INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Manhattan West LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Manhattan West LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MANHATTAN WEST LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the Manhattan West LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s information.

General—The Plan is a defined contribution plan covering eligible employees of Manhattan West LLC (the “Company”). The Board of Managers of the Company has appointed the Manhattan West LLC 401(k) Plan Administrative Committee to control and manage the operation and administration of the Plan. Reliance Trust Company serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

As a result of a change in ownership of the Company, the Plan was established on January 1, 2022, and eligible participant account balances and notes receivable from participants were transferred into the Plan from the Bloomberg L.P. 401(k) Plan.

Contributions—Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, and (iii) participant rollovers from another qualified plan. Participants have the option to make Roth elective salary reduction contributions to the Plan.

Participants may elect to contribute a percentage of their compensation to the Plan each year, subject to the limitations defined in the Plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions; catch-up contributions are ineligible for a Company matching contribution. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

The Company makes a matching contribution to each participant’s account equal to 50% of the amount of the participant’s salary reduction contribution, up to 15% of eligible compensation as defined by the Plan. The maximum matching contribution is equal to \$7,750.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans which represent rollovers into the Plan.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contribution and related matching Company contributions and Plan earnings. Participant accounts are also charged with withdrawals, Plan losses, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Eligibility—There are no age or minimum service requirement for employees to participate and make contributions to the Plan. There is no service requirement for the Company matching contributions. Union employees, nonresident aliens, leased employees, and employees who are contingent, piecework or any other basis other than salaried are excluded from participating in the Plan.

Investments—Participants may direct the investment of their contributions, Company matching contributions, and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily.

Vesting—Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of credited service. For vesting purposes, certain eligible participants that transferred into the Plan retain their service hours from their previous employer. A participant is 100% vested after three years of credited service.

Years of Vesting Service	Percent Vested
Less than 1 year	- %
1 year but less than 2 years	34
2 years but less than 3 years	67
3 years or more	100

Notes Receivable from Participants—Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of one-half of the vested account balance or \$50,000. The loans are secured by an assignment of a participant's vested interest in the Plan and bear an interest rate equal to the prime rate, as published, plus 1 percent at the time funds are borrowed. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Loan terms range from 1 to 5 years; however, terms may exceed 5 years for the purchase of a primary residence. As of December 31, 2023 and 2022, participant loans have maturities through 2028 and 2027, respectively at interest rates ranging from 4.25 percent to 9.50 percent and 4.25 percent to 7.25 percent, respectively.

Payment of Benefits—On termination of service with the Company (including termination of service due to death, disability, or retirement), a participant whose account balance exceeds \$5,000 may generally elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account or annual installments. If a participant balance is less than \$5,000, a lump-sum distribution to the participant or an automatic rollover, will be made as soon as administratively feasible.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships or an in-service distribution upon age 59 1/2.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to either reduce future Company matching contributions or pay Plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined in the Plan document, the account will be reinstated. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$10 and \$9,866, respectively. During 2023, Company matching contributions were reduced by \$14,941 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions—Employee contributions and Company matching contributions are recorded when withheld or earned, respectively.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan sponsor. Participants pay administrative costs for loans, distributions, and qualified domestic relation orders.

Plan expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investment.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2023 or 2022.

3. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023 included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by Reliance Trust

Company, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year)

Notes 4 and 5: All investment balances and investment information, excluding the level of investments in Note 4, Fair Value Measurements and the unfunded commitment and redemption frequency, other redemption restrictions, and redemption notice period in Note 5, NAV per Unit.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (“RICs”)—Valued at the daily closing price as reported by the fund. RICs held by the Plan are open-ended RICs that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The RICs held by the Plan are deemed to be actively traded.

Stable Value Fund—A collective trust fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value (“NAV”) per unit of the collective trust. The NAV value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to confirm that securities liquidations will be carried out in an orderly business.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2023 and 2022.

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2023 Total

5. NAV PER UNIT

The following tables set forth a summary of the Plan's investments whose values were estimated using a reported NAV as of December 31, 2023 and 2022.

There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fair Value Estimated Using Net Asset Value per Unit December 31, 2023

Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Putnam Stable Value 25	<u>\$ 1,188,088</u>	<u>\$ -</u>	Daily	N/A	N/A

6. RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan transacts with certain parties who may perform services for the Plan, including the Company and its employees. These transactions qualify as exempt party in interest transactions. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

8. FEDERAL INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by ADP, LLC. ADP, LLC received an opinion letter from the Internal Revenue Service (IRS), dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

9. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted the January 1, 2022 participant contributions of \$163,153 and loan repayments of \$6,475 to the trustee on January 14, 2022, which was later than required by Department of Labor (DOL) Regulation 2510.3 102. The Company filed Form 5330 with the IRS in April 2024 and paid the required excise tax on the transaction. In addition, participant accounts were credited with lost earnings in May 2024.

10. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 11, 2024, the date the financial statements were available to be issued. Other than disclosed in note 9, no events occurred that require additional disclosure in or adjustments to the Plan's financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Manhattan West LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Manhattan West LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MANHATTAN WEST LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the Manhattan West LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s information.

General—The Plan is a defined contribution plan covering eligible employees of Manhattan West LLC (the “Company”). The Board of Managers of the Company has appointed the Manhattan West LLC 401(k) Plan Administrative Committee to control and manage the operation and administration of the Plan. Reliance Trust Company serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

As a result of a change in ownership of the Company, the Plan was established on January 1, 2022, and eligible participant account balances and notes receivable from participants were transferred into the Plan from the Bloomberg L.P. 401(k) Plan.

Contributions—Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, and (iii) participant rollovers from another qualified plan. Participants have the option to make Roth elective salary reduction contributions to the Plan.

Participants may elect to contribute a percentage of their compensation to the Plan each year, subject to the limitations defined in the Plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions; catch-up contributions are ineligible for a Company matching contribution. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

The Company makes a matching contribution to each participant’s account equal to 50% of the amount of the participant’s salary reduction contribution, up to 15% of eligible compensation as defined by the Plan. The maximum matching contribution is equal to \$7,750.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans which represent rollovers into the Plan.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contribution and related matching Company contributions and Plan earnings. Participant accounts are also charged with withdrawals, Plan losses, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Eligibility—There are no age or minimum service requirement for employees to participate and make contributions to the Plan. There is no service requirement for the Company matching contributions. Union employees, nonresident aliens, leased employees, and employees who are contingent, piecework or any other basis other than salaried are excluded from participating in the Plan.

Investments—Participants may direct the investment of their contributions, Company matching contributions, and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily.

Vesting—Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of credited service. For vesting purposes, certain eligible participants that transferred into the Plan retain their service hours from their previous employer. A participant is 100% vested after three years of credited service.

Years of Vesting Service	Percent Vested
Less than 1 year	- %
1 year but less than 2 years	34
2 years but less than 3 years	67
3 years or more	100

Notes Receivable from Participants—Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of one-half of the vested account balance or \$50,000. The loans are secured by an assignment of a participant's vested interest in the Plan and bear an interest rate equal to the prime rate, as published, plus 1 percent at the time funds are borrowed. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Loan terms range from 1 to 5 years; however, terms may exceed 5 years for the purchase of a primary residence. As of December 31, 2023 and 2022, participant loans have maturities through 2028 and 2027, respectively at interest rates ranging from 4.25 percent to 9.50 percent and 4.25 percent to 7.25 percent, respectively.

Payment of Benefits—On termination of service with the Company (including termination of service due to death, disability, or retirement), a participant whose account balance exceeds \$5,000 may generally elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account or annual installments. If a participant balance is less than \$5,000, a lump-sum distribution to the participant or an automatic rollover, will be made as soon as administratively feasible.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships or an in-service distribution upon age 59 1/2.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to either reduce future Company matching contributions or pay Plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined in the Plan document, the account will be reinstated. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$10 and \$9,866, respectively. During 2023, Company matching contributions were reduced by \$14,941 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions—Employee contributions and Company matching contributions are recorded when withheld or earned, respectively.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan sponsor. Participants pay administrative costs for loans, distributions, and qualified domestic relation orders.

Plan expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investment.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2023 or 2022.

3. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023 included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by Reliance Trust

Company, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Statements of Net Assets Available for Benefits	2023	2022
Participant-directed investments at fair value	\$ 53,053,724	\$ 38,849,333
Notes receivable from participants	302,182	308,827

Statement of Changes in Net Assets Available for Benefits	2023
Net appreciation in fair value of investments	\$ 7,216,692
Dividends	1,274,401
Interest income on notes receivable from participants	16,696

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year)

Notes 4 and 5: All investment balances and investment information, excluding the level of investments in Note 4, Fair Value Measurements and the unfunded commitment and redemption frequency, other redemption restrictions, and redemption notice period in Note 5, NAV per Unit.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (“RICs”)—Valued at the daily closing price as reported by the fund. RICs held by the Plan are open-ended RICs that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The RICs held by the Plan are deemed to be actively traded.

Stable Value Fund—A collective trust fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value (“NAV”) per unit of the collective trust. The NAV value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to confirm that securities liquidations will be carried out in an orderly business.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2023 and 2022.

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2023 Total

5. NAV PER UNIT

The following tables set forth a summary of the Plan's investments whose values were estimated using a reported NAV as of December 31, 2023 and 2022.

There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fair Value Estimated Using Net Asset Value per Unit December 31, 2023

Putnam Stable Value 25	<u>\$ 1,188,088</u>	<u>\$ -</u>	Daily	N/A	N/A

6. RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan transacts with certain parties who may perform services for the Plan, including the Company and its employees. These transactions qualify as exempt party in interest transactions. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

8. FEDERAL INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by ADP, LLC. ADP, LLC received an opinion letter from the Internal Revenue Service (IRS), dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

9. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted the January 1, 2022 participant contributions of \$163,153 and loan repayments of \$6,475 to the trustee on January 14, 2022, which was later than required by Department of Labor (DOL) Regulation 2510.3 102. The Company filed Form 5330 with the IRS in April 2024 and paid the required excise tax on the transaction. In addition, participant accounts were credited with lost earnings in May 2024.

10. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 11, 2024, the date the financial statements were available to be issued. Other than disclosed in note 9, no events occurred that require additional disclosure in or adjustments to the Plan's financial statements.
