INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Emerald Textiles, San Diego LLC 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Emerald Textiles, San Diego LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an "ERISA 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Emerald Textiles, San Diego LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Emerald Textiles, San Diego LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Emerald Textiles, San Diego LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule H, Part IV, Line 4(a) for the year ended December 31, 2021 and Schedule H, Part IV, Line 4(i) as of December 31, 2021), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

NOTE 1. DESCRIPTION OF PLAN

General

The Emerald Textiles, San Diego LLC 401(k) Plan (the "Plan") is sponsored by Emerald Textiles San Diego, LLC (the "Company"). The Plan became effective on January 1, 2011 and is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code (the "Code").

In February 2020, the Plan was amended to add Emerald Los Angeles, LLC; Emerald Textile Services, Northern California, LLC; Emerald Textile Services, Reno, LLC; Emerald Utah, LLC; and Emerald Encore Holdings, LLC as participating employers. In December 2021, the Plan was amended to also add Emerald Las Vegas, LLC; Emerald NorCal, LLC; Emerald Phoenix, LLC; and Emerald SoCal, LLC.

During 2021, the Plan was amended to merge the plan assets of The Campus Laundry 401(k) Plan, a pre-existing defined contribution plan of one of the participating employers, into the Plan. The related participant account balances were transferred from The Campus Laundry 401(k) Plan into the Plan on February 5, 2021.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

Eligibility

Generally, employees who have reached 21 years of age and have completed three consecutive months of service are eligible to participate in the Plan; however, for purposes of sharing in Company matching contributions, an employee must complete twelve months of service with the Company. The Plan excludes certain classes of employees including, among others, those whose employment is governed by a collective bargaining agreement except specific unions, residents of Puerto Rico, and non-resident aliens with no U.S. sourced earned income. The entry date for participant elective deferrals is the first day of the Plan year quarter coincident with or next following the day a participant becomes eligible to participate.

Participant Contributions

Participants may elect to contribute, on a pre-tax basis, a percentage or flat dollar amount of compensation as defined by the Plan, up to the maximum allowed by the Code. In addition, employees who are age 50 or older may elect to defer additional amounts (called "catch-up contributions") to the Plan up to the maximum allowed by the Code. Participants may also contribute amounts representing rollover distributions from other qualified sources; however, the Plan does not accept rollovers of employee after-tax contributions or direct rollovers of "Roth" contributions.

Effective October 1, 2015, the Plan adopted certain automatic deferral provisions such that employees who become eligible participants on or after October 1, 2015 will automatically have 1% of their compensation each payroll period deferred into the Plan unless otherwise elected. Beginning in 2019, unless otherwise elected by the participant, the automatic deferral amount will increase by 1% each year up to a maximum of 10% of Plan-eligible compensation. The automatic increase will take effect on the first day of each Plan year.

Employer Contributions

The Company may make discretionary matching contributions to the Plan. On a quarterly basis for the year ended December 31, 2021, the Company made matching contributions equal to 30% of each eligible participant's contribution, limited to the first \$10,000 of participant contributions eligible for matching during the Plan year.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

NOTE 1. DESCRIPTION OF PLAN (Continued)

Investment Options

Upon enrollment in the Plan, participants may direct their contributions and employer contributions to any of the Plan's investment options. Subsequently, participants may change their allocation and transfer account balances between investment options in accordance with Plan provisions.

Vesting

Participants are always 100% vested in their contributions as well as QNECs. Employer matching contributions vest as shown in the following table:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

In addition, participants who reach normal retirement age (65) become fully vested in their accounts. Similarly, participants who terminate employment due to total disability or death become fully vested in their accounts.

Notes Receivable from Participants (Participant Loans)

Participants may borrow against their accounts generally up to a maximum of 50% of their vested balance up to \$50,000. The minimum loan amount is \$1,000. Such loans are required to be repaid within 5 years unless the loan is to be used to acquire the principal residence of the participant, in which case a longer repayment period may be permitted. Participants are permitted to have only one loan outstanding at any given time. Loans are secured by the participants' vested interests in their account balances. Loans are to bear interest at the prime interest rate plus one percent. As of December 31, 2021, the interest rate on outstanding loans range from 4.25% to 6.50%. Principal and interest are paid regularly through payroll deductions.

In April 2020, the Plan operationally implemented the provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). Participants requesting relief under the CARES Act were permitted (i) an increased loan limit up to the lesser of \$100,000 or 100% of the nonforfeitable account balance (available until September 23, 2020), and (ii) a delay in loan repayments due through December 31, 2020 for up to one year. In addition, the CARES Act waived loan origination fees through August 31, 2020 for such participants.

Participant Accounts

Each participant's account is credited with the participant's contributions as well as any employer matching contributions. Participant accounts are also allocated investment earnings or losses and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Certain fees, such as those charged in connection with certain distributions are deducted from the transacting participants' account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

NOTE 1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

In-Service Distributions

Distributions of rollover contributions are permitted at any time. Participants who are age 59½ or older are permitted in-service distributions of the vested portion of their accounts. Hardship distributions are not allowed by the Plan.

Other Distributions

Upon termination for any reason including retirement, death, or disability, participants may elect to receive a distribution of their vested account balance (as defined) in lump sum, or defer distribution if the account exceeds \$5,000. If a terminated participant's vested account balance is less than \$5,000, and the participant does not make a distribution election, the Plan may roll the balance into an individual retirement account designated by the Plan administrator; account balances less than \$1,000 may be distributed directly to the participant.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE" Act), which became law on December 20, 2019, participants may defer taking distributions as follows:

- If a participant reached the age of 70½ in 2019, the participant may defer receiving distributions until the later of April 1, 2020, or the April following the calendar year in which the participant retires;
- If a participant reaches the age of 70½ in 2020 or later, the participant may defer receiving distributions until the later of the April following the calendar year in which the participant reaches age 72 or retires.

Participants requesting relief under the CARES Act (Note 10) were permitted (i) CARES Act related withdrawals up to \$100,000 without a 10% early distribution penalty, (ii) such distributions can be repaid within three years of the date of distribution, and (iii) required minimum distributions were temporarily suspended for 2020.

Forfeitures

Forfeitures may be used to pay administrative expenses and reduce any matching contributions. As of December 31, 2021 and 2020, respectively, there were \$4,281 and \$1,605 of forfeitures available for future use. During 2021, \$4,866 was forfeited by participants, there were earnings of \$42, and \$2,232 was used to reduce employer matching contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive group annuity investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for additional information on the aforementioned investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Net realized and unrealized appreciation or depreciation in investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Income Tax Status

The Company has adopted a volume submitter plan, and relies upon its opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014 in which the IRS stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Code. The Company has not applied for a determination letter from the IRS specific to the Plan. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants as well as fees directly associated with distribution requests are charged directly to the transacting participants' accounts and are included in administrative expenses. Investment-related expenses are included in net realized and unrealized appreciation or depreciation of the fair value of pooled separate accounts.

Subsequent Events

The Plan has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued (Note 12).

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including investments held at December 31, 2021 and 2020, and net appreciation or depreciation in fair value of investments, dividends, and interest income from group annuity contract/group funding agreement for the year ended December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by Great West Trust Company and Massachusetts Mutual Life Insurance Company ("MassMutual"), the custodians of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Notes to Financial Statements

For the Year Ended December 31, 2021

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for investments measured at fair value at December 31, 2021 and 2020:

Pooled separate accounts: Valued at the unit value of shares held by the Plan. Unit value is based upon the observable net asset value of the underlying investments on the last business day of the Plan year as determined and published by an outside agency.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth the Plan's investments by level and investment objective within the fair value hierarchy as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 8,760,116	\$ -	\$ 8,760,116
Total investments at fair value	\$ -	\$ 8,760,116	\$ -	\$ 8,760,116
	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 6,010,842	\$ -	\$ 6,010,842
Total investments at fair value	\$ -	\$ 6,010,842	\$ -	\$ 6,010,842

In addition, there were no transfers between Levels 1 and 2, and no transfers in or out of Level 3 between December 31, 2020 and 2021.

NOTE 5. GROUP ANNUITY CONTRACT/GROUP FUNDING AGREEMENT

The Plan has a group annuity contract with MassMutual, the MassMutual Fixed Account. Under the terms of the Group Annuity Contract/Group Funding Agreement, a crediting rate is established for amounts invested in the Fixed Account. Participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

NOTE 5. GROUP ANNUITY CONTRACT/GROUP FUNDING AGREEMENT (Continued)

This contract meets the fully benefit-responsive investment contract criteria, and is therefore reported at contract value. Contract value is the relevant measure for financial statement reporting of fully benefit-responsive investment contracts as contract value is the amount received by participants when they initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

Certain events can lead to plan discontinuance of the Group Annuity Contract or Group Funding Agreement, in which case it may be possible to receive a value other than the contract value. Such events include, but are not limited to (i) failure of the Plan to maintain its tax-exempt status, (ii) certain Plan amendments which affect the Group Annuity Contract, discontinuance of contributions, Plan termination, and bankruptcy of the Plan Sponsor. Liquidation value is based on an actuarial formula as defined under the terms of the Group Annuity Contract/Group Funding Agreement. Additionally, the Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. In addition, the issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan sponsor does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6. RELATED PARTY TRANSACTIONS

Certain of the Plan's operating expenses are paid by the Company. The Company also provides administrative services for the Plan at no cost to the Plan. In addition, certain of the Plan's investments were managed by MassMutual during 2021. These transactions qualify as exempt party-in-interest transactions.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

NOTE 8. CORRECTIVE DISTRIBUTIONS

To satisfy certain nondiscrimination provisions of the Plan for the year ended December 31, 2021 and 2020, the Plan is in the process of returning excess participant contributions in the amounts of \$26,426 and \$46,072, respectively, to certain participants. The aggregate amount of \$72,498 as of December 31, 2021 is included as a liability on the 2021 statement of net assets available for benefits. A liability of \$46,072 as of December 31, 2020 is included as a liability on the 2020 statement of net assets available for benefits.

The excess contribution amounts for the year ended December 31, 2021 have been netted against participant contributions in the statement of changes in net assets available for benefits for the year ended December 31, 2021 for financial statement purposes; however, the IRS Form 5500, Schedule H, Part II presents excess contributions as corrective distributions, a separate category of expenses (deductions from net assets) for the year ended December 31, 2021.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

NOTE 9. DELINQUENT REMITTANCE

The Company identified an instance where amounts withheld from employees totaling \$10,416 were not forwarded to the custodian within the reasonableness timeframe established by the Department of Labor. The Company is in the process of calculating lost earnings in order to determine the necessary corrective action related to the delinquent remittance.

Based on such actions, Plan management and the Company believe the delinquent remittance will not cause the Plan to be disqualified by the IRS and that the self-corrective actions will allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

NOTE 10. CARES ACT

In response to the effects of the coronavirus on the economy, in March 2020, Congress passed the CARES Act. The CARES Act provides temporary relief for retirement plan sponsors and participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective prior to formally amending the Plan document. The Plan has implemented certain relief provisions included in the CARES Act as disclosed in the preceding notes to the financial statements. Plan management expects to formally amend the Plan by December 31, 2025.

NOTE 11. ERISA FIDELITY BOND

ERISA requires that the Plan maintain a fidelity bond of at least 10% of Plan assets as of the beginning of the Plan year in an amount not less than \$1,000 and not more than \$500,000. The Plan did not maintain fidelity bond coverage from July 26, 2021 to August 5, 2021. The Plan administrator does not believe the Plan has incurred any fidelity bond losses during the year, nor during the break in coverage period in particular.

NOTE 12. SUBSEQUENT EVENTS

Partial Plan Termination Analysis

During 2022, there were significant involuntary employee terminations. While the 2022 involuntary terminations alone do not trigger a partial plan termination, the Company is in the process of completing an analysis to determine if the 2022 involuntary terminations trigger a partial plan termination in combination with 2023 and 2024 involuntary terminations.

SECURE ACT 2.0

On December 29, 2022, the SECURE 2.0 Act of 2022 (the "SECURE Act 2.0") became law. The purpose of the legislation is to expand access to retirement plans and to help working Americans increase their retirement savings. The SECURE Act 2.0 includes various required and optional provisions that will become effective between 2023 and 2033, certain of which are described below:

- Beginning in 2023, the age for required minimum distributions increased from age 72 to 73. Beginning in 2033, the age for required minimum distributions will increase from age 73 to 75.
- Beginning in 2026, catch-up contributions will be made on a Roth basis, unless the participant earns \$145,000 or less.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

NOTE 12. SUBSEQUENT EVENTS (Continued)

SECURE ACT 2.0 (Continued)

- Beginning January 1, 2025, a participant from the ages 60 to 63 can elect catch-up contributions up to the limit of the greater of \$10,000 or 150% of the catch-up contribution limit imposed by the IRS.
- Starting January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12-month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.

Plan management has not yet determined which of the optional provisions, if any, the Plan will implement. Plan management expects to formally amend the Plan by December 31, 2026.

Fee and Compensation Disclosure Report

Please refer to the plan's ERISA Section 408(b)(2) Disclosure materials, including the 408(b)(2) Disclosure Statement(s), Investment Option Disclosure(s), Service Agreement and Contract Amendments and 408(b)(2) Disclosure Statement Change Notices (the "408(b)(2) Disclosure Materials") previously delivered to you. You can also access copies of your 408(b)(2) Disclosure Materials through your MassMutual plan sponsor portal or you can contact your account manager for assistance.

The 408(b)(2) Disclosure Materials and this document, together, can assist a plan administrator ("you") in completing the Form 5500 Schedule C¹ by identifying different types of services and the different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes (based on the information in our records) with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

¹Please refer to the Schedule C of the Form 5500 and its instructions (available at: <http://www.dol.gov/ebsa/5500main.html>), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2021. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual. Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in insurance company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2021 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and

number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

*This amount is the sum of the fund's distribution, management and other fees, which are also identified in the fund's prospectus and/or Statement of Information. Please note that some of the funds available through your service contract or arrangement from a family of mutual funds that are affiliated with MassMutual (MassMutual Select Funds and MassMutual Premier Funds). These affiliated mutual funds have contracts for services with companies that are affiliated with MassMutual. The MassMutual-affiliated companies that provide these services, and are compensated in connection with those services, are listed below.
