INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Pennsylvania State Employees Credit Union
401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pennsylvania State Employees Credit Union 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Information Required by ERISA

The supplemental information noted in the table of contents, as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PENNSYLVANIA STATE EMPLOYEES CREDIT UNION
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Pennsylvania State Employees Credit Union 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering all management employees of the Pennsylvania State Employees Credit Union (the "Company" or "Employer"). All employees are eligible to participate in the Plan except for nonresident aliens, leased employees, interns, individuals not directly employed by the Company, and Puerto Rico based employees. Employees begin participation in the Plan on the first day of the month following two months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company's Executive Group is responsible for oversight of the Plan.

The Plan is in operational compliance with the requirements of current laws and regulations. Formal amendments will be adopted by the prescribed deadlines.

Contributions

Each year, participants can contribute up to 80% of their pretax annual compensation up to the annual limitation established by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). During 2024 and 2023, participants rolled over \$1,147,920 and \$1,210,697, from other qualified plans, respectively.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides an employer matching contribution of 50% of the participant's elective deferrals, not to exceed 6% of the participant's compensation. The Company also provides a discretionary non-elective profit sharing contribution for eligible participants equal to 8% of each participant's annual compensation. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at 4%, with annual increases of 1% each May 1st, unless otherwise elected. The automatic enrollment deferral limit is 10%. Participants may direct the investment of their contributions into the various investment options offered by the Plan; however, upon auto-enrollment, contributions are invested in the Vanguard Target Retirement Fund that corresponds to their date of birth and expected retirement date until changed by the participant. Participants may change their investment elections at any time after enrollment.

**PENNSYLVANIA STATE EMPLOYEES CREDIT UNION
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions and allocations of Plan earnings. Allocations of Plan earnings are based on the participant's account balance, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and are vested in the employer match and Company discretionary non-elective profit sharing contribution after (a) three years of credited service, (b) total disability, or (c) death. Participants are credited with a year of service for each plan year in which they have at least 1,000 hours of service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable bear interest at the prime rate plus 2% as determined on the date of loan origination and must generally be repaid in five years. However, the repayment period for principal residence loans can be extended up to 30 years. The notes receivable are secured by the balance in the participant's account. Interest rates ranged from 5.25% to 10.50% as of December 31, 2024. Expenses attributable to the administration of the notes receivable are paid from the participants' accounts. Principal and interest are paid ratably through biweekly payroll deductions.

Payment of Benefits

Upon retirement, disability, separation from service, or death, participants may elect to receive a lump-sum amount equal to their vested account balance. Provisions are available to allow withdrawals of benefits prior to termination of employment as defined in the Plan agreement and in compliance with the IRC.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are used to reduce employer contributions. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$344,334 and \$137,998, respectively. During 2024 and 2023, employer contributions were reduced by \$144,992 and \$97,505, respectively, from forfeited nonvested accounts.

401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Retirement Investment Committee

The role of the Retirement Investment Committee (“RIC”) is to monitor Plan investments so that they maintain compliance with the adopted Investment Policy Statements (“IPS”). In addition, the RIC also reviews and addresses any fund change suggestions made by Charles Schwab Trust Bank, the trustee, to determine whether it would be in the best interest of the Plan and participants to make the suggested changes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s RIC determines the Plan’s valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and reinvested into the Plan. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year, and indirect investment expenses.

Contributions

Contributions from the Plan participants, as well as matching and non-elective profit sharing contributions from the Company, are recorded in the year participant compensation is earned.

PENNSYLVANIA STATE EMPLOYEES CREDIT UNION
401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as notes receivable from participants' maintenance fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments, the Plan Administrator deems the participant loan to be in default, and a distributable event has occurred, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 30, 2025, the date the financial statements were available to be issued. See Note 10.

3. INVESTMENTS

Charles Schwab Trust Bank ("CSTB") holds the funds for the Plan and Schwab Retirement Plan Services, Inc. maintains an individual account for each participant. Contributions made on a participant's behalf under the Plan are directly allocated to that participant's account and are invested, based on the participant's direction, in registered investment companies, interest-bearing cash, or participant-directed brokerage accounts.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest

PENNSYLVANIA STATE EMPLOYEES CREDIT UNION
401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Statements Accounting Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end investments that are registered with the U.S. Securities and Exchange Commission. These investments are required to publish their daily net asset value ("NAV") and to transact at that price. These investments are deemed to be actively traded.

Interest-bearing Cash: Valued at cost and classified within Level 1 of the valuation hierarchy.

Participant-Directed Brokerage Accounts: Accounts primarily consist of mutual funds, cash, cash equivalents, and common stocks that are valued on the basis of readily determinable market prices.

5. INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedule was obtained by Plan management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan:

- Investments and notes receivable from participants balances included in the statements of net assets available for benefits at December 31, 2024 and 2023, and in the notes to the financial statements.

**PENNSYLVANIA STATE EMPLOYEES CREDIT UNION

NOTES TO FINANCIAL STATEMENTS

- Investment income and interest income on notes receivable from participants included in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under Department of Labor regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investments advisors, legal counsel, and Plan auditor.

Certain administrative functions of the Plan are performed by management, employees of the Company, third party administrators, and the trustee, and therefore, these transactions qualify as party-in-interest transactions. No member of management or employee receives compensation from the Plan.

The Charles Schwab Corporation (“CSC”) provides services to the Plan through separate but affiliated companies, including CSTB and Schwab Retirement Plan Services, Inc. CSTB is the trustee of the Plan investments, and Schwab Retirement Plan Services, Inc. is the record keeper for the Plan. CSC (and affiliated companies) transactions are party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. If the revenue received by CSTB exceeds the amount owed, CSTB remits the excess to the Plan’s trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024 and 2023, the trustee remitted \$897 and \$794 back to participants. Fees paid to the trustee for administrative expenses amounted to \$37,721 and \$24,692 for the years ended December 31, 2024 and 2023, respectively. As described in Note 2, the Company pays directly any other fees related to the Plan’s operations.

The Plan issues loans to participants, which are secured by the participants’ account balances. These transactions qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

PENNSYLVANIA STATE EMPLOYEES CREDIT UNION
401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

In the event of Plan termination, participants would become 100% vested in the Company contribution portion of their account.

8. TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing plan provided by Schwab Retirement Plan Services, Inc. The non-standardized pre-approved profit sharing plan received an opinion letter dated September 21, 2020, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. In addition, the opinion letter stated that an employer who adopts the pre-approved profit sharing plan may rely on the opinion letter with respect to the qualification of its own plan under the IRC. Although the Plan has been amended since the pre-approved profit sharing plan received the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENT

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2025 and later. Plan management is evaluating these provisions and will update the Plan's governance and operations.

Information for Form 5500, Schedule C
For January 1, 2024 - December 31, 2024

Appendix 1 - Shareholder Servicing Payment Rates :

Charles Schwab & Co., Inc. and its affiliates ("Schwab") may receive indirect compensation from fund companies or their affiliates for shareholder related services. The rate received by Schwab may change from time to time as changes are made by fund companies. Outlined below is an illustration of rates received by Schwab as of the end of the reporting period for funds held in your plan at that time.

On average, the rate earned with respect to your plan's fund holding(s) in plan brokerage account(s) in the fund family(ies) listed is 0.36%, as further detailed below:

Received by Charles Schwab & Co., Inc. (EIN#94-1737782)		
Fund Family/Provider	EIN	Formula
BNY Mellon	Not Available	Rate of 0.25% of average daily balance of asset(s)
Columbia Threadneedle	Not Available	Rate of 0.35% of average daily balance of asset(s)
Glenmede	Not Available	Rate of 0.40% of average daily balance of asset(s)
Morgan Stanley	36-3145972	Rate of 0.40% of average daily balance of asset(s)
Seafarer Funds	Not Available	Rate of 0.40% of average daily balance of asset(s)

Please note, the EIN for Fund Family/Provider was provided by Morningstar and is based on how the fund is marketed on the fund website or in other sales literature. Morningstar evaluates the legal entity options that are available and assigns the Provider Company EIN reflected in the above table(s). The EIN should be representative of the fund company or its affiliates, one or more of which may pay Schwab for shareholder related services.

For more details, please refer to your Schwab service, trust or custody agreements.

If you need additional information, please contact your Schwab service representative.
