## **Independent Auditors' Report**

The Trustee, Participants and Administrator  
Green Expert Technology, Inc. Employee Benefit Plan  
Haddonfield, New Jersey

### ***Opinion***

We have audited the financial statements of Green Expert Technology, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements sections of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

## Notes to Financial Statements

December 31, 2024 and 2023

---

### (1) Description of Plan

The following description of the Green Expert Technology, Inc. Employee Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan provides health and prescription benefits to eligible employees of Green Expert Technology, Inc. (the Company) and covered dependents and spouses. Full-time employees of the Company who work 30 or more hours per week are eligible for medical benefits on the first of the month following the completion of a 30-day waiting period from the date of employment.

The assets of the Plan are held and administered by the independent trustee, Veris Benefits Consortium, LLC Trust (the Trust). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### ***Benefits***

The Plan provides health benefits (medical and prescription drugs). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

#### ***Insured Benefits***

The Plan fully insures the life insurance benefits, accidental death and disability benefits, and long-term disability benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for these benefits are paid to the insurance companies from the general assets of the Company.

#### ***Self-Insured Benefits***

The Plan offers one preferred provider organization (PPO) for medical benefits offered by the Plan. The medical benefits are self-insured. The Company has entered into an agreement with Meritain, which provides for Meritain to process benefit claims and provide certain other administrative services under the Plan. Meritain is a subsidiary of Aetna and CVS Health. Meritain pays claims directly to or on behalf of participants and is then reimbursed by either the Trust or the general assets of the Company. Despite the Plan's utilization of a third-party processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

## Green Expert Technology, Inc. Employee Benefit Plan

### Notes to Financial Statements

December 31, 2024 and 2023

---

#### (1) Description of the Plan, Continued

##### *Health Spending Accounts*

The Plan offers health spending accounts (HSAs) to participants. The HSAs are separate spending accounts to cover eligible expenses as determined by the Internal Revenue Service (IRS). Employees may contribute a portion of compensation on a pre-tax basis up to the annual contribution limits as determined by the IRS.

##### *Stop Loss Coverage*

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual coverage for medical claims in excess of \$55,000 per eligible participant per year with an annual aggregate limit of \$1,000,000).

##### *Contributions*

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company and the participants share the premiums for the self-funded medical insurance through payroll deductions in accordance with the provisions of the plan. Participants pay the full cost of COBRA. The Company pays the full cost of basic life insurance, basic accidental death and dismemberment insurance, and stop loss insurance.

#### (2) Summary of Significant Accounting Policies

##### *Basis of Accounting*

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

##### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, benefit obligations and changes therein, health claims incurred but not reported and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

##### *Payment of Benefits*

Premiums paid by either the Company or the Trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor.

#### (2) Summary of Significant Accounting Policies, Continued

##### *Stop Loss*

Stop loss refunds totaling \$317,395 have been netted with claims paid expense in the accompanying statement of changes in net assets available for benefits.

##### *Subsequent Events*

The Plan has evaluated subsequent events through October 27, 2025, the date the financial statements were available to be issued.

#### (3) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active market for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### (3) Fair Value Measurements, Continued

Investments consist of interest-bearing cash which is considered a Level 1 investment in accordance with FASB ASC 820. There have been no changes in the methodologies used at December 31, 2024 and 2023.

#### (4) Benefit Obligations

At December 31, 2024, unrecorded benefit obligations amounted to \$123,879, which include claims payable and claims incurred but not reported (IBNR). The IBNR is an actuarial estimate based upon historical claims volume and includes medical and drug coverage. Due to the short-term nature of the benefit obligations, there is no discount rate applied to the estimate.

The changes in benefit obligations is as follows for the year ended December 31, 2024:

Benefit obligations, beginning of year	\$ 78,808
Claims and premiums incurred	800,188
Claims and insurance premiums paid	<u>(755,117)</u>
Benefit obligations, end of year	<u>\$ 123,879</u>

#### (5) Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, brokers and record-keepers. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

#### (6) Tax Status

The Plan is not required to have an IRS determination letter. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

#### **(7) Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under certain conditions of the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan, then in effect, and shall be used until exhausted to pay benefits to participants and their dependents in the order of their entitlement. The Company has no intention to terminate the Plan.

#### **(8) Risk and Uncertainties**

The actuarial estimate of benefit obligations is based upon certain assumptions which are subject to change. Due to uncertainties inherent in the estimation process, it is at least reasonably possible that changes in the estimates and assumptions could be material to the financial statements.
