INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Family Care Specialists Medical Corporation Retirement Plan
Los Angeles, California

Opinion

We have audited the accompanying statements of Family Care Specialists Medical Corporation Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of January 1, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period ended January 1, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Family Care Specialists Medical Corporation Retirement Plan as of January 1, 2025 and December 31, 2024, and the changes in its net assets available for benefits for the period ended January 1, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Family Care Specialists Medical Corporation Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 6 to the financial statements, the Plan was terminated effective 12:01am January 1, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and the design perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Family Care Specialists Medical Corporation Retirement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Care Specialists Medical Corporation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Family Care Specialists Medical Corporation Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

General. The Plan is a defined contribution plan with 401(k) and profit sharing plan features. The 401(k) plan covers all full-time employees of the Company who have three consecutive months of service and are age eighteen or older. The profit sharing plan covers all full-time employees of the Company who have one year of service and are age eighteen or older. The employee will be eligible to join the matching and profit sharing portions of the Plan on January 1 or July 1 following attainment of age eighteen and completion of one year of service. Employees are subject to automatic enrollment in the 401(k) plan if they do not complete and file an election to make or not make a 401(k) contribution.

Contributions. Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. After employees age 18 and over have one year of service, additional matching and profit sharing amounts may be contributed at the option of the Company's board of directors subject to certain limitations. In addition, the Company may contribute 3% of participants' compensation, subject to certain limitations, as Guaranteed Company Contributions without requiring 1000 hours of service or working on the last day of the Plan year. All contributions are invested in a portfolio of investments as directed by the Company.

All employees who are eligible to make elective deferrals under the Plan and who have attained age 50 on or before the close of the Plan year are eligible to make catch-up contributions in accordance with, and subject to the limitations of, Section 414(v) of the Internal Revenue Code.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants' contributions, Guaranteed Company Contributions and any rollover contributions are fully vested at the time the contribution is made. A participant's interest in the Company's profit sharing and matching contributions vest over six years of service with the Company and is fully vested and distributable upon death, permanent total disability or retirement.

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participant Loans. Participants may borrow a minimum of \$1,000 up to a maximum equal of the lesser of \$50,000 or 50 percent of the participant's vested benefit, whichever is less. The loans are secured by the vested benefit of the participant and bear interest at prime plus two percent. Loans are considered a directed investment of the participant's account.

Payment of Benefits. Payment of the participant's entire vested account balance is available upon death, permanent total disability, attainment of age 59½, or retirement. If employment terminates for any other reason, participants are entitled to receive only the vested portion of their account balance and the remaining balance is forfeited.

For vested accounts under \$1,000 or less not directly transferred to an IRA or another Plan, a participant shall receive the value of his benefits in a single-sum distribution.

If the vested benefit is between \$1,001 and \$5,000 and the benefit is not transferred to an IRA or another plan, the Committee will directly transfer the participants vested benefits to an IRA established for the participant.

For vested benefit accounts exceeding \$5,000, a participant may consent to a distribution as permitted by the Plan or the benefits will be deferred to the earlier of the participant's normal retirement age or age 62. A participant may elect to receive his benefits in a single-sum in cash or in kind. The participant may also choose a partial direct transfer to an individual retirement account (IRA), an individual retirement annuity, an annuity plan or another qualified plan that accepts transfers.

In the event the participant is married at the time of death, the spouse of the participant will be the beneficiary unless an election is made by the participant and their spouse to change the beneficiary.

Forfeitures. Forfeitures are created when participants terminate employment before becoming entitled to their full benefit under the Plan. Forfeitures shall be used to reduce matching contributions, profit sharing contributions and guaranteed company contributions. For the period ended January 1, 2025, there were no forfeitures.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value Measurements. Financial Accounting Standards Board Statement ASC 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Tier 1 measurements) and the lowest priority to unobservable inputs (Tier 3 measurements). The three levels of the fair value hierarchy under ASC 820-10, are described below:

Tier 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Tier 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability; and

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Tier 2 input must be observable for substantially the full term of the asset or liability.

Tier 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value except for Participant loans, which are valued at cost. Quoted market prices are used to value the investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits. Benefits are recorded when paid.

FASB ACS 855-10. Subsequent events have been evaluated through November 14, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - CONCENTRATION OF CREDIT RISK

The Plan maintains cash accounts at various financial institutions. The balances at times may exceed federally insured limits. Accounts at each financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000.

NOTE 4 - INVESTMENTS

The following are investments that represent 5% or more of the Plan's net assets as of:

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated November 9, 2010 that the Plan, amendments to the Plan, and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - PLAN MERGER

Effective 12:01am January 1, 2025, the Plan merged with Altais Retirement Plan (the "Altais Plan"), a qualified retirement plan sponsored by Altais Health Solutions. As a result of the merger, all assets and participant account balances of the Plan were transferred to the Altais Plan in accordance with ERISA and IRS regulations. Following the transfer, the Plan ceased operations, and its net assets available for benefits were reduced to zero. The financial statements reflect all transactions related to the merger.
