## Independent Auditors' Report

Plan Administrator  
The Blommer Chocolate Company Employees'  
Profit-Sharing and 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of May 25, 2025 and May 26, 2024, and the related statement of changes in net assets available for benefits for the year ended May 25, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of May 25, 2025 and May 26, 2024, and for the year ended May 25, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of May 25, 2025 and schedule of delinquent participant contributions for the year ended May 25, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **THE BLOMMER CHOCOLATE COMPANY EMPLOYEES' PROFIT-SHARING AND 401(k) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

### **1. Description of the Plan**

The following description of The Blommer Chocolate Company Employees' Profit-Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General:**

The Plan, which is a defined-contribution plan, was established in 1943 to provide profit-sharing benefits to the employees of The Blommer Chocolate Company and its subsidiaries. Effective April 29, 2025, the Plan Sponsor name was changed to The Blommer Chocolate Company, LLC, and its subsidiaries (the Company). It is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Plan elected a 52 to 53-week year as the annual period. The Plan year varies from 52 to 53 weeks and the Plan year ends on the last Sunday in May each year.

#### **Eligibility:**

All employees who have completed 60 continuous days of employment are automatically enrolled into the Plan on the following day they meet the eligibility requirements. Employees are eligible for discretionary employer matching, nonelective profit-sharing and safe harbor match contributions once they have completed 1,000 hours of service. Leased employees, employees under a collective bargaining agreement, non-resident aliens who do not have United States sourced income, employees classified as seasonal or temporary employees and seconded employees from Japan, and employees who are residents of Puerto Rico are not eligible to participate in the Plan.

#### **Contributions:**

The Company allows employee pre-tax contributions, employee rollover contributions, employer safe harbor contributions and employer discretionary matching and profit-sharing contributions to the Plan. Contributions are subject to certain statutory limitations. Employee contributions are limited to 75% of a participant's compensation. Effective January 1, 2024, employee Roth contributions are allowed in the Plan.

Discretionary matching and profit-sharing contributions are determined each year by the Company's Board of Directors. There were no discretionary matching or profit-sharing contributions for the year ended May 25, 2025.

The Plan includes a safe harbor employer match equal to 3% of an eligible participant's compensation.

EMPLOYEES' PROFIT-SHARING AND  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**1. Description of the Plan (continued)**

**Participant accounts:**

Each participant's account is credited with the participant's contribution and an allocation of the employer's contribution, administrative expenses, Plan earnings and forfeitures of terminated participants' nonvested balances. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants self-direct their contributions and their share of the Company's contribution among various investment options offered by the Plan.

**Investment options:**

Participants in the Plan have the right to direct that their contributions and the employer's contributions be invested in various investment options.

**Participant loans:**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of the loan shall be 60 months or less, unless the loan is for the purchase of a primary residence (which expands the loan term of up to 180 months). Only two loans are allowable at any time for each participant. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions.

**Payment of benefits:**

A participant becomes entitled to benefits under the Plan upon normal retirement at age 59 ½, disability leading to termination, death or resignation from the Company. Upon retirement, disability or death prior to termination, a participant is entitled to receive the full amount in his account. Upon termination or resignation, the participant is entitled to receive the vested portion of his account balance. The Plan allows partial distributions to terminated participants and beneficiaries.

The Plan allows for in-service distributions as follows:

Pre-tax salary deferrals – The participant has a hardship distribution at any time.

Rollover contributions – At any time.

After-tax contributions – At any time.

### **2. Summary of significant accounting policies**

#### **Basis of accounting:**

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

#### **Investment valuation and income recognition:**

Investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

**THE BLOMMER CHOCOLATE COMPANY  
EMPLOYEES' PROFIT-SHARING AND  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**2. Summary of significant accounting policies (continued)**

**Investment valuation and income recognition: (continued)**

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes receivable from participants:**

As described in Note 1, the Plan allows for participants to borrow against their vested account balance and the loans are secured by the participant's account balance. Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Participant loans are repaid ratably through regular payroll deductions and loan defaults are treated as distributions.

**Contributions:**

Participant's contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

**Payment of benefits:**

Benefits are recorded when paid.

**Administrative expenses:**

Certain expenses of administering the Plan are paid by the participants. Other administrative expenses are paid by the Company.

**Use of estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Accordingly, actual results could differ from those estimates.

401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**2. Summary of significant accounting policies (continued)**

**Subsequent events:**

The Plan Administrator has reviewed and evaluated subsequent events through October 29, 2025, the date the financial statements were available to be issued.

**3. Tax status**

The Plan is exempt from federal income taxes under Section 401(k) of the Internal Revenue Code (the Code).

The Internal Revenue Service has determined and informed the Company, by a favorable determination letter dated August 19, 2020, that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receipt of the determination letter, the Plan Administrator is not aware of any activity or transactions that may adversely affect the qualified status of the Plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the Code.

**4. Investments prepared and certified by T. Rowe Price Trust Company (the Trustee)**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by T. Rowe Price Trust Company (the Trustee) as of May 25, 2025 and May 26, 2024 and for the year ended May 25, 2025.

The Trustee certified the fair value of investments of \$99,681,918 and \$104,367,246 at May 25, 2025 and May 26, 2024, respectively. Notes receivable from participants of \$1,663,863 and \$2,049,227 were also certified by the Trustee at May 25, 2025 and May 26, 2024, respectively. The interest rates on notes receivables from participants ranged from 4.25% to 9.50% as of May 25, 2025 and May 26, 2024.

For the year ended May 25, 2025, the Plan's investments (including gains and losses on investments bought, sold and held during the year) appreciated in value in the amount of \$5,794,105, as certified by the Trustee. Dividend income was \$1,298,574 for the year ended May 25, 2025, as certified by the Trustee. Interest income on notes receivable from participants was \$136,283 for the year ended May 25, 2025, as certified by the Trustee.

**THE BLOMMER CHOCOLATE COMPANY  
EMPLOYEES' PROFIT-SHARING AND  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**5. Fair value measurements**

The Plan defines fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

---

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

---

Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul>
---------	---

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

---

Level 3	Inputs that are unobservable inputs for the asset or liability.
---------	---

---

**THE BLOMMER CHOCOLATE COMPANY  
EMPLOYEES' PROFIT-SHARING AND  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**5. Fair value measurements (continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 25, 2025 or May 26, 2024.

*Mutual funds:* Valued at market value of shares held by the Plan at year-end.

*Common collective trust funds - T Rowe Price Stable Value Fund:* Valued at the NAV of the units held by the Plan. NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

*Common collective trust funds - T Rowe Price Retirement Trusts:* Valued at the NAV of the units held by the Plan. NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**5. Fair value measurements (continued)**

Investments at fair value as of May 25, 2025:

May 25, 2025	Level 1	Total

<b>Common collective trust funds - T Rowe Price Stable Value Fund measured at NAV*</b>		6,692,538
<b>Total investments at fair value</b>		<b>\$ 99,681,918</b>

Investments at fair value as of May 26, 2024:

May 26, 2024	Level 1	Total
<b>Mutual funds</b>	\$ 25,003,584	\$ 25,003,584

<b>Common collective trust funds - T Rowe Price Stable Value Fund measured at NAV*</b>		8,409,899
<b>Total investments at fair value</b>		<b>\$ 104,367,246</b>

\*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**5. Fair value measurements (continued)**

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of May 25, 2025 and May 26, 2024:

Investment	2025	2024	Unfunded commitment	Redemption frequency	Redemption notice period
Common collective trust funds	\$ 75,371,151	\$ 79,363,662	N/A	Daily	None

**6. Termination**

Although it has not expressed any intent to do so, the Company reserves the right to discontinue contributions and to terminate the Plan at any time. Upon termination of the Plan, all employees not experiencing a break in service shall become fully vested.

**7. Party-in-interest transactions**

Certain Plan investments are shares of funds managed by T. Rowe Price Trust Company, the Trustee. Therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$100,187 of administrative expenses to T. Rowe Price Trust Company for the year ended May 25, 2025. Plan consulting fees of \$54,545 for the year ended May 25, 2025 were paid to a third party consultant.

**8. Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

**9. Partial Plan termination**

During the year ended May 26, 2024, there was a partial Plan termination. Affected participants became 100% vested in employer matching contributions.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**10. Prohibited transactions**

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions and loan repayments to the Plan from its general assets as soon as practicable. The Plan has contributions totaling \$965,617, all of which represented employee salary deferrals and loan repayments, that were not remitted timely. These contributions are considered prohibited transactions.

The Company will calculate lost investment earnings and file Form 5330, as applicable, and expects to compensate the Plan for the lost earnings in Plan year 2026.
