INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
American Plastic Toys, Inc. Profit Sharing Plan

Opinion

We have audited the financial statements of the American Plastic Toys, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statements of changes in net assets available for benefits for the periods from January 1, 2024 to July 24, 2024 (ongoing) and July 25, 2024 to December 31, 2024 (in liquidation), and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the American Plastic Toys, Inc. Profit Sharing Plan as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statements of changes in net assets available for benefits for the periods from January 1, 2024 to July 24, 2024 (ongoing) and July 25, 2024 to December 31, 2024 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Terminating Plan

As further discussed in Note 5 to the financial statements, the Plan Sponsor adopted a resolution effective July 25, 2024, to terminate the Plan, making liquidation of the Plan imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AMERICAN PLASTIC TOYS, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 1 – Description of the Plan

General

The Plan is a defined contribution plan that was established on January 1, 1975, by American Plastic Toys, Inc. (the Company/Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan is provided for general information purposes only and relates primarily to provisions that existed prior to its termination. Participants should refer to the Summary Plan Description, including amendments thereto, for a complete description of the Plan's provisions. As further discussed in Note 5, the Plan and the related trust were terminated effective July 25, 2024.

Administration

The Plan Sponsor and named Plan Administrator is American Plastic Toys, Inc. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator has formed an Investment Committee made up of Company officers and members of the human resources department. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. The Plan's Trustees are officers of the Company. The Investment Custodian is RBC Capital Markets, LLC. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Plan Sponsor is responsible for the Plan's recordkeeping activities.

Eligibility

The Plan covers all employees of the Employer, except those covered by a collective bargaining agreement or leased employees. All eligible employees may begin participating in the Plan after satisfying one year of service, with the entry date being the first day of January or July after meeting the participation requirements.

Contributions to the Plan

Employer contributions to the Plan are determined annually by the Company's Board of Directors and are limited to current or accumulated earnings or the maximum amount deductible under Section 404 of the Internal Revenue Code (IRC). There were no employer contributions authorized for the 2024 Plan year.

Employee contributions are not allowed by the Plan.

Participant Accounts

Each participant's account is credited with the Company's profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

AMERICAN PLASTIC TOYS, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Distribution of Benefits and Vesting

On termination of service due to death, disability, retirement or termination of employment, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of employer contributions. Participant accounts less than \$1,000 are subject to involuntary cash-outs, in which automatic distribution of their account balance may occur without direct consent.

The Plan allows for in-service distributions upon attainment of age 55 and ten years of service, or attainment of normal retirement age (age 62), from all fully vested accounts.

Employer contributions are subject to a graded vesting schedule based on years of service. A participant is 100% vested after six years of credited service.

Upon termination of the Plan (see Note 5), all participants became fully vested and were entitled to receive distribution of their account balances.

Forfeitures

Forfeitures attributable to employer contributions shall be allocated as additional employer contributions for the plan year in the year such forfeitures occur based on participants' compensation. There were no forfeitures allocated to eligible participants' accounts for the plan year ended December 31, 2024, and there was no balance in the forfeiture account as of December 31, 2024 and 2023.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

As a result of the decision to terminate the Plan effective July 25, 2024, and in accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements as of and for the year ended December 31, 2024, are presented using the liquidation basis of accounting. For periods prior to the decision to terminate the Plan, the financial statements were prepared using the going concern (ongoing) basis of accounting.

Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. There were no material adjustments to the 2024 financial statements as a result of the change in basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

AMERICAN PLASTIC TOYS, INC. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when incurred. Accrued payment of benefits is recorded upon termination of employment and, where applicable, receipt of the participant's consent to distribute.

Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including November 6, 2025, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**AMERICAN PLASTIC TOYS, INC.
PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

The following is a description of the valuation methodologies used for assets measured at fair value.

There were no investments held at December 31, 2024, to classify within the fair value hierarchy. Investments held at December 31, 2023, comprised money market funds, equities, fixed income, real estate investment trusts, and unit investment trusts, which have been classified as Level 1 using quoted market prices in active markets and other relevant information generated by market transactions.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	As of December 31, 2023			
	Total	Level 1	Level 2	Level 3
Money market funds	\$ 11,254	\$ 11,254	\$ -	\$ -
Equities	1,783,355	1,783,355	-	-
Fixed income	5,635,344	5,635,344	-	-
Real estate investment trusts	228,294	228,294	-	-
Unit investment trusts	546,912	546,912	-	-
	<u>\$ 8,205,159</u>	<u>\$ 8,205,159</u>	<u>\$ -</u>	<u>\$ -</u>
Investments, at fair value	<u>\$ 8,205,159</u>	<u>\$ 8,205,159</u>	<u>\$ -</u>	<u>\$ -</u>

Note 4 – Party-in-Interest Transactions

The Plan's investments are managed by RBC Capital Markets, LLC, who is the Plan's investment Custodian. During the year ended December 31, 2024, the Plan paid direct compensation to the Custodian related to custodial services. Indirect compensation (that is netted against investment income or loss on the statement of changes in net assets available for benefits) is paid to the Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 5 – Plan Termination

Effective July 25, 2024, the Plan Sponsor adopted a resolution to terminate the Plan, making liquidation of the Plan imminent. This termination froze the Plan to existing and new participants and ceased employer contributions into the Plan. As a result of the termination, all participants with an account balance remaining in the Plan became fully vested, regardless of status or years of vested service.

During the year ended December 31, 2024, all investments held were converted to non-interest bearing cash in preparation for the distribution of plan assets to participants. Plan management anticipates that remaining plan assets will be fully distributed to the remaining participants by December 31, 2025.

Note 6 – Plan Amendment and Tax Status

The Plan is utilizing a non-standardized prototype plan, which has been filed with the Internal Revenue Service (IRS) and has received a favorable opinion letter dated June 30, 2020, from the IRS. The Plan Administrator has not elected to apply for an individual IRS Determination Letter on the adoption of the Plan nor on any subsequent amendments. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related trust is tax-exempt as of December 31, 2024.

The Plan was most recently amended and restated effective January 1, 2022. The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2024. Written amendments to the plan document to reflect these operational changes would have been adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance, had it not been for the decision to terminate the Plan as discussed in Note 5.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2024, the Plan Administrator believes that the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, the Plan is currently not being examined. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. As of December 31, 2024, all investments had been sold in connection with the resolution to terminate the Plan (see Note 5) and converted to non-interest bearing cash.
