Plan Administrator and Retirement Plan Committee
Womble Bond Dickinson (US) LLP
Savings and Self Employed Retirement Plan B
Winston-Salem, North Carolina

Opinion on the 2025 Financial Statements

We have audited the financial statements of Womble Bond Dickinson (US) LLP Savings and Self Employed Retirement Plan B (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of January 1, 2025, and the related statement of changes in net assets available for benefits for the one-day period then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits as of January 1, 2025, and the changes in its net assets available for benefits for the one-day period then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2025 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditor's Report on the 2024 Financial Statements

We were engaged to audit the 2024 financial statements of the Plan. We performed an audit of the 2024 financial statements, as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2024 financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and the related notes to the financial statements.

Plan Administrator and Retirement Plan Committee
Womble Bond Dickinson (US) LLP
Savings and Self Employed Retirement Plan B

Management, having determined it is permissible in the circumstances, elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needed not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Note 1. Description of the Plan

The following description of the Womble Bond Dickinson (US) LLP Savings and Self Employed Retirement Plan B (the "Plan" or "Plan B") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Plan Status

Effective January 1, 2025, the plan administrator resolved to merge all assets into the Womble Bond Dickinson 401(k) & Profit Sharing Plan. Assets in the amount of \$236,567,151 were transferred out of the Plan as of January 1, 2025.

General

The Plan is a defined contribution plan which covers certain eligible employees and equity partners of Womble Bond Dickinson (US) LLP (the "Firm" or "Plan Sponsor"). Employees with a social security number ending with an odd number (the "Non-Partner Participants"), participate in Plan B for purposes of making salary reduction contributions and receiving Firm matching (if eligible) and profit-sharing contributions. Participants who are equity partners (the "Partner Participants") and the Chief Operating Officer of the Firm participate in Plan B for purposes of receiving profit sharing contributions. Firm profit-sharing contributions on behalf of the Partner Participants and the Chief Operating Officer of the Firm are allocated to Plan B at 50% and 50% are allocated to the Womble Bond Dickinson (US) LLP Savings and Self Employed Retirement Plan A ("Plan A").

Eligible employees enter the plan and become a participant as of the eligible employee's date of hire. Employees are eligible to receive matching and profit-sharing contributions after one year of service. The Retirement Plan Committee of the Firm controls and manages the operation and administration of the Plan. Vanguard Fiduciary Trust Company ("Vanguard") served as trustee of the Plan ("trustee"). On December 22, 2024, the Plan initiated a transfer of the Plan's assets, including notes receivable from participants, from Vanguard to Charles Schwab Trust Bank ("Schwab"). As of December 31, 2024 and January 1, 2025, the asset transfer was pending, therefore, the Plan recorded a due from broker in the amount of \$236,567,151. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may elect to contribute from 2% to 75% of pretax annual compensation, as defined in the plan document, subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make Roth after-tax contributions and may contribute amounts representing distributions from other qualified defined benefit and defined contribution plans. The Firm matches 25% of the first 4% of base compensation that a participating employee contributes to the Plan. Partner Participants are not entitled to receive matching contributions under the Plan.

Additionally, the Firm makes a profit-sharing contribution to the Plan from current or accumulated net profits. For participants hired prior to October 1, 2009 (other than Partner Participants and those classified as Associates hired prior to October 1, 2005), the profit-sharing contributions are calculated as 5% of qualified wages below the maximum social security wage base, plus 10% of wages in excess of the social security wage base. For participants hired after September 30, 2009 (other than Partner Participants), profit-sharing contributions are calculated as 5% of total qualified wages. Associates hired on or after October 1, 2005 are not entitled to profit-sharing contributions. Profit-sharing contributions for Partner Participants and the Chief Operating Officer of the Firm are determined under a separate allocation formula defined in the plan document. Contributions are subject to certain limitations.

Savings and Self Employed Retirement Plan B
Notes to Financial Statements
January 1, 2025 and December 31, 2024

Investment Options

Participants direct the investment of their accounts into various investment options. Prior to the transfer of assets from Vanguard to Schwab, the Plan offered various mutual funds and common collective trusts as investment options for participants. In addition, in accordance with the Plan document, participants could utilize an individual self-directed brokerage option to invest in a variety of securities including stocks, bonds, mutual funds, certificates of deposit, money market funds, other debt instruments, and cash and cash equivalents.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Firm's matching and profit-sharing contributions, Plan earnings (losses) and charged with benefit payments, transaction fees related to notes receivable from participants and benefit payments, and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Firm's matching contributions plus actual earnings thereon. Participants become fully vested in profit-sharing contributions plus actual earnings thereon upon completion of three years of service, attainment of normal retirement age, disability, death while in service, or termination of the Plan by the Firm, whichever occurs first.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. At January 1, 2025, there were no outstanding notes receivable from participants. Principal and interest are paid ratably over a period not to exceed five years.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or various installment options as provided by the Plan. Prior to termination of service, amounts contributed on a before-tax basis may only be withdrawn upon demonstration of financial hardship or after the participant reaches the age of 59½ years.

Forfeitures

Forfeited non-vested accounts can be used to reduce future employer contributions or to pay Plan administrative expenses. There were no significant unused forfeited non-vested accounts at January 1, 2025 and December 31, 2024. No forfeitures were used on January 1, 2025.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Firm has evaluated the effects subsequent events would have on the financial statements through November 17, 2025, which is the date the financial statements were available to be issued.

Note 3. Tax Status

The Internal Revenue Service has determined and informed the Firm by letter dated February 24, 2017 that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Contingencies and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
