We have performed audits of the accompanying financial statements of Amer Sports U.S. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are required to be independent of Amer Sports U.S. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amer Sports U.S. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amer Sports U.S. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amer Sports U.S. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the

underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**1. DESCRIPTION OF THE PLAN:**

The following is a brief description of the Amer Sports U.S. 401(k) Plan (“the Plan”) established on January 1, 1986 and the most recent Amended and Restated date was May 25, 2024, to encourage long-term savings by eligible employees of Wilson Sporting Goods Co., Amer Sports Winter & Outdoor Company, ENVE Composites, LLC (through May 25, 2024), and Amer Sports Company, including its wholly-owned subsidiary Arc’teryx (from January 1, 2024) (“the Companies”). The Companies are under common control and part of a controlled group, therefore, the Plan is considered to be a single employer plan as defined by the IRS. Participants should refer to the plan agreement for more complete information.

Effective January 1, 2024, the Plan was amended to add Amer Sports Company, including its wholly-owned subsidiary Arc’teryx, as an Adopting Employer.

Effective May 25, 2024, the Plan was amended to remove ENVE Composites, LLC as an Adopting Employer. ENVE Composites, LLC plan assets totaling \$6,788,807 were transferred to the newly formed ENVE Composites LLC 401(k) Plan effective November 1, 2024.

General –

The Plan is a participant-directed defined contribution plan covering all eligible employees, and it is subject to the Employee Retirement Income Security Act of 1974 (“ERISA”) as amended. Effective February 1, 2019, the 30-day service requirement was removed. Eligible employees are automatically enrolled at a rate of 3%. An Automatic Savings Increase Program is in effect and increases are made at a rate of 1% each year up to a maximum of 10% of eligible compensation. The Board of Trustees oversees the governance of the Plan. The Plan’s investment Committee determines the appropriateness of the Plans investment offerings, monitors investment performance, and reports to the Plans Board of Trustees.

Employees eligible to participate in the Plan are full-time salaried and commissioned sales employees of the Companies and certain United States citizens working in foreign countries for the Companies. The following employees or classes of employees are not eligible to participate: (i) any employee classified as associate, casual, part-time, or temporary; and (ii) any employee who is working in a foreign country and who is not a United States citizen.

Contributions and Vesting –

Each year, participants may elect to make pre-tax salary contributions up to the maximum allowed under the Internal Revenue Code. The Plan also allows for ROTH contributions. For the year ended December 31, 2024, Wilson Sporting Goods Co. and Amer Sports Company matched 50% of the first 8% of participant’s eligible compensation, as defined by the Plan. Those participants who are employed by Amer Sports Winter & Outdoor Company, ENVE Composites LLC (through May 25, 2024) or by Arc’teryx receive a match of 100% of the first 3% of compensation plus 50% of the next 2% of compensation.

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**1. DESCRIPTION OF THE PLAN: (Continued)**

Contributions and Vesting – (Continued)

Each participant is fully vested in his or her contributions to the Plan. Plan participants are 100% vested in their matching contribution account for employer contributions contributed after January 1, 2017. For matching contributions contributed prior to January 1, 2017, participants are vested either after two or four years of service depending on when the matching contributions were contributed to the Plan.

Retirement, Death, and Disability –

A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

Forfeitures –

At December 31, 2024, and 2023, forfeited non-vested accounts totaled \$3,058 and \$119, respectively. This account can be used to reduce future Companies contributions or reduce plan expenses. During 2024, \$9,857 of forfeitures were used to reduce plan expenses.

Investment Options –

Each participant elects to have their contributions (employee and company) invested by Charles Schwab Trust Bank (“the Trustee”) in various investment and money market funds offered through the Trustee. Each participant may also elect to invest their contributions in a wide range of other types of investments through a self-directed brokerage account maintained by the Trustee.

Participant Accounts –

Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Companies’ contribution, (b) the Plan’s earnings (losses), and (c) administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Distributions –

Distributions under the Plan will be made upon a participant’s death, disability, retirement, or termination of employment. A participant may elect to receive either a lump sum distribution, substantial equal installments or to have their funds rolled over to a qualified retirement account. Prior to termination of employment, the plan administrator may grant a participant’s request for a withdrawal if either (i) the withdrawal is deemed a “hardship” withdrawal or (ii) the participant is over the age of 59½ at the time of withdrawal. These withdrawals are subject to certain restrictions and taxes.

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**1. DESCRIPTION OF THE PLAN: (Continued)**

Notes Receivable from Participants –

The Plan provides that a participant may borrow one-half of the vested portion of their account up to \$50,000, reduced by the highest outstanding loan balance in their account during the prior twelve months. The plan administrator determines interest on participant loans monthly at current interest rates for similar loans at the time the loan is made.

Loan terms are limited to five years unless the purpose of the loan is the purchase of the participant's principal residence. The vested portion of the participant's account collateralizes their loan. Principal and interest is paid ratably through monthly payroll deductions.

Administrative and Investment Management Expenses –

Loan origination fees associated with notes receivable from participants and the Plan's recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. All other expenses of the Plan are paid by the Companies at its discretion.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting. Accordingly, investment income is recognized when earned and expenses are recognized when incurred.

Investment Valuation and Income Recognition –

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan's investments are exposed to risks such as interest rate, credit and overall market volatility. Due to these risk factors, it is reasonably possible that changes in the value of investments will occur in the near term and could materially affect the amounts reported in the financial statements. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 5 for a discussion of fair value measurements.

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:** (Continued)

Investment Valuation and Income Recognition – (Continued)

Net Realized and Unrealized Appreciation in fair Value of Investments –

Net realized gain on the sales of investments is calculated as the difference between the net proceeds and the cost of the investments on a specific identification basis. Net unrealized gain in the fair value of investments is calculated as the difference between fair value of assets held at the beginning of the year or acquired during the year and the fair value of assets at the end of the year.

Notes Receivable from Participants –

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Estimates –

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Credit Losses –

Financial assets measured at amortized cost are presented at the net amount expected to be collected and the measurement of credit losses and any expected increases in expected credit losses are recognized in earnings. The estimate of expected credit losses involves judgement and is based on an assessment over the life of the financial instrument taking into consideration current market conditions and reasonable and supportable forecasts of expected future economic conditions. The Plan determined the allowance for credit losses on financial assets measured at amortized cost was de minimis as of December 31, 2024 and 2023, therefore, no allowance for credit losses has been recorded related to those assets.

Contributions –

Participant contributions are accrued when deducted from employees' pay and are invested after receipt by the Trustee.

Contributions Receivable –

The Plan had contribution receivables from the Companies relating to contributions not yet funded as of December 31, 2024 and 2023. These contributions have subsequently been received by the Plan, no allowance for credit losses has been recorded.

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)**

**Benefit Payments –**

Benefits are recorded when paid.

**Operating Expenses –**

Certain expenses for maintaining the Plan are paid by the Plan Sponsor and therefore excluded from their financial statements. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account. Record keeping, administrative and investment advisory fees are paid by the Plan and included in administrative expenses and allocated to all participants' accounts.

**3. PARTY-IN-INTEREST TRANSACTIONS:**

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Companies. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Companies. Certain assets of the Plan are invested in investments managed by Charles Schwab Trust Bank, Trustee of the Plan, and those investments and the Plan's payment of trustee fees, recordkeeping fees, and investment management fees to Charles Schwab Trust Bank qualify as party-in-interest transactions. Investments within the Plan's self-directed brokerage accounts include shares of the Plan Sponsor's common stock totaling \$31,483 as of December 31, 2024. The Plan allows participants to take loans from their accounts in the Plan. These notes receivable from participants also qualify as party-in-interest transactions. During 2024, the Plan paid fees to various service providers, which also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**4. FINANCIAL DATA CERTIFIED BY THE TRUSTEE:**

The Companies, acting in their capacity as the Plan administrator, have elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Charles Schwab Trust Bank, the Trustee of the Plan, and furnished to the Companies. The Companies have obtained certifications from the Trustee as of December 31, 2024, and 2023, and for the year ended December 31, 2024, that such information is complete and accurate.

	<u>2024</u>	<u>2023</u>

	<u>\$ 195,292,584</u>	<u>\$ 169,499,320</u>

The following for the year ended December 31, 2024 was also certified by the Trustee:

Total investment income	<u>\$ 23,974,703</u>
Interest income from notes receivable from participants	<u>\$ 104,161</u>

**5. INVESTMENTS:**

Fair Value Measurements –

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of input within the fair value hierarchy are defined as follows:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. Transfers between hierarchy measurement levels are recognized by the Plan as of the beginning of the reporting period.

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**5. INVESTMENTS:** (Continued)

Fair Value Measurements – (Continued)

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

*Registered Investment Companies* – The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

*Stable value fund* – The fair values of participation units in the stable value collective trust fund is based upon the net asset values of such fund, as reported in the audited financial statements of the fund. The stable value fund provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

*Self-directed brokerage account* – Account consists of registered investment companies, mutual funds, common stocks, preferred stocks, the Plan Sponsor's common stock, and unit investment trusts that are determined by obtaining quoted prices on nationally recognized securities exchange (Level 1). The account also consists of a money market deposit account and certificates of deposits (see below).

*Money Market Funds* – Fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer (Level 2 inputs). The Plan's investments in the money market deposit account occasionally exceed the federally insured balance.

*Certificates of Deposit* – The Company classifies its certificates of deposit as short-term investments in the Level 2 fair value hierarchy and reassesses the appropriateness of the classification of its investments at the end of each reporting period. Certificates of deposit held for investment with an original maturity greater than three months are carried at amortized cost and reported as investments on the Statement of Net Assets Available for Benefits. The type of certificates of deposit that the Company invests in are not considered debt securities under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 320, Investments - Debt Securities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments are administered and maintained by the Trustee. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee.

Fair Value Measurements – (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient at December 31:

	<u>Fair Value*</u>					
	<u>2024</u>	<u>2023</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Other Redemption Restrictions</u>	<u>Redemption Notice Period</u>
T. Rowe Price Stable Value Fund <sup>(a)</sup>	\$9,439,024	\$ 9,770,336	None	Daily	None	(b)

\* The fair values of the investments have been estimated using the net asset value of the investment.

(a) Seeks to provide a guarantee of both principal and interest for participant-initiated withdrawals.

(b) The common collective trust held by the Plan requires twelve month's notice for a complete liquidation, however, the trustee, at their discretion, may waive the twelve month waiting period. Participant directed redemptions are allowed daily with no restrictions. There are no unfunded commitments.

**6. FORMER PARTICIPANT BALANCES:**

At December 31, 2024 and 2023, net assets available for benefits include \$48,695,652 and \$38,137,479 respectively, relating to individuals who are no longer active participants in the Plan.

**7. PLAN TERMINATION:**

In the event of the dissolution, merger, consolidation, or reorganization of the Companies, the Plan shall terminate, and the trust fund shall be liquidated unless the Plan is continued by a successor to the Companies. Upon partial or total termination of the Plan, the accounts of all affected participants shall become fully vested and non-forfeitable. The Trustee will pay account balances to participants affected by termination, subject to certain expenses of the trust. At present, there is no intention on the part of the Companies to terminate the Plan.

**8. TAX STATUS OF THE PLAN:**

The Internal Revenue Service issued an opinion letter dated September 21, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended from the original prototype document, the plan administrator believes that the Plan is designed and currently being operated in compliance with requirement of the IRC.

AMER SPORTS U.S. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**8. TAX STATUS OF THE PLAN: (Continued)**

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021. If applicable, the Plan would recognize penalties and interest on uncertain tax positions as a deduction from net assets.

**9. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**10. SUBSEQUENT EVENTS:**
