### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed audits of the financial statements of Alliance Healthcare Services, Inc. Employer Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter — Supplementary Schedule Required by ERISA***

The supplementary schedule of assets held at end of year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYER RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Alliance Healthcare Services, Inc. Employer Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**

Effective January 1, 1999, and restated January 1, 2022, Alliance Healthcare Services (the Employer), established the Plan. The Plan is a defined contribution plan covering all eligible employees of the Employer. Each employee that is eligible to become a participant in the Plan can participate on their date of hire. There are no special age or service requirements to enter the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Contributions**

The Plan does not permit participants to make salary deferral contributions to the Plan. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company is required to make a fixed contribution of 4% of each participant's plan compensation. Additionally, the Company is required to make a matching contribution as defined in the plan document for each participant based on eligible contributions made to the Alliance Healthcare Services Employer Retirement 403(b) Plan. Contributions are subject to certain limitations.

**Participant Accounts**

Each participant's account is credited with the Employer's contribution, rollover contributions, an allocation of excess forfeitures, and plan earnings, then charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances.

**Investment Options**

Investments are currently held by Variable Annuity Life Insurance Company (VALIC). Upon enrollment in the Plan, a participant may direct employer contributions in any of the available investment options offered by the Plan. Participants may change their investment options at any time.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

**NOTE 1 – DESCRIPTION OF PLAN (Continued)**

**Vesting**

Participants are immediately vested in their rollover contributions plus actual earnings thereon. Vesting in the Company contributions is based on a three-year cliff vesting schedule. Vesting percentage increases to 100% if, while employed, the employee dies or becomes disabled.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant, or their beneficiary, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or installments made within five years of death for all beneficiaries. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan does not permit in-service distributions including hardship withdrawals.

**Forfeited Accounts**

Forfeitures are used to reduce employer contributions or pay plan expenses. During the year ended December 31, 2024, forfeitures of \$64,676 were used to offset employer contributions or pay plan expenses. The balance in the forfeiture account as of December 31, 2024 and 2023, totaled \$4,136 and \$1,042, respectively.

**Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, plan assets must be used for the exclusive benefit of participants. In the event of plan termination, participants will become 100% vested in all amounts credited to their accounts.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date.

**Administrative Expenses**

The Plan permits the payment of the plan expenses to be made from the plan assets. If the Employer does not pay these expenses, then the expenses paid using the Plan assets will be allocated among the participant accounts. Expenses relative to certain fees were allocated to participants accordingly and totaled \$21,661 for the year ended December 31, 2024.

**Payment of Benefits**

Benefits are recorded when paid.

**NOTE 3 – INFORMATION CERTIFIED BY TRUSTEES (UNAUDITED)**

The following information included in the accompanying financial statements and supplementary schedule of assets held at end of year was obtained from data that has been prepared and certified as being complete and accurate by the trustees:

	2024	2023
Investments, at fair value:		
Mutual funds	\$ 8,184,320	\$ 7,194,902
General account	872,437	998,021
Investment income:		
Net appreciation in fair value of investments	602,164	
Interest and dividends	23,351	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**ALLIANCE HEALTHCARE SERVICES, INC.  
EMPLOYER RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

**Level 1** – consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.

**Level 2** – consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3** – consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Mutual Funds*: valued at the daily closing price as reported by the fund

*General Account*: an interest accumulation account held by the Plan that is comparable to interest bearing cash equivalent. The general account is liquid and not subject to any form of interest rate adjustment, “haircut”, or loading charge.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 31, 2024 and 2023, the Plan’s investments within the fair value hierarchy were classified as follows:

<b>2024</b>	<b>(Level 1)</b>	<b>(Level 2)</b>	<b>(Level 3)</b>	<b>Total</b>
Mutual funds	\$ 8,184,320	\$ -	\$ -	\$ 8,184,320

Total assets at fair value	<u>\$ 9,056,757</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,056,757</u>
<b>2023</b>	<b>(Level 1)</b>	<b>(Level 2)</b>	<b>(Level 3)</b>	<b>Total</b>

**EMPLOYER RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

**NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are shares of mutual funds managed by VALIC, the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Investment fees paid are netted against investment returns. Administrative expenses included are contract administration, the record keeping, and investment advisor fees totaling \$21,661 for the year ended December 31, 2024.

**NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS**

The Plan, which is a prototype of a plan that has qualified under the Internal Revenue Code as exempt from federal income tax, has received a favorable opinion letter on June 30, 2020, from the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more likely than not the position will be sustained upon examination by the tax authorities. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by major tax jurisdictions as of December 31, 2024.

**NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS**

As of December 31, 2024, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$3,422,872. Of those balances, no amount had been requested to be paid to the participants but were not paid until after the Plan's year end.

**NOTE 8 – SUBSEQUENT EVENTS**

The plan administrator evaluated events and transactions subsequent to December 31, 2024 through November 1, 2025, the date the financial statements were available to be issued, for potential recognition or disclosure in the financial statements. The following event was noted.

The plan administrator is entering the Delinquent Filer Voluntary Correction Program (DFVCP) subsequent to plan year ended December 31, 2024. No further events are identified as requiring recognition or disclosure in the financial statements.
