## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries  
of the Champion Motors 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Champion Motors 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of May 20, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the final period January 1, 2022 to May 20, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of May 20, 2022, and December 31, 2021 and for the final period January 1, 2022 to May 20, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter - Plan Merger***

As further discussed in Note A[1] to the financial statements, the Plan was legally merged into the Paychex Pooled Employer 401(k) Plan effective May 20, 2022. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## CHAMPION MOTORS 401(k) PLAN

### Notes to Financial Statements May 20, 2022 and December 31, 2021

#### NOTE A - DESCRIPTION OF PLAN

The following description of the Champion Motors 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### [1] Plan merger:

In December, 2021, the Plan sponsor, Copans Motors, Inc., adopted the Paychex Pooled Employer 401(k) Plan. Eligible employees began contributing to the Paychex Pooled Employer 401(k) Plan on January 1, 2022. On May 20, 2022, the effective date of the merger, all assets of the Plan were transferred to the Paychex Pooled Employer 401(k) Plan.

##### [2] General:

The Plan was a defined-contribution plan covering all eligible employees of Copans Motors, Inc. d/b/a Champion Motors (the "Company") who had completed one year of service. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established on August 1, 1999. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), was the trustee and recordkeeper of the Plan during the period from January 1, 2022 to May 20, 2022. The Board of Trustees and Plan administrator were responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

##### [3] Participant accounts:

Each participant's account was credited with allocations of the Plan earnings, and could be charged an allocation of administrative expenses paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled is the benefit that can be provided from the participant's vested account.

##### [4] Vesting:

Participants were immediately 100% vested in their contributions, plus actual earnings thereon.

Vesting in the Company's discretionary matching contributions, plus earnings thereon, were as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

The Plan provided for 100% vesting of Company discretionary matching contributions and earnings thereon upon death, disability or attainment of normal retirement age of 65.

## CHAMPION MOTORS 401(k) PLAN

### Notes to Financial Statements May 20, 2022 and December 31, 2021

#### NOTE A - DESCRIPTION OF PLAN (CONTINUED)

##### [5] Notes receivable from participants:

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest outstanding loan balance during the prior 12-month period. Loan terms were for a maximum of five years; however, terms may exceed five years for the purchase of a primary residence. The loans were secured by the balance in the participant's account and bear interest at a rate of prime, as defined. Loans outstanding as of May 20, 2022 were transferred to the Paychex Pooled Employer 401(k) Plan. Interest rates on outstanding loan balances ranged from 3.25% to 5.5% as of December 31, 2021. Principal and interest were paid ratably through payroll deductions. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the Plan document. Related fees were recorded as administrative expenses and were expensed when they were incurred.

##### [6] Payment of benefits:

On termination of service, death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan provides for in-service withdrawals when a participant reaches the age of 59½. The Plan also provided for hardship withdrawals based on meeting certain criteria as defined in the Plan document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

##### [7] Forfeitures:

Forfeited nonvested accounts were used to reduce future Company discretionary matching contributions and pay Plan expenses. During the period ended May 20, 2022, forfeitures of \$19 was used to pay Plan expenses. Forfeited nonvested accounts available as of May 20, 2022 and December 31, 2021 were zero and \$2,850, respectively.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### [1] Basis of accounting:

The financial statements of the Plan were prepared on the accrual basis of accounting.

##### [2] Investment valuation and income recognition:

The Plan's investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees and the Plan administrator determine the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net realized/unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### [3] Payment of benefits:

Benefits were recorded when paid.

##### [4] Plan expenses:

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Fees paid to third parties for services provided to and on behalf of the Plan and fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in the net realized/unrealized appreciation in fair value of investments.

##### [5] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of May 20, 2022 and December 31, 2021 and the statement of changes in net assets available for benefits for the final period January 1, 2022 to May 20, 2022.

#### NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification 820 ("ASC 820"), *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

#### NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of May 20, 2022 and December 31, 2021.

*Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-ended mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of May 20, 2022 and December 31, 2021:

#### Investment Assets at Fair Value as of May 20, 2022

NONE

#### Investment Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,666,073</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,666,073</u>
<b>Investment assets at fair value</b>	<u><u>\$ 5,666,073</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 5,666,073</u></u>

#### Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

#### NOTE E - TAX STATUS

The Plan had adopted a Volume Submitter Profit Sharing Plan with CODA ("Volume Submitter") sponsored by Wells Fargo Bank, N.A. On March 31, 2014, the Internal Revenue Service stated in an advisory letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and, therefore, the related trust was exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan was currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust is tax-exempt.

### **Notes to Financial Statements May 20, 2022 and December 31, 2021**

#### **NOTE E - TAX STATUS (CONTINUED)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 20, 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan was subject to routine examinations by taxing jurisdictions; however, there were currently no examinations for any tax periods in progress.

#### **NOTE F - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments were shares of mutual funds managed by Principal Trust Company, the Plan trustee, and, therefore, these transactions qualify as party-in-interest transactions. The Plan also pays administrative and investment advisory fees. As service providers to the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative and advisory services were approximately \$27,000 for the final period January 1, 2022 to May 20, 2022.

#### **NOTE G - MUTUAL FUND FEES**

Certain investments in mutual funds were subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees were ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees were used to pay for marketing and distribution costs of the funds. These fees were deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

#### **NOTE H - SUBSEQUENT EVENTS**

Subsequent events have been evaluated through November 5, 2025, which is the date the financial statements were available to be issued. The Company is delinquent on filing a complete Form 5500 for the Plan year ended May 20, 2022.
