2024 Form 5500, Part 1, Line B

Please note that the plan's year is based on a 52-53 week year. The 2024 Form 5500 indicates that the filing is for a short plan year of less than 12 months. This is due to a program limitation of the Form 5500 preparation software used to prepare the form, in which any plan year consisting of less than 365 days is automatically considered to be a "short" year. However, the plan's management considers this plan year to be a full year for purposes of plan administration. Please contact the plan sponsor if additional information is required.
