Independent Auditor's Report

To the Board of Trustees
CommuniCare Health Services Group Health Benefit Plan

Opinion

We have audited the accompanying financial statements of CommuniCare Health Services Group Health Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of CommuniCare Health Services Group Health Benefit Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CommuniCare Health Services Group Health Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CommuniCare Health Services Group Health Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CommuniCare Health Services Group Health Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CommuniCare Health Services Group Health Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CommuniCare Health Services Group Health Benefit Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the CommuniCare Health Services Group Health Benefit Plan (the Plan) is provided for general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

CommuniCare Health Services Group Health Benefit Plan was established on May 1, 2007 as a self-insured contributory plan to provide health and welfare benefits. The multiple employers participating in the Plan (the Employers) are under common control of Health Care Facilities Staffing, LLC (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

The Plan covers substantially all full-time employees and their eligible dependents. Active employees become eligible for benefits under the Plan after electing coverage and meeting the sixty (60) day service requirement.

Contributions

The premium payments are allocated between the related employer and the employee in accordance with the Plan document. Employee and Employers' contributions are made to the Plan based on premium rates established by the Employers annually based upon expected claims and current market conditions. The Employers may also contribute amounts necessary to fund incurred claims reserves, as applicable.

Benefits

The Plan provides for medical and prescription benefits for eligible employees and their covered dependents. Benefit payments in excess of certain limits are provided through stop-loss insurance purchased by the Plan. During the years ended December 31, 2021 and 2020, stop-loss insurance recoveries of \$1,773,855 and \$2,074,809, respectively, were netted against benefit payments. Benefit claims are processed by a third party administrator, but the responsibility for payments to participants and providers is retained by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Payment of Benefits

Benefits are recorded when incurred.

Plan Benefits

The liability for health claims incurred but not reported is estimated based on the Plan's experience. Claims can be submitted for payment up to twelve (12) months following the date of service.

CommuniCare Health Services Group Health Benefit Plan

Notes to Financial Statements

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Payment of Expenses

All expenses of administration may be paid out of the Plan unless paid by the Employers. Such expenses shall include any expenses incident to the functioning of the administrator, including, but not limited to, fees of accountants, counsel, and other specialists and their agents, and other costs of administering the Plan. Until paid, the expenses shall constitute a liability of the Plan. However, the Employers may reimburse the Plan for any administration expense incurred. Any administration expense paid to the Plan as a reimbursement shall not be considered Employers' contributions. The Employers elected to pay some administration expenses incurred during the years ended December 31, 2021 and 2020.

Risks and Uncertainties

The Plan maintains its cash balances in various financial institutions which, at times, exceed federally insured limits. The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

The benefit obligation is reported based on actual claims experience, which is subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

3. Estimated Health Claims Incurred but not Reported

Plan obligations at December 31, 2021 and 2020 for health claims incurred by participants but not reported at that date are estimated by the Plan in accordance with accepted practices. Such estimated amounts are reported in the accompanying Statements of Net Assets Available for Benefits and Benefit Obligations at present value.

4. Income Tax Status

The Plan is a tax-exempt Voluntary Employees' Beneficiary Association (VEBA) under Internal Revenue Code Section 501(c)(9), indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The 2018 through 2020 tax years remain subject to potential examination by taxing authorities.

5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate or modify the Plan without consent of participants or dependents, subject to the provisions of ERISA. In the event of Plan termination, assets would be available first for any administrative expenses of the Plan and second for health benefits as provided under the Plan document.
