Report of Independent Auditors

To the Administrator of CenterWell Home Health 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of CenterWell Home Health 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

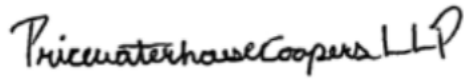

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CenterWell Home Health 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

1. Description of the Plan

The following description of the CenterWell Home Health 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the CenterWell Home Health 401(k) Savings Plan Document or the Plan’s Summary Plan Description, not included herein, for a more complete description of the Plan and its provisions.

General

The Plan was established on December 15, 2022 and made effective January 1, 2023. Substantially all participant-related rollovers came from one plan. The Plan is a qualified multiple-employer defined contribution plan subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan covers certain employees of Humana Inc. and its participating subsidiaries (the “Company” or “Humana”) who are not eligible for the Humana Retirement Savings Plan, Humana Partnership Savings Plan, or the Humana Puerto Rico Retirement Saving Plan, and employees of certain Professional Associations for whom the Company has agreed to allow participation. The Company is the sponsor (“Plan Sponsor”) and a committee appointed by the Company is the administrator (“Plan Administrator”) of the Plan. The Company appointed Schwab Retirement Plan Services as the recordkeeper, and Charles Schwab Trust Bank as the trustee and custodian. Effective April 1, 2024, the Company appointed NEPC, LLC to provide investment consulting services to the Plan Administrator.

The Plan offers access to a discretionary managed account service provided by Morningstar Investment Management LLC, a registered investment advisor and subsidiary of Morningstar, Inc. Morningstar Investment Management LLC is a fiduciary that is designated by the Plan and is made available to participants and beneficiaries to manage all or a portion of their Plan account.

Participant Accounts

Qualified employees of the Company are generally eligible to participate upon employment. Individual accounts are maintained by the Plan for each eligible employee (“Participant”). Each Participant’s account is credited with the Participant’s contributions, the Company’s contributions, and an allocation of Plan earnings or losses, reduced by Participant withdrawals and an allocation of administrative expenses. Allocations are based on Participants’ account balances as discussed further below. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Contributions

Contributions to the Plan by or on behalf of employees may be restricted in amount and timing to meet certain requirements of the Internal Revenue Code of 1986, as amended (“IRC”). For the plan year ended December 31, 2024 and 2023, the Plan maintained various accounts including the Pre-tax Savings Account, the Company Matching Account, the After Tax Account, the Roth Contribution Account, and the Rollover Account, each described below. A Participant’s Roth contributions, discussed below, when combined with their Pre-tax contributions and After Tax contributions, may not exceed 37% of their compensation. A Participant’s combined Pre-tax and Roth contributions may not exceed the IRC limitation in effect for the calendar year, which was \$23,000 for 2024 and \$22,500 for 2023.

CenterWell Home Health 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

Pre-tax Savings Account

Eligible employees of the Company may participate in the Pre-tax Savings Account beginning on the date the employee becomes eligible for the Plan. A Participant, through payroll deductions, may contribute not less than 1% nor more than 35% of the Participant's eligible compensation. Participants may change their contribution percentage at any time.

Participants who are age 50 or older and contribute the maximum federal limit or maximum Plan limit may elect to contribute an additional amount, a "catch-up" contribution, up to \$7,500 in 2024 and 2023, through payroll deductions in an amount not less than 1% nor more than 35% of the Participant's annual compensation.

Company Matching Account

The Company matches 50% of a Participant's eligible pre-tax, Roth (discussed below) and catch-up contributions that combined do not exceed 6% of their eligible compensation. Rollover, Roth Rollover and Roth Conversion contributions are not matched. The Company may increase, decrease, or cease matching contributions, with approval from the Company's Board of Directors. Matching contributions are funded each pay period and follow the Participants' investment elections.

After Tax Account

Eligible employees of the Company may participate in the Plan's After Tax Account beginning on the employee's date of hire. A Participant, through payroll deductions, may contribute not less than 1% nor more than 2% of the Participant's eligible compensation, on an after tax basis. Contributions to the After Tax Account are not eligible for Company matching contributions.

Roth Contribution Account

Participants may elect to contribute to a Roth Contribution Account. A Participant may elect to contribute between 1% and 35% of their eligible compensation to the Roth Account. This account is credited with amounts from a Participant's compensation that they have elected to contribute to the Plan after paying income taxes, including catch-up contributions that are designated as Roth contributions. A participant will pay income taxes on their Roth contribution before they are contributed to the Plan, but while they remain in the Plan, Roth contributions grow tax free, and may be distributed from the Plan tax free under certain circumstances. Federal law imposes a 5-taxable-year period holding requirement for Roth contributions before they may be eligible for tax-free distribution from the Plan.

Rollover Account

The Plan allows Participants to rollover assets from other qualified retirement plans into this Plan subject to approval by the Plan Administrator.

Investment Options

In accordance with IRC Section 404(c), Participants are responsible for investment decisions in all accounts, including Participant funded and Company funded accounts. Investments can be made among various investment options in 1% increments. In the absence of Participant directed allocation, contributions are invested in a Schwab Indexed Retirement Trust Fund based on a Participant's date of birth and estimated retirement date. In connection with a change in allocation of a Participant's or the Company's future contributions among the investment options or a change in the allocation of existing

CenterWell Home Health 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

investments, the purchases and sales due to fund transfers are transacted at the funds' end of day net asset value on the day the transaction is initiated.

Participant investment options consist of the Schwab Personal Choice Retirement Account ("PCRA") and certain investment funds including mutual funds with registered investment companies and common/collective trust funds. The PCRA is a self-directed brokerage account allowing Participants to make investments that are not included as one of the Plan's options. In-kind distributions are allowed from the PCRA.

Investment income, including certain administrative fees and net appreciation (depreciation) of the fair value of investments, is allocated to each Participant's account based on the change in unit value for each fund in which the Participant has an account balance.

Vesting and Forfeitures

Participant contributions and company matching contributions vest immediately and are non-forfeitable.

For the year ended December 31, 2024, there were no forfeited nonvested accounts.

Benefit Payments and Withdrawals

Withdrawals at Termination

Upon termination of employment, including retirement, death, or disability, the Plan may disburse funds. Terminated Participants may elect to either leave his/her money in the Plan, if their vested account balance is \$1,000 or greater, or take a total distribution of their vested account balance. Beginning January 1, 2025, terminated participants may elect to either leave his/her money in the Plan, if their vested account balance is \$7,000 or greater, or take a total distribution of their vested account balance. If a terminated Participant elects to leave their money in the Plan, he/she may request a subsequent withdrawal at any time for a total or partial distribution of their vested account balance. Participant's distribution options include lump sum and installment payments.

In addition, the Plan permits Participants to roll over contributions to another qualified plan. A Participant must make a written request to the Plan for a direct rollover distribution. Rollovers must comply with certain requirements before the Plan will authorize the rollover distribution. Beginning January 1, 2025, for terminated Participants with a vested account balance greater than \$1,000 and less than \$7,000, an automatic direct rollover will occur to an individual retirement account maintained by a provider selected by the Committee, if a lump sum cash distribution or rollover has not been elected.

Participants requesting a lump sum distribution may do so in the form of cash. For terminated Participants with a vested account balance less than \$1,000, a lump-sum cash distribution will be made if a rollover has not been elected. Effective January 1, 2024, Participants can request a lump sum distribution in the form of any other property held under the Plan, including under a Self-Directed Brokerage Account if elected by the Participant.

CenterWell Home Health 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

In Service Withdrawals

59 ½ Withdrawals

Participants who are 59 ½ or older may make withdrawals from eligible accounts, as defined by the plan document.

Rollover Withdrawals

Generally, a Participant may make a withdrawal from rollover contributions at any time, as defined by the plan document.

Hardship Withdrawals

In the event funds are needed because of extreme financial hardship, as defined by law, the Participant may be allowed to make a withdrawal of their vested account balance from eligible accounts, as defined by the plan document.

Qualified Disaster Recovery Distributions and Repayments

A Participant eligible for a "qualified disaster recovery distribution" within the meaning of Code Section 72(t)(11)(A)) —which generally means a distribution to a Participant whose principal place of abode is in a qualified disaster area and who has sustained an economic loss due to a Qualified Disaster—may take a withdrawal from their Account attributable to eligible contributions within 180 days of the first day of the incident period of the Qualified Disaster.

After Tax Account Withdrawals

Generally, a Participant may make a withdrawal from the After Tax account at any time, as defined by the plan document.

Notes Receivable from Participants

Participants may borrow from eligible accounts, as defined in the Plan. Generally, the aggregate amount of the loans to a Participant shall not exceed the lesser of \$50,000 or 50% of the vested portion of eligible accounts. The minimum amount a Participant may borrow is \$1,000. Loan transactions are treated as a transfer to (from) the various investment funds from (to) the Notes Receivable from Participants. Loan terms range from one to four years or up to ten years for the purchase of a primary residence.

The loans are collateralized by the balance in the Participant's account and bear interest at a reasonable rate in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, as determined by the Plan Administrator. Principal and interest are repaid ratably through payroll deductions. Loans are deducted proportionately from all accounts and all fund investments. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. At December 31, 2024 and 2023, participant loan interest rates in effect ranged from 4.25% to 9.50%.

Notes to Financial Statements

December 31, 2024 and 2023

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, Participants would be 100% vested in their accounts.

Plan Transfers

During 2024, balances were transferred into the Plan from other Participating Plans to consolidate accounts due to prior acquisitions.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 12, 2025.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Assets and liabilities measured at fair value are categorized into a fair value hierarchy based on whether the inputs to valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Company's own assumptions about the assumptions market participants would use. The fair value hierarchy includes three levels of inputs that may be used to measure fair value as described below.

Level 1 – Quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include mutual funds that are traded in an active exchange market.

Level 2 – Observable inputs other than Level 1 prices such as quoted prices in active markets for similar assets or liabilities; quoted prices for identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and are significant to the fair value of the assets or liabilities. Level 3 includes assets and liabilities whose value is determined using pricing models, discounted cash flow methodologies, or similar

CenterWell Home Health 401(k) Savings Plan

Notes to Financial Statements

December 31, 2024 and 2023

techniques reflecting the Company's own assumptions about the assumptions market participants would use as well as those requiring significant management judgment.

The Plan's investments are recorded at fair value. Investments in mutual funds and money market funds of registered investment companies are valued based on the quoted net asset value of shares held by the Plan at year end. Investments in common/collective trusts are valued based on the net asset value as a practical expedient of units held by the Plan at year end. There are no restrictions on Participant redemptions and there are no unfunded commitments for investments in common/collective trusts. Were the Plan to initiate a full redemption of certain common/collective trusts, however, the trustees of the common/collective trusts could impose restrictions to the extent it is determined a full redemption could disrupt the liquidity or management of the fund. See Note 4 for additional information associated with the Plan's stable value fund investment. Self-directed brokerage accounts primarily consist of common stock that are valued on the basis of readily determinable market prices and interest-bearing cash is valued at the carrying value held by the applicable financial institution.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net realized gains or losses on the sale of investments together with unrealized appreciation or depreciation on investments are presented as net (depreciation) appreciation in fair value of investments in the accompanying Statements of Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest and classified as notes receivable from participants in the Statements of Net Assets Available for Benefits.

Payment of Benefits

Benefit payments to Participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan and allocated to the Participants' accounts, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of investments.

4. Investment in Stable Value Fund

The Invesco Stable Value Fund is a common/collective trust (“CCT”) that invests primarily in investment contracts, including guaranteed and security-backed investment contracts. The Fund is composed of fully benefit-responsive investment contracts. The Fund is valued using a \$1 NAV and is primarily invested in fixed income securities. The Fund may invest in such securities directly or indirectly through commingled investment vehicles. The underlying investments of a fully benefit-responsive investment contract are fair valued using readily available market quotations; units or shares of commingled investment vehicles held by the Fund will be valued using the stated NAVs for such units or shares. If market quotations are not readily available for any security or if the Trustee of the Fund reasonably determines that a market quotation does not accurately reflect the fair value of a security, the Trustee or its agent will determine the value of the security in good faith using various indicators of value, furnished by third parties, including pricing services.

5. Income Tax Status

The CenterWell Home Health 401(k) Plan is qualified under the appropriate sections of the Internal Revenue Code and the Trust is intended to continue as a qualified trust and remain exempt from taxation. While the Plan has not received a determination letter from the Internal Revenue Service, the Plan administrator believes that the terms of the Plan complies with the appropriate sections of the Internal Revenue Code. The Plan continues to operate in accordance with the terms of the Plan document, as amended, in a manner that does not jeopardize its tax status.

The Plan Administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination prior to 2023.

6. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of money market funds and common/collective trust funds managed by an affiliate of the trustee. Therefore, transactions in these investments qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Notes receivable to Plan Participants qualify as related party transactions and are exempt from prohibited transaction rules.

The Company provides certain accounting, recordkeeping, and administrative services to the Plan for which it is not compensated.

7. Risks and Uncertainties

The Plan invests in various investment securities, as discussed in Note 3. Investment securities are exposed to various risks including, but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan's exposure to concentrations of credit risk is limited by diversification of investments across all Participant directed fund elections. In addition, the investments within each Participant directed fund election are further diversified into various financial instruments. If a Participant selects the PCRA option, the Participant directs whether and how such amounts will be diversified.

8. Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the plan administrator has obtained certifications from Charles Schwab Trust Bank (the Trustee) that the following Plan financial information and data included in the Plan's financial statements, notes to the financial statements, and Schedule H, Line 4i – Schedule H Assets (Held at End of Year) as of December 31, 2024 and 2023, and for the years then ended is complete and accurate.

9. Subsequent Events

The Company has evaluated subsequent events with respect to the Plan through July 24th, 2025, which is the date the financial statements were available for issuance. Following the close of the 2024 plan year, the Plan's service provider, Charles Schwab Retirement Plan Services ("Schwab"), conducted routine nondiscrimination and other compliance testing for the Plan for the 2024 plan year. Through the course of that testing, it was determined that several participants would need to have some of their elective deferrals returned in order to pass the average deferral percentage (ADP) test set forth at Treasury Regulation section 1.401(k)-2, as provided in that regulation. Schwab calculated the amount of required refunds, adjusted for earnings, and the total amount of \$414,041 was timely returned to the applicable participants.

Appendix 1 - Shareholder Servicing Payment Rates :

Charles Schwab & Co., Inc. and its affiliates ("Schwab") may receive indirect compensation from fund companies or their affiliates for shareholder related services. The rate received by Schwab may change from time to time as changes are made by fund companies. Outlined below is an illustration of rates received by Schwab as of the end of the reporting period for funds held in your plan at that time.

On average, the rate earned with respect to your plan's fund holding(s) in plan brokerage account(s) in the fund family(ies) listed is 0.35%, as further detailed below:

Received by Charles Schwab & Co., Inc. (EIN#94-1737782)		
Fund Family/Provider	EIN	Formula
Brown Advisory Funds	Not Available	Rate of 0.40% of average daily balance of asset(s)
Calvert Research and Management	Not Available	Rate of 0.27% of average daily balance of asset(s)
John Hancock	04-3483032	Rate of 0.40% of average daily balance of asset(s)
Shelton Capital Management	Not Available	Rate of 0.40% of average daily balance of asset(s)
The Pacific Financial Group	Not Available	Rate of 0.27% of average daily balance of asset(s)

Please note, the EIN for Fund Family/Provider was provided by Morningstar and is based on how the fund is marketed on the fund website or in other sales literature. Morningstar evaluates the legal entity options that are available and assigns the Provider Company EIN reflected in the above table(s). The EIN should be representative of the fund company or its affiliates, one or more of which may pay Schwab for shareholder related services.

For more details, please refer to your Schwab service, trust or custody agreements.

If you need additional information, please contact your Schwab service representative.
