Independent Auditors' Report

To the Board of Directors of
Urban Pathways Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Urban Pathways Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

URBAN PATHWAYS PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Urban Pathways Profit Sharing Plan (the "Plan") also referred to as 401(a) Thrift Plan of Urban Pathways, provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a defined-contribution plan sponsored by Urban Pathways (the "Sponsor") for the benefit of employees who have worked 1,000 hours, with no age requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective January 1, 2022, the Plan was restated to bring the Plan into compliance with the legislative and regulatory changes set forth in the Internal Revenue Service ("IRS") Notice 2017-37. Changes (if any) to the description of the Plan are noted below.
- B. **Contributions** – There are no participant contributions allowed by the Plan. The Plan does not require a participant to be actively employed as of June 30th to receive the Sponsor's discretionary contribution that is determined annually by the Board of Directors for those eligible participants. Compensation used in the calculation of eligible contributions per employee is based upon the amount earned during the Plan year, and an allocation of the contribution is paid to the participant's account based upon a ratio of the participant's compensation compared to total eligible compensation of eligible participants. For the Plan years ended June 30, 2023 and 2022, the Sponsor elected to make profit-sharing contributions of \$665,640 and \$674,783, respectively. Rollover contributions are also permitted. Contributions are subject to certain statutory limitations.
- C. **Eligibility** – Employees who have completed 1,000 hours of service (one year) during the Plan year are eligible to participate and are automatically enrolled into the Plan. These participants are automatically allocated to the Interest Accumulation Fund, unless the initial election or subsequent election is changed by the participant. The computation of eligibility is based on each anniversary date, which is when the employee completed their first hour of service.
- D. **Participant Accounts** – Each participant's account is credited with the Sponsor's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. **Vesting** – A participant is fully vested after three years of credited service.
- F. **Forfeited Accounts** – As of June 30, 2023 and 2022, forfeited non-vested accounts totaled \$321,819 and \$294,568, respectively. No forfeitures were allocated to remaining participants for either of the years ended June 30, 2023 and 2022.
- G. **Payment of Benefits** – Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of their account, equal installments, an annuity or partial withdrawal amounts as elected by the participant. If a participant terminates service and the value of the participant's vested account balance is not greater than \$1,000, the participant will receive an automatic lump-sum distribution of the value of the entire vested portion of such account balance and the non-vested portion will be treated as a forfeiture. In-service distributions are not permitted by the Plan. Distributions from participant funds that were rolled over from another qualified plan are allowed at any time up to that amount.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

URBAN PATHWAYS PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. **Investment Valuation and Income Recognition** – Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further information regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. **Participant Loans** – Loans are not allowed by the Plan.

E. **Payment of Benefits** – Benefits are recorded when paid.

F. **Operating Expenses** – The Sponsor or the Plan pays certain expenses related to the Plan, at the Sponsor's discretion. The administrative expenses incurred by the funds are paid out of investor assets and are therefore netted into net appreciation (depreciation) in fair value of investments in the statements of changes in net assets available for benefits. Administrative expenses and fees charged by the Plan's custodian are allocated to participant accounts based on their account values during the year.

G. **Receivables** – The Plan reports receivables related to contributions calculated based upon compensation earned by Plan participants during the Plan year, for which deposits have not yet been paid to the Plan.

NOTE 3 – INVESTMENTS – UNAUDITED INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

The following information was certified as complete and accurate by Mutual of America Life Insurance Company ("Mutual of America"), as the Plan's custodian, and is included in the Plan's financial statements. Investment decisions are at the discretion of the individual participants of the Plan. Realized gains and losses (from investment sales) and unrealized appreciation or depreciation (from market changes) are recognized as a gain or loss currently.

Interest and dividend Income	3,644	2,323
Total Investment Income (Loss)	<u>\$ 474,682</u>	<u>\$ (610,342)</u>

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

URBAN PATHWAYS PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2023 and 2022.

Interest Accumulation Account:

Valued at fair value by discounting the related cash flows based on current yields or similar instruments with comparable durations considering the creditworthiness of the issuer. The significant unobservable input used is the lack of marketability. The interest accumulation account is classified as Level 3 in the fair value hierarchy.

Separate Account No. 1:

Investments held in this account consist of mutual funds valued at the net asset value ("NAV") of shares held by Mutual of America at year-end as determined by the issuer of the fund. The NAV is based on the value of the underlying assets, minus its liabilities, and then divided by the number of shares outstanding. The separate accounts are comprised of a wide variety of underlying investments, such as equities, preferred stock, bonds, real estate and mutual funds. The separate accounts have no unfunded commitments, redemption restrictions or redemption notice requirements. Mutual of America Separate Account No. 2 is a direct filing entity.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial assets carried at fair value at June 30, 2023 are classified as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest accumulation account	\$ -	\$ -	\$ 480,999	\$ 480,999
Total assets in fair value hierarchy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 480,999</u>	<u>480,999</u>
Separate Account No. 1 - NAV				4,570,808
Total investments at fair value				<u>\$ 5,051,807</u>

Financial assets carried at fair value at June 30, 2022 are classified as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Fair Value of Investments in Entities that Use NAV Per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of June 30, 2023 and 2022.

	<u>2023</u>	<u>2022</u>	<u>Redemption Frequency</u>	<u>Redemption Restrictions</u>	<u>Unfunded Commitments</u>
Separate Account No. 1	\$4,570,808	\$4,278,583	Daily	None	None

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments as of June 30, 2023 and 2022 are an interest accumulation account and separate accounts managed by Mutual of America. Mutual of America is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to Mutual of America of \$1,229 and \$4,252 for the years ended June 30, 2023 and 2022, respectively, were paid from participant accounts in accordance with the Plan's fee structure.

NOTE 6 – TAX STATUS

Effective September 1, 2017, the Plan operates under a nonstandard plan document provided by Mutual of America. Mutual of America has not obtained or requested an opinion letter; however, the Plan administrator and Mutual of America believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Upon restatement of the Plan effective January 1, 2022, Mutual of America obtained an IRS opinion letter dated June 30, 2020, specifying the form of the Plan satisfies IRC Section 401. The Plan administrator believes that the Plan as designed under the restated Plan document, is being operated in compliance with the applicable requirements of the IRC, and that the Plan remains qualified, and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed an intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Effective March 1, 2025, the Plan's eligibility conditions were amended from one year to three consecutive months of employment. If the three consecutive months are not met, the one year service requirement will apply.

Effective March 1, 2025 the Plan's allocation conditions related to the Sponsor's discretionary contributions were amended to specify that eligible participants must complete at least 1,000 hours of service during the Plan year in order to receive such contributions.

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through October 6, 2025, the date the financial statements were available to be issued.
