Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: BLUE & CO., LLC

(2) EIN: 35-1178661

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	X		26703
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		81000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	X		
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.	X		

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

REPORT OF INDEPENDENT AUDITORS

To the Trustee
Takigawa Corporation America 401k
Bardstown, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed audits of the accompanying financial statements of Takigawa Corporation America 401k (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Trustee
Takigawa Corporation America 401k
Bardstown, Kentucky

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

To the Trustee
Takigawa Corporation America 401k
Bardstown, Kentucky

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Trustee
Takigawa Corporation America 401k
Bardstown, Kentucky

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TAKIGAWA CORPORATION AMERICA 401K

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the Takigawa Corporation America 401k (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Takigawa Corporation America (the Company) for the benefit of all employees of the Company, excluding nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Eligible employees, as defined in the Plan document, who have reached the age of 21 are able to make deferrals or receive matching and non-elective contributions after completing 90 days of eligible service. Employees can elect to defer earnings on the first day of each quarter on coinciding with, or following, the attainment of the eligibility requirements of the Plan. Prior to August 1, 2024, eligible employees were able to make elective deferrals or receive matching contributions under the Plan beginning on the first day of the month coinciding with, or following their date of hire.

Contributions

Each year, participants may contribute up to a maximum percent of pretax annual compensation, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. They may change their investment options among those investments provided at any time during the plan year.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company will contribute matching contributions for eligible employees each pay period in an amount not to exceed 2 percent of participant compensation. Prior to August 1, 2024, the Company contributed matching contributions in an amount not to exceed 1 percent of participant compensation. The matching Company contribution is invested as directed by the participant.

TAKIGAWA CORPORATION AMERICA 401K

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Certain participant contributions in 2024 were not remitted within the timeframe required by the Department of Labor. As of the date the financial statements were available to be issued, the Company has not yet remitted the late contributions and related lost earnings for the delinquent contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, as well as allocations of plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Administrative expenses are charged to each participant's account when a benefit distribution is provided. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings on the contributions. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Using a graduated scale, a participant is fully vested after six years of credited service. Participants are 100% vested in their entire account balances upon attainment of normal retirement age (as defined), disability, or death.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at Prime, as defined, plus 2%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon reaching the age 59-1/2, a participant may elect to receive a lump-sum payment of all, or part of, the value of the participant's vested account. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested account, or, if permitted under the Plan at the time of distribution, an alternative form of payment. Upon termination of service for other reasons, a participant may elect to receive a lump-sum amount equal to the value of participant's vested account. As defined in the plan documents, certain participants are also eligible for hardship distributions, consistent with the provisions of the Internal Revenue Code.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$11,282 and \$10, respectively. The accounts may be used to reduce future Company contributions or pay administrative expenses. For the year ended December 31, 2024, \$6,411 of forfeitures were used to reduce employer contributions and \$7 of forfeitures were used to pay plan expenses.

TAKIGAWA CORPORATION AMERICA 401K

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in fair value of investments are reflected in the statement of changes in net assets available for benefits in the year in which such changes occur. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance, plus any accrued interest. Interest income is recognized when earned. No allowance for credit losses has been recorded at December 31, 2024 and 2023. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

TAKIGAWA CORPORATION AMERICA 401K

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Subsequent Events

Plan management has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is November 3, 2025.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Transamerica Life Insurance Company (TLIC) held the Plan's investment assets and executed investment transactions from August 1, 2024 to December 31, 2024, and Reliance Trust Company (RTC) held the Plan's investment assets and executed investment transactions as of December 31, 2023, and for the period January 1, 2024 to July 31, 2024. Accordingly, TLIC and RTC, the trustees of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, respectively, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- *Pooled separate accounts* - Valued based upon the NAV of the funds multiplied by the units held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The underlying investments of the pooled separate accounts consist solely of mutual funds and the investment strategy of the respective pooled separate accounts aligns directly with the investment strategy of the underlying mutual fund investments.
- *Mutual Funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common/collective trust* – Valued at the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is based on the contract value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value. The underlying investments of the trust are mostly guaranteed investment contracts or synthetic investment contracts issued by insurance companies. The incremental value of the contract itself is based on issuer ratings as determined by credit ratings, which are published by rating agencies, and the present value of the change in each contract’s replacement cost.

The following table sets forth financial assets measured at fair value in the statements of net assets available for benefits and the respective levels to which the fair value measurements are classified within the fair value hierarchy as of December 31, 2024 and 2023.

	2024		2023	
	Level 2	Total	Level 2	Total
Mutual funds	\$ -0-	\$ -0-	785,627	\$ 785,627
Total assets in the fair value hierarchy	\$ -0-	-0-	\$ 785,627	785,627
Pooled separate accounts (a)		854,207		-0-
Common collective trust (a)		-0-		10
Investments at fair value		\$ 854,207		\$ 785,637

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024:</u>	<u>Fair value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	854,207	None	Daily	12 Months

<u>December 31, 2023:</u>	<u>Fair value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Common/collective trust	10	None	Daily	12 Months

5. FULLY-BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group annuity contract that meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Transamerica Stable Value Ascend Option is a group variable annuity contract issued by TLIC and is backed by the full faith and creditworthiness of TLIC. All deposits in this investment are credited with the same interest rate, credited on a daily basis, and there is no set maturity. The effective credited interest rate is set semi-annually and effective on the first day of the semi-annual period. Contract charges may reduce this return.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the claims-paying ability of TLIC. Although Plan participants generally may withdraw assets from the Transamerica Stable Value Ascend Option without restrictions, a hold may apply on the Plan's assets in the group annuity contract. If the Company wishes to remove the Transamerica Stable Value Ascend Option as an option from the Plan, then TLIC may impose a hold for up to a 270-day period on the investment assets at the Plan level if the most recently announced upcoming credited rate has increased or has not changed. The custodian will provide at least 45 days' advance notice of any interest rate change for each semi-annual period. Additionally, under limited circumstances occurring at the issuer, the custodian may impose up to a 12-month delay period on all withdrawal requests from all plan sponsors at the plan level. There are not any events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value to be paid.

6. RELATED-PARTY AND PARTY-IN-INTEREST

Parties-in-interest are defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the Organization, and certain others. Through July 2024, the Plan's investments were managed by RTC, the Plan's former custodian and trustee. Beginning in August 2024, the Plan's investments are managed by TLIC, the Plan's current custodian and trustee. ADP Retirement Services was the Plan's third-party administrator and recordkeeper through July 2024, and beginning in August 2024, ANEW TPA, LLC is the Plan's third-party administrator. Blue & Co., LLC is the independent auditor for the Plan. The aforementioned parties generally receive payment from the Company.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in the company contribution portion of their account.

8. TAX STATUS

The Plan has adopted a pre-approved plan document sponsored by ADP, LLC, which has received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the form of the pre-approved plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
