Independent Auditor's Report

To the Participants and Plan Administrator of
Rainbow Design Services, Inc. 401(k) Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rainbow Design Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (in liquidation), the related statement of changes in net assets available for benefits for the year ended December 31, 2024 in liquidation, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of
Rainbow Design Services, Inc. 401(k) Plan
Independent Auditor's Report, continued

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis

As discussed in Note 1 to the financial statements, the Board of Directors and Shareholders of Rainbow Design Services, Inc., the Plan's sponsor, voted on April 26, 2023 to terminate the Plan and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting to the liquidation basis of accounting used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with the respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Participants and Plan Administrator of
Rainbow Design Services, Inc. 401(k) Plan
Independent Auditor's Report, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RAINBOW DESIGN SERVICES, INC. 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Rainbow Design Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and became effective October 1, 2014. The Plan covers all eligible employees of Rainbow Design Services, Inc. (the Plan Sponsor and Administrator).

Plan termination and liquidation

On April 26, 2023, the Board of Directors and Shareholders of the Plan Sponsor voted to terminate the Plan. Upon deciding to terminate the Plan and in accordance with the Plan provisions, all participants became fully vested in all contributions. The Plan termination fee is \$1,000. On October 3, 2024, the Plan liquidated and paid out all assets.

Eligibility

Employees were eligible to participate in the Plan on completion of six months of service. Eligible participants could enter the Plan on the first day of the month coinciding with or following the date they satisfy the eligibility requirements. At that time, participants could begin deferring compensation into the Plan, and become eligible for employer profit sharing contributions.

An employee became eligible to receive a discretionary employer matching contribution after the completion of 12 consecutive months of employment. If an employee did not complete the stated number of months, the employee was subject to the one year of service requirement, which is 1,000 hours.

Contributions

Participants could contribute up to the maximum allowable annual contribution as defined by the Internal Revenue Code (IRC). Participants could also contribute amounts representing distributions from other qualified defined contribution plans. The Plan Sponsor could, at its discretion, make a matching contribution each Plan year on behalf of eligible participants equal to a discretionary percentage of the participant's elective deferrals. The Plan Sponsor could also elect to contribute a qualified nonelective contribution, to be determined by the Plan Sponsor. There were no qualified nonelective contributions in 2024.

RAINBOW DESIGN SERVICES, INC. 401(K) PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Participant Accounts

Individual accounts were maintained for each Plan participant. Each participant's account was credited with the participant's contribution and the Plan Sponsor's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations were based on participant earnings or account balances, as defined in the Plan adoption agreement. Administrative expenses were charged to each participant's account. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Investment Options

Participants directed the investment of their contributions into various investment options offered by the Plan. If no such direction was made, participant accounts were invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions were automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants were vested immediately in their contributions, plus actual earnings (losses) thereon. Participants were vested in the Plan Sponsor's discretionary profit sharing and matching contributions, plus actual earnings (losses) thereon, according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 2	0%
3 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

Upon plan termination, all participants became fully vested in all accounts.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant could elect to receive a single lump sum amount equal to the value of the participant's vested interest in his or her account. If a participant had more than \$5,000 in their account, upon termination, they could elect to keep their account in the Plan indefinitely.

The Plan required automatic distributions to any terminated participant with a balance of less than \$5,000. Participants whose vested account balance was not greater than \$1,000 (excluding amounts attributable to rollovers) would receive a lump sum distribution in the form of a checks and those with a balance between \$1,000 and \$5,000 would be rolled over into an individual retirement plan selected by the Plan Administrator.

Forfeited Accounts

All forfeitures are firstly applied to Plan expenses. Any residual amounts were then used for discretionary profit sharing and matching contributions. As of December 31, 2024 there were no remaining forfeited accounts. As of December 31, 2023, forfeited accounts totaled \$30,200.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, were exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

Certain administrative expenses of the Plan were paid by the Plan as provided in the Plan adoption agreement. All other administrative expenses were paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Liquidation Basis of Accounting

Due to the Plan terminating and imminent liquidation, all assets have been recorded at expected realizable values.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which participant compensation is earned.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 29, 2025, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Newport Trust Company (Newport)

The Plan's investment information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Newport, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that investment information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of investments in the Plan that were certified by Newport.

	<u>2024</u> (In liquidation)	<u>2023</u> (In liquidation)
Mutual funds	\$ -	\$ 6,726,031
Stable value fund	<u>-</u>	<u>265,312</u>
Total investments	<u>\$ -</u>	<u>\$ 6,991,343</u>

Newport also certified to the completeness and accuracy of \$600,691 of net realized and unrealized appreciation in fair value and \$37,251 of interest income and dividends related to the investments for the year ended December 31, 2024.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: Valued based on the NAV of units of the stable value fund. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Investments measured at fair value:				
Mutual funds	\$ <u>6,726,031</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 6,726,031
Investments measured at NAV:				
Stable value fund				<u>265,312</u>
Total investments at fair value				\$ <u><u>6,991,343</u></u>

There were no investments as of December 31, 2024.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no significant transfers in or out of Level 3.

4. Fair Value Measurements, continued

In accordance with accounting standards, investments as January 1, 2024 that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in statements of net assets available for benefits.

5. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Newport. Newport is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of \$59,979 for the year ended December 31, 2024 are comprised of fees paid by the Plan to the Newport for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Newport based on investment account values. These fees ranged from 0.04% to 0.45% of the investment account value. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a prototype Plan document sponsored by ASC Institute, LLC. ASC Institute, LLC received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Reconciliation to Form 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023 is as follows:

	<u>2024</u>	<u>2023</u>
