INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Institute of Community Services, Inc. 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Institute of Community Services, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended January 31, 2025, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Institute of Community Services, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 31, 2025 and 2024, and for the year ended January 31, 2025, stating that the certified investment information, as described in Note 5 to financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Institute of Community Services, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Institute of Community Services, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Institute of Community Services, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Institute of Community Services, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a—Schedule of Delinquent Participant Contributions and Schedule H, Line 4i—Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 1: Description of the Plan

The following description of the Institute of Community Services 403(b) Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Institute of Community Services, Inc. 403(b) Retirement Plan is a defined contribution profit sharing plan which provides retirement benefits for eligible employees. The Plan was designed for the elective deferrals from the employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). This Plan began February 1, 1993.

Contributions. Employees must have completed three months of service to become eligible for the Plan. All eligible employees who work during the year receive an allocation of the Agency's contribution for that year, if any contribution is made. Employees are required to make a 2% contribution unless they elect not to contribute, or they can elect to make additional contributions to their account at their own discretion. Additionally, employer will match employee's elective deferral up to 4%. Allocations of participant contributions, plan earnings, and forfeitures of nonvested accounts are made based on the participant's earnings or account balance, as defined. Contributions are subject to certain Internal Revenue code limitations.

Participants Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the participant's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefits that can be provided from the participant's vested account.

Vesting. Vesting of Participants' accounts is 100% vested immediately. The benefits to which a participant is entitled are the benefits which can be provided from his own account.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts. At January 31, 2025 and 2024, forfeited account amounts totaled \$42,439 and \$0. Forfeited account amount \$42,439 at January 31, 2025 are due to participants, 100% vesting in contributions, therefore an offsetting liability exists at January 31, 2025.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates ranging from 5.25% to 9.50%. The maximum term of any loan is five years.

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. The significant estimate used by the Plan is the fair value measurement.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain significant expenses of maintaining the Plan are paid by the Sponsor and thereby excluded from these financial statements. The administrative expense presented is for monthly participant fees.

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 3: Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the period ended January 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered in the U.S. Securities and Exchange Commission. The funds must publish their daily net asset values and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value of pooled separate accounts is determined by the value of accumulation unit of any investment account determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received and the daily equivalent of any fee charged pursuant to the contract.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of January 31, 2025 and 2024:

Assets at Fair Value as of January 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,783,491	-	-	\$ 5,783,491
Pooled Separate Accounts	-	-	-	-
	\$ 5,783,491	-	-	\$ 5,783,491

Assets at Fair Value as of January 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	-	-	\$ -
Pooled Separate Accounts	-	3,903,616	-	3,903,616
	\$ -	3,903,616	-	\$ 3,903,616

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 4: Guaranteed Investment Contract with Insurance Company

The Plan has a benefit-responsive investment contract with American United Life Insurance Company. It maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at January 31, 2025 and 2024 was \$6,865,856 and \$7,325,536, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an unsecured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 5: Information Prepared and Certified by Trustees of the Plan

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at January 31, 2025 and 2024, and net appreciation in fair value of investments and interest for the year ended January 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by America United Life Insurance Company (2024 trustee of the Plan) and America United Life Insurance Company and Empower Trust Company (2025 co-trustees of the Plan) in accordance with 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Act of 1974.

	January 31,	
	2025	2024
Investment funds at contract value	6,865,856	7,325,536
Investment funds at fair value	5,783,491	3,903,616
Notes receivable participants	434,912	624,769
Net appreciation in fair value of investments	429,506	
Interest and dividends	394,969	
Interest income on notes receivable	30,350	

Note 6: Party In Interest Transactions

Certain Plan investments are shares of mutual funds managed by American United Life Insurance and Empower Trust Company. American Life Insurance and Empower Trust Company are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$25,129 year ended January 31, 2025. Additional investment fees paid to the trustee are netted against investment returns.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets for the Plan should be allocated to participants and distributed in such a manner as the sponsor may determine.

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9: Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The Plan Administrator believes that the terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor, Internal Revenue Service, and ERISA. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of January 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 10: Delinquent Contributions

Plan Sponsor made an error in plan year 2025 when calculating eligible retirement wages for one employee. The error caused the participant to have incorrect contribution amounts remitted to the plan. Plan Sponsor was notified of the error and will correct contributions for employee and its share of employer matching contributions along with the lost earnings for both.

Plan Sponsor made an error in the plan year 2024 and 2023 years when remitting contributions for payrolls. The errors caused some participants to have incorrect contribution amounts. Plan Sponsor was notified of these errors and will correct contributions for employees and its share of employer matching contributions along with the lost earnings for both.

INSTITUTE OF COMMUNITY SERVICES, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements

Note 11: SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions became effective in 2024 and more to follow. However, there have been no material impact to the Plan's 2025 financial statements.

Note 12: Transfer of Plan Assets

During the plan year ended 2025, the Plan's custodial arrangement transitioned from American United Life Insurance Company (AUL) to Empower Trust Company (Empower). The Plan sponsor administers two retirement plans, Institute of Community Services, Inc. Retirement Plan and Institute of Community Services, Inc. 403(b) Retirement Plan, both of which were previously held at AUL. As part of the transition process to Empower, certain participant account balances were inadvertently allocated to the Institute of Community Services, Inc. Retirement Plan instead of the related Institute of Community Services, Inc. 403(b) Retirement Plan.

The investment options, vesting provisions, and participant-directed elections were identical across both plans, and the Plan sponsor has determined that no adverse impact occurred to any participants as a result of the administrative error. Accordingly, no participant account balances or earnings were misstated.

The Institute of Community Services, Inc. 403(b) Retirement Plan recognized a net transfer out of \$365,734 related to these reallocated balances.

Note 13: Subsequent Events

Events that occur after the Statement of Net Assets Available for Benefits date but before the financial statements are available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the Statement of Net Assets Available for Benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the Statement of Net Assets Available for Benefits date require disclosure in the accompanying notes. Subsequent events have been evaluated through November 12, 2025, which is the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements.
