To the Plan Administrator of
Innovative Services, Inc. 401(k) Plan:

We have completed an Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) audit, pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, of the financial statements of Innovative Services, Inc 401(k) Plan (the Plan) as of and for the period ended August 14, 2025, and have issued our report thereon dated November 14, 2025. This letter presents communications required by our professional standards.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

As communicated in our engagement letter dated September 22, 2025, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Formularefinancial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Other than for the certified investment information, the Formularefinancial statements and supplemental schedule were audited by us in accordance with GAAS and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the Formularefinancial statements does not relieve you or management of its respective responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated.

Significant Findings

Qualitative Aspect of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by Innovative Services, Inc 401(k) Plan are described in Note 2 to the Formularefinancial statements. No new accounting policies were adopted and the application of existing policies was not changed during the period ended August 14, 2025.

We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus. In addition, we did not identify any significant findings or issues during the audit in connection with the Plan's related parties.

Accounting estimates are an integral part of the Formularefinancial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Formularefinancial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Management's estimate of the fair value of the Plan's investments is based on quoted market prices. We evaluated the key factors and assumptions management used to develop the fair value estimates pertaining to those investments and determined that such estimates and assumptions are reasonable.

The disclosures in the Formularefinancial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Significant Unusual Transactions Identified During the Audit

We identified no significant unusual transactions during the audit.

Difficult, Contentious or Other Matters Encountered During the Audit

We encountered no difficult, contentious, or other matters for which we consulted outside the engagement team that were, in our professional judgment, significant and relevant to those charged with governance regarding the responsibility to oversee the financial reporting process.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the Formularefinancial statements or the auditors' report. We are pleased to report no such disagreements arose over the course of the audit.

Circumstance Affecting the Form and Content of the Auditor's Report

We encountered no circumstances that affect the form and content of the auditor's report.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the Plan's Formularefinancial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Management Representations

We have requested certain representations from management that are included in the management representation letter. This letter has been provided to you.

Form 5500

In performing our audit, in accordance with GAAS, we are responsible for obtaining and reading the draft Form 5500 in order to identify material inconsistencies, if any, with the audited ERISA plan financial statements. During our audit we obtained and read the draft Form 5500 from management and did not identify any material inconsistencies.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Plan Administrator and management of and, if appropriate, and management of Innovative Services, Inc 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

November 14, 2025

To the Plan Administrator of the
Innovative Services, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Innovative Services, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits in liquidation as of August 15, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits in liquidation for the period ended August 15, 2025 and year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Innovative Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 15, 2025 and December 31, 2024, and for the period and year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As described in Note 1 and Note 2 to the financial statements, on June 6, 2024, the Plan Sponsor adopted a resolution to terminate the Plan effective June 6, 2025. The Plan has been liquidated effective August 15, 2025. As a result, the financial statements are presented under the liquidation basis of accounting for the period ended August 15, 2025 and the year ended December 31, 2024. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Innovative Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INNOVATIVE SERVICES, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS AUGUST 15, 2025 AND DECEMBER 31, 2024

1. DESCRIPTION OF PLAN

The following description of the Innovative Services, Inc. 401(k) Plan (the “Plan”) sponsored by Innovative Services, Inc. (the “Company”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Company established the Plan to provide employees with a systematic means of saving and investing for the future. Employees of the Company are eligible to enroll on their date of hire or the date they attain age 21, whichever is later. Employee elective deferrals begin on the first day of the payroll period following the employees' completion of a valid enrollment form. Employees are eligible for employer matching contributions once they begin making employee elective deferrals.

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective June 2, 2025, the Board of Directors of the Plan Sponsor adopted a resolution to terminate the Plan and liquidate the Plan effective June 5, 2025 (termination date). The Plan has been formally amended to adopt such a resolution to terminate the Plan. All assets of the Plan were disbursed by August 15, 2025. Participant balances were distributed in accordance with each participant's elected method of distribution.

Contributions

Each year, participants may contribute up to 100% of pretax eligible pay through direct payroll withholding subject to maximum allowable contributions under the Internal Revenue Code. Pretax eligible pay does not include bonuses, commissions, and post-severance compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The employer contributed a matching contribution equal to 3% of eligible compensation for 2025 and 2024, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions and Plan earnings (losses) and charged with an allocation of investment expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Vesting

Participants are immediately vested in their elective and rollover contributions. Employer matching contributions immediately vested as well.

1. DESCRIPTION OF PLAN (Continued)

Investment Allocation

The Plan allows participants to select from a variety of investment options. Participant contributions may be directed to any of these options, in multiples of 1%. Participants can change the future direction of contributions or move existing account balances between various investment options on a daily basis by using the online service. All investment choices are directed by the participant and each participant bears the respective investment risk of their election. All investments are considered mutual funds. All employees eligible to participate in the Plan who do not make an investment election for their participant-directed contributions shall have all contributions invested in the qualified default investment alternative, which was the American Funds U.S. Government Money Market Fund for the period ended August 15, 2025 and the year ended December 31, 2024.

Forfeitures

Forfeitures are the amount the Company contributed to a participant's account that was not vested upon termination. Forfeitures are applied toward the payment of employer contributions or administrative expenses. Forfeitures applied toward employer contributions were \$2,043 and \$1,371 in the period ended August 15, 2025 and the year ended December 31, 2024, respectively. The balance of forfeited non-vested accounts was zero as of August 15, 2025.

Payment of Benefits

Distributions resulting from retirement, death, disability, or termination are made in the form of a lump sum distribution. Upon termination of employment, if the account balance is less than \$1,000, the participant will receive a single lump sum amount equal to the value of his or her account. If the account balance is greater than \$1,000 but less than or equal to \$5,000 and the participant has not elected to receive the benefit pursuant to the lump sum form of benefit payment, the account balance will be automatically rolled into an automatic rollover IRA. Distributions, without penalty, may be made upon attainment of age 59½.

Hardship Withdrawals

The Plan allows for hardship withdrawals in accordance with the Internal Revenue Service regulations as specified within the Plan agreement, without penalty.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum amount equal to the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account. Participants who are married must obtain spousal consent prior to being approved for a loan. Principal and interest, at the prime rate at the time of the loan, is paid ratably through bi-weekly payroll deductions. The maximum repayment term is 5 years but may be extended for the purchase of a principal residence.

Plan Expenses

All costs and expenses with regard to the purchase or sale of investments are paid by the Plan. Certain administrative expenses of the Plan, such as distribution fees, are paid by plan participants. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

Plan Termination

On June 2, 2025, the Company adopted a resolution to terminate the Plan effective June 5, 2025 subject to the provisions of ERISA. All assets were transferred from the Plan as of August 15, 2025.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon terms of the plan document. No allowance for credit losses was determined to be necessary nor has been recorded as of August 15, 2025 and December 31, 2024.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated in the accompanying financial statements at fair value. The fair value is equal to quoted market value on a national exchange for mutual funds. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents in the statements of changes in net assets available for benefits the net appreciation in fair value of investments, which consists of the net realized gains (losses) on investment transactions throughout the period and net unrealized gains (losses) on investments at the end of the period.

Fair Value Measurements

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

Level 1: Quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities.

Level 2: Inputs, other than quoted prices in active markets, that are observable either directly or indirectly and fair value is determined through the use of models or other valuation methodologies.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: valued at the closing price on the active market which the funds are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's investments that were accounted for at fair value as of December 31, 2024.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>5,359,471</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>5,359,471</u>

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

In accordance with Department of Labor Regulation 29 CFR 2520.103-5, certain information was furnished and certified by Capital Bank and Trust Company, the trustee to the plan, as of and for the period ended August 15, 2025 and the year ended December 31, 2024, respectively, and is included in the accompanying financial statements and supplemental schedule:

	<u>August 15, 2025</u>	<u>December 31, 2024</u>
Investments	\$ <u>-</u>	\$ <u>5,359,471</u>
Notes receivable from participants	\$ <u>-</u>	\$ <u>70,995</u>
Dividend and interest income	\$ <u>69,007</u>	\$ <u>339,994</u>
Net appreciation in fair value of investments	\$ <u>526,512</u>	\$ <u>373,807</u>
Interest income on notes receivable from participants	\$ <u>2,529</u>	\$ <u>5,021</u>

4. INCOME TAX STATUS

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The prototype plan has obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. PARTY-IN-INTEREST TRANSACTIONS

Capital Bank and Trust Company is the trustee of the Plan's assets. As such, transactions between the trustee and the Plan qualify as party-in-interest transactions. In addition, the Plan issues notes receivable to participants, which are secured by the balances in the participant's accounts. Therefore, these related transactions qualify as party-in-interest transactions.

6. SUBSEQUENT EVENTS

Subsequent events were evaluated through November 14, 2025, which is the date the financial statements were available to be issued.
