Independent Auditor's Report

Plan Administrator
Avara Retirement and Savings Plan
Norman, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Avara Retirement and Savings Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

General

The following description of Avara Retirement and Savings Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Avara Pharmaceutical Services, Inc. (Company) for the benefit of its full-time employees upon hire. Non-excluded part-time employees who have completed one year and 1,000 hours of service are eligible to participate in the Plan. Related employers who also participate in the Plan include Avara Pharmaceutical Technologies, Inc., and effective April 1, 2018, Avara Aiken Pharmaceuticals, Inc., formerly known as GlaxoSmithKline. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Effective with the December 1, 2020 plan transfer, Fidelity Management Trust Company (Fidelity) serves as the plan trustee, and Fidelity Workplace Services, LLC (FWS) serves as the record-keeper. Prior to May 2020, TD Ameritrade Trust Company served as the plan trustee, and in May 2020, TD Ameritrade was acquired by Matrix Trust Company (Matrix). Matrix acted as the trustee until plan assets were transferred to Fidelity at November 30, 2020.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 80% of their eligible compensation as either pre-tax or Roth deferrals. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company makes safe harbor matching contributions of 100% of employees' salary deferral amounts on the first 3.0% of employees' compensation and additional matching contributions of 50% of employees' salary deferral amounts on the first 4%–6% of employees' compensation determined on an annual basis. Additionally, the Plan provides for a nonelective profit-sharing contribution at a discretionary amount to be determined and approved by the Company each year. A participant is eligible to receive an allocation of the nonelective profit-sharing contribution if they are employed on the last day of the plan year. The Company's corporate employees are not eligible for the nonelective profit-sharing contribution allocations. Nonelective profit-sharing contributions were \$0 for 2021 and 2020. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

The plan document also includes an automatic deferral feature whereby a participant is treated as electing to defer 6% of eligible compensation unless the participant made an affirmative election otherwise.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Avara Retirement and Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020**

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's safe harbor matching contribution portion of their accounts plus earnings thereon is based on years of continuous service as follows:

Years of Service	Vesting Percentage
Less than one year	30%
One, but less than two	50%
Two years or more	100%

Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service as follows:

Years of Service	Vesting Percentage
Less than two years	0%
Two, but less than three	20%
Three, but less than four	40%
Four, but less than five	60%
Five, but less than six	80%
Six years or more	100%

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions or directly from the participant's personal checking account.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant, or their beneficiary in the event of death, may elect to receive either a lump-sum amount equal to the value of the vested interest in their account in monthly, quarterly, semiannual, or annual cash installments over a period not beyond the participant's or beneficiary's life expectancy. Upon termination of service for other reasons, a participant may receive the value of the vested interest in their account only as a lump-sum distribution.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$151,000 and \$81,000, respectively. These accounts will be used to pay plan administrative expenses, reduce future employer contributions, or reallocated to participants in the same manner as employer contributions. Profit-sharing contributions were reduced by \$0 and \$13,475 from forfeitures during the years ended December 31, 2021 and 2020, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds and a money market mutual fund are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from plan participants and matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan at the Company's discretion.

Revision

An immaterial revision has been made to reduce the 2020 employer contribution receivable by \$408,000. This adjustment relates to a discretionary contribution that plan management determined was neither due nor paid to the Plan. As a result, the previously reported net assets available for benefits at the beginning of the year were also reduced by \$408,000. This revision did not have a significant impact on the financial statement line items affected.

Note 3. Certification of Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees of the Plan, have certified the following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate. Fidelity Management Trust

**Avara Retirement and Savings Plan
Notes to Financial Statements

Company certifies that the reports provided are complete and accurate as of and for the year ended December 31, 2021.

- Investments as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment income as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021
- Interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain plan investments are shares of a money market mutual fund that are managed by Fidelity. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue-sharing rather than a direct payment. The Company directly pays certain other fees related to the Plan's operations.

The Plan paid approximately \$44,000 of record-keeping and administrative fees to Fidelity during the year ended December 31, 2021. The Company provides certain administrative services at no cost to the Plan.

Note 5. Plan Amendments

Effective January 1, 2020, the Plan was amended to reduce the safe harbor matching contribution to 100% of the participant's elective deferrals (including catch-up contributions) that are not in excess of 3% of the participant's eligible compensation plus 50% of the participant's elective deferrals (including catch-up contributions) in excess of 3% of the participant's eligible compensation but not in excess of 6% of the participant's eligible compensation. These contributions will be deposited each payroll and then will be trued up at the end of the plan year.

Note 6. Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets

**Avara Retirement and Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020**

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets

Level 3 Unobservable inputs supported by little or no market activity and significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

	<u>Fair Value</u>	<u>Fair Value Measurements Using</u>		
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
2021				
Mutual funds	\$ 31,684,511	\$ 31,684,511	\$ -	\$ -
Investments, at fair value	<u>\$ 31,684,511</u>	<u>\$ 31,684,511</u>	<u>\$ -</u>	<u>\$ -</u>
2020				
Mutual funds	\$ 26,909,379	\$ 26,909,379	\$ -	\$ -
Investments, at fair value	<u>\$ 26,909,379</u>	<u>\$ 26,909,379</u>	<u>\$ -</u>	<u>\$ -</u>

(A) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. The Plan had no Level 2 or Level 3 investments at December 31, 2021.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such investments are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 8. Tax Status

The Plan operates under a standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Fidelity Management & Research Company, LLC. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Note 10. Subsequent Events

Subsequent events have been evaluated through September 8, 2025, which is the date the financial statements were available to be issued.

Accountant

Avara Retirement and Savings Plan

EIN: 47-3599330

Plan Number: 001

Plan Year: 1/1/2021 – 12/31/2021

We understand that it is our responsibility to file a complete and timely return. This includes attaching the opinion of an Independent Qualified Public Accountant, “accountant’s report”. However, due to certain issues outside of our control, we are not able to attach the report at this time. The Plan will file an amended Form 5500, with this report, as soon as possible after such issues are resolved.

While the accountant’s report is not attached, we have the information necessary to complete Schedule H, Part III and have therefore answered lines 3a, 3b and 3d that would otherwise have been left blank in accordance with EFAST2 FAQ #25.
