auditors' report. The Plan has determined no events required disclosure.
