Independent Auditors' Report

The Plan Administrator
Wake Stone Corporation Profit Sharing and 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wake Stone Corporation Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of March 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for plan benefits for the period ended March 31, 2025 and year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2025, and December 31, 2024, and for the period and year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Transfer

As discussed in Note 8 to the financial statements, the governing body of the Plan approved a deconversion strategy on March 13, 2025, with all assets being sold on March 31, 2025, and all cash transferred from the Plan into the Vulcan Materials Company 401(k) Plan on April 1, 2025. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Reportable Transactions for the period ended March 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Plan Administrator
Wake Stone Corporation Profit Sharing and 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wake Stone Corporation Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of March 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for plan benefits for the period ended March 31, 2025 and year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2025, and December 31, 2024, and for the period and year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Transfer

As discussed in Note 8 to the financial statements, the governing body of the Plan approved a deconversion strategy on March 13, 2025, with all assets being sold on March 31, 2025, and all cash transferred from the Plan into the Vulcan Materials Company 401(k) Plan on April 1, 2025. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Reportable Transactions for the period ended March 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WAKE STONE CORPORATION PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements

March 31, 2025 and December 31, 2024

(1) Summary of Significant Accounting Policies

(a) Basis of Preparation

The accompanying financial statements of Wake Stone Corporation Profit Sharing and 401(k) Plan (the "Plan"), formerly the Wake Stone Corporation Profit Sharing Plan, have been prepared on the accrual basis and present the net assets available for plan benefits and changes in those net assets.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of net assets available for plan benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

(c) Investments and Income Recognition

Investments are reported at fair value, except for the stable value contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date as described below. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

(d) Benefits

Benefits are recorded when paid.

(e) Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The authoritative guidance for fair value measurements establishes a three-level hierarchy which encourages an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of the hierarchy consist of the following:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and
- Level 3 inputs are unobservable and have the lowest priority.

Following is a description of the valuation techniques used by the Plan to measure different financial instruments at fair value on a recurring basis and the level within the fair value hierarchy in which the financial instrument is categorized.

Notes to Financial Statements, Continued

March 31, 2025 and December 31, 2024

(1) Summary of Significant Accounting Policies, Continued

(e) Fair Value Measurements, Continued

Level 1 Fair Value Measurements

The fair values of all mutual funds with readily determinable fair market values are based on quoted market prices in active markets as reported by the fund.

The stable value fund is valued at contract value. It is not included in the fair value hierarchy.

(2) Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a tax-qualified plan established pursuant to applicable sections of the Internal Revenue Code and is sponsored by Wake Stone Corporation (the "Corporation"). It was initiated on March 1, 1983 for the benefit of employees of the Corporation. Effective March 1, 2016, the Plan was amended to allow, among other things, eligible participants to contribute to the Plan on a pre-tax basis as a salary deferral, and participants will direct investment of their interest in the Plan into investment options available to the Plan. The Company will continue to make discretionary profit sharing contributions and control investment thereof, but will not match contributions for salary deferrals.

The Plan year begins on January 1st and ends on December 31st. Employees of the Corporation who are at least twenty-one years of age and have completed one year of continuous service consisting of at least 1,000 hours are eligible to participate in the Plan once the entry date is reached. The entry date is the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date eligibility requirements are satisfied.

Each participant's account is credited with his/her contributions, the Corporation's contribution, if any, and an allocation of the plan earnings (losses), administrative expenses, and forfeitures of terminated participants' nonvested accounts. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Participants are not permitted to borrow from their individual fund account.

WAKE STONE CORPORATION PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements, Continued

March 31, 2025 and December 31, 2024

(3) Contributions

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the Plan. Total deferrals in any taxable year may not exceed a dollar limit which is set by law. The limit for 2025 and 2024 was \$23,500 and \$23,000, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$7,500 in 2025 and 2024, respectively. Beginning March 1, 2016, participants are able to direct the investment of their contributions into various investment options offered by the Plan. Additionally, profit sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the Company. During 2025 and 2024, respectively, the Company made a \$2,550,000 and \$2,350,000 profit sharing contribution to the Plan.

Effective April 1, 2019, the Plan was amended and began automatically enrolling eligible employees at a 2% deferral rate. Participants can elect to discontinue their deferrals at any time. Effective January 1, 2022, the Plan was amended to increase the automatic enrollment deferral rate to 3%. Effective March 1, 2022, the Plan was amended to include an auto-escalation feature for those participants who were auto-enrolled in the plan, whereby every March 1st a participant's deferrals will be automatically increased by 1% until reaching a cap of 5%. A participant may opt-out of this feature at any time.

(4) Vesting, Benefits, and Forfeitures

Participants are always 100% vested in their salary deferrals plus any catch-up contributions.

Participants vest in the employer contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
At least 2 years but less than 3	20%
At least 3 years but less than 4	40%
At least 4 years but less than 5	60%
At least 5 years but less than 6	80%
At least 6 years	100%

Participants, or their beneficiaries, are eligible to receive their Plan benefits as follows:

Normal Retirement

Normal retirement is the attainment of age 65 by the Plan participant.

Disability Benefits

Employees who become totally and permanently disabled are eligible to receive 100% of their account balance.

WAKE STONE CORPORATION PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements, Continued

March 31, 2025 and December 31, 2024

(4) Vesting, Benefits, and Forfeitures, Continued

Death Benefits

Should an employee die while employed, his account balance as of the end of the Plan year following the death shall become 100% vested and shall be paid to the named beneficiary under the method of payment the beneficiary elects.

The Plan permits joint and survivor annuity, pre-retirement survivor annuity, lump sum, and installment distributions.

The nonvested benefits of a participant are forfeited upon payment of the entire vested account balance or following five consecutive breaks in service. Forfeitures allocated to participants' accounts totaled \$0 and \$12,622 in 2025 and 2024, respectively.

(5) Investments

The following is a summary of the Plan's financial information and data certified by Fidelity Management Trust Company, the trustee of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of March 31, 2025 and December 31, 2024 and for the period and year then ended:

	<u>2025</u>	<u>2024</u>
Investments, at fair value - mutual funds	\$ -	38,986,611
Investments, at contract value - stable value fund	-	<u>336,724</u>
	<u>\$ -</u>	<u>39,323,335</u>
Investment return	<u>\$ 192,203</u>	<u>4,108,446</u>

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract (Lincoln Stable Value Fund) with Lincoln National Life Insurance Company (Lincoln National). Lincoln National maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Lincoln National is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for plan benefits at contract value.

Contract value, as reported to the Plan by Lincoln National, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

WAKE STONE CORPORATION PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements, Continued

March 31, 2025 and December 31, 2024

(5) Investments, Continued

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a six-month basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Lincoln National. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

Investments of the Plan are participant-directed, except for the Corporation profit-sharing contributions which are invested in target date funds or the stable value fund. As of March 31, 2025 and December 31, 2024, respectively, participant-directed investments totaled \$0 and \$6,800,421.

There are no unfunded commitments as of March 31, 2025 and December 31, 2024.

Information about the net assets and the significant components of the changes in net assets related to the nonparticipant-directed investments as of March 31, 2025 and December 31, 2024 and for the period and year then ended is as follows:

	<u>2025</u>	<u>2024</u>

(6) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits as follows:

	<u>March 31, 2025</u>	Fair Value Measurements at Reporting Date Using:
	<u>Value</u>	<u>Level 1</u>

Investments measured at contract value:		
stable value fund	<u>336,724</u>	
	<u>\$ 39,323,335</u>	

There were no transfers or reclassifications of investments between levels within the fair value hierarchy during 2025 and 2024, and there were no changes in valuation methodologies used to measure the fair value of the Plan's investments as of March 31, 2025 and December 31, 2024.

(7) Federal Income Taxes

The Plan was adopted effective March 1, 1983, and the plan administrators have received a determination letter from the Internal Revenue Service ("IRS") dated March 31, 2014, for volume submitter (prototype) master plan documents. While this letter does not constitute individual reliance for a particular employer adopting the master document, a sponsor that limits all adoption agreement elections to within the design parameters of the Plan is not required to obtain an individual determination letter. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt as of March 31, 2025 and December 31, 2024.

WAKE STONE CORPORATION PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements, Continued

March 31, 2025 and December 31, 2024

(7) Federal Income Taxes, Continued

Accounting principles generally accepted in the United States of America require the plan administrators to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(8) Plan Transfer

The Plan reserves the right to terminate the Plan at any time, subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of termination, the participants' account balances become fully vested and nonforfeitable.

At the close of business on November 8, 2024, 100% of the Corporation's Common and Preferred stock was purchased by Vulcan Materials Company (the "Buyer"), a public company. All employees of the Corporation, a wholly-owned subsidiary, became employees of the Buyer on November 9, 2024. In accordance with the Plan, and as agreed to by the Wake Stone Plan Administrator, a plan of transfer was approved on March 13, 2025, all assets were sold on March 31, 2025, and all cash transferred from Fidelity Management Trust Company to the Vulcan Materials Company 401(k) Plan with Empower on April 1, 2025.

(9) Administrative and Investment Costs

The Corporation pays certain costs of administration of the Plan, and these expenses are excluded from these financial statements. Other administrative costs are paid by the Plan and allocated to participant accounts. Investment management fees are charged directly to the individual funds and included in net appreciation (depreciation) in fair value of investments.
account balances and the amounts reported in the statement of net assets available for plan benefits.

(10) Subsequent Events

The date to which events occurring after March 31, 2025, the date of the most recent statement of net assets available for plan benefits, have been evaluated for possible adjustment to the financial statements or disclosure is November 7, 2025, the date the financial statements were available to be issued.
