## Independent Auditors' Report

To the Plan Administrator and Participants of  
Omni Cable LLC Retirement Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Omni Cable LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 13, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the period beginning January 1, 2025 and ended January 13, 2025, and for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Omni Cable LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 13, 2025 and December 31, 2024, and for the period beginning January 1, 2025 and ended January 13, 2025, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Omni Cable LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Omni Cable LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Omni Cable LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Omni Cable LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Omni Cable LLC Retirement Savings Plan**  
**Notes to Financial Statements**

**1. Description of the Plan**

Transfer of Plan Assets

Effective January 13, 2025, the Omni Cable LLC Retirement Savings Plan (the Plan) was terminated and all of the assets held by the Plan were transferred to Dot Holdings Co 401(k) and Profit Sharing Plan, an existing plan held by the Plan Sponsor's parent company, Dot Holdings Co.

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions, which is available from the plan administrator.

General

The Plan was established as a defined contribution plan sponsored by Omni Cable LLC (the Company) for substantially all employees who have attained eighteen years of age. Participants are immediately eligible to make elective deferrals to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute pre-tax and/or Roth deferrals of up to 50% of their pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts from other qualified retirement plans. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

For eligible participants, the Company contributes a match equal to 50% of elective contributions up to 4% of compensation capped at \$100,000. The Company has the option of contributing a discretionary profit sharing contribution to the Plan, which is determined by the Company's Board of Directors and allocated to participants as defined by the Plan document. Participants direct the investment of their contributions and any employer contributions into various investment options offered by the Plan. For the period ended January 13, 2025, the Company made no employer contributions. For the year ended December 31, 2024, the Company made matching contributions of \$926,405 and a profit sharing contribution of \$3,050,095.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested balance of the participant's account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts, plus earnings thereon, is based on years of continuous service. Employer contributions and related earnings automatically become fully vested upon death, total and permanent disability, or the attainment of age sixty-five. Vesting schedules are defined by the Plan document and participants are 100% vested after six years of credited service.

## 1. Description of the Plan (Continued)

### Notes Receivables from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates determined quarterly by the plan administrator. Principal and interest is paid ratably through payroll deductions. Loan terms range from 1 to 5 years, or for a longer period as determined by the administrator for purchase of a primary residence.

### Payment of Benefits

On termination of service, participants may elect to receive their vested balances in a lump sum equal to the value of the participant's vested interest in his or her account or non-recurring partial payments. Participants who terminate their employment with the Company or attain age 59½ are entitled to withdraw all or a portion of their vested account balances. Generally, participants must begin receiving benefits the year following attainment of age 70½ or the date the participant stops working for the Company, whichever is later. Vested account balances will be distributed upon death or disability. If the participant's vested account balance is not more than \$1,000, the benefits will be distributed in the form of a lump-sum cash payment. For mandatory distributions greater than \$1,000 but not exceeding \$5,000, the participant's vested interest will be rolled over to a Vanguard IRA if the participant does not specify otherwise. Participants qualifying under hardship rules may elect to receive all or a portion of their account balances prior to termination or retirement.

### Forfeitures

At December 31, 2024, the forfeiture account totaled \$276,436. These accounts are used to reduce future employer contributions and to reduce administrative expenses of the Plan. Forfeitures utilized for these purposes during the year ended December 31, 2024 totaled \$245,116. On January 13, 2025, the forfeiture account balance was transferred with all other assets of the Plan.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when incurred. No allowance for credit losses has been recorded as of January 13, 2025 and December 31, 2024.

### Payment of Benefits

Benefits are recorded when paid.

## 2. Summary of Significant Accounting Policies (Continued)

### Expenses of the Plan

Substantially all expenses incurred in the administration of the Plan were paid by the Plan during the period ended January 13, 2025 and the year ended December 31, 2024. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### Subsequent Events

The Plan has evaluated subsequent events through November 10, 2025, the date the financial statements were available to be issued.

## 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, as agent for Ascensus Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors. The certified information at January 13, 2025 and December 31, 2024 and for the period ended January 13, 2025 and the year ended December 31, 2024 includes:

	<u>2025</u>	<u>2024</u>
Investments at fair market value	\$ -	\$ 103,853,741
Net appreciation (depreciation) in fair value of investments	(895,186)	11,665,279
Interest and dividends	-	2,144,244

## 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**4. Fair Value Measurements (Continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Funds

Valued at the quoted net asset value of shares held by the Plan at year end.

As of January 13, 2025, the Plan did not have any assets due to the transfer of plan assets described in Note 1. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<b>December 31, 2024</b>				
Mutual funds	\$ 100,250,851	\$ 100,250,851	\$ -	\$ -
Money market funds	<u>3,602,890</u>	<u>3,602,890</u>	<u>-</u>	<u>-</u>
<b>Total</b>	\$ <u>103,853,741</u>	\$ <u>103,853,741</u>	\$ <u>-</u>	\$ <u>-</u>

**5. Related-Party Transactions and Party in Interest Transactions**

Plan investments include mutual funds and money market funds, managed by or associated with Ascensus Trust Company, the trustee of the Plan. Kathmere Capital Management performs investment advisory services for the Plan. These transactions qualify as exempt party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to the third party administrators for investment advisory services and administrator fees of \$234,512 for the year ending December 31, 2024. There were no plan expenses for the period ended January 13, 2025.

**6. Tax Status**

The Plan is operating under a non-standardized preapproved plan sponsored by Ascensus, LLC. The prototype plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

**7. Reconciliation of Financial Statements to 5500**

The Form 5500 is prepared on the cash basis of accounting; therefore, contributions are reported when actually paid. The following is a reconciliation of contributions received and transfers per the financial statements for the period ended January 13, 2025 and the year ended December 31, 2024.

The following is a reconciliation of net assets available for benefits per the financial statements at January 13, 2025 and December 31, 2024, to the Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ -	\$ 107,683,669
Employer contribution receivable	<u>-</u>	<u>(2,774,974)</u>
<b>Net assets available for benefits per the Form 5500</b>	<b>\$ <u>-</u></b>	<b>\$ <u>104,908,695</u></b>

The following is a reconciliation of transfer out per the financial statements for the period ended January 13, 2025, to the Form 5500:

	<u>2025</u>
Transfer of assets per the financial statements	\$ 106,786,526
Employer contribution receivable	<u>(2,774,974)</u>
<b>Transfer of assets per Form 5500</b>	<b>\$ <u>104,011,552</u></b>
