Plan – 037985

Year – 2024

I am writing to provide the reason for the delayed filing of our Form 5500 for the plan year ending 2024. During the applicable period, our company experienced an administrative interruption related to our payroll/plan administration processes. Specifically, we were in the process of transitioning internal responsibilities, which led to confusion and a misunderstanding regarding who was responsible for initiating and coordinating the annual Form 5500 filing. As a result, the filing deadline was inadvertently overlooked. Once we became aware of the omission, we took immediate action to compile the required information, coordinate with our service providers, and submit the Form 5500 as promptly as possible.

We have also put new internal controls in place — including calendar tracking and clearer assignment of responsibilities — to ensure timely filing going forward. The delay was inadvertent, non-willful, and has since been remedied.

Thank you for your understanding.

Sincerely,

Annabel Schwartz
