INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
FDH Infrastructure Services, LLC 401(k) Plan
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of FDH Infrastructure Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits – liquidation basis as of April 15, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period ended April 15, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FDH Infrastructure Services, LLC 401(k) Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of April 15, 2025 and December 31, 2024, and for the period ended April 15, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FDH Infrastructure Services, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of FDH Infrastructure Services, LLC 401(k) Plan approved a plan of liquidation on December 9, 2024, and the Plan was fully liquidated as of April 15, 2025. As a result, the Plan has used the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FDH Infrastructure Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

FDH INFRASTRUCTURE SERVICES, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
April 15, 2025 and December 31, 2024

1. Description of Plan

The following description of FDH Infrastructure Services, LLC 401(k) Plan (the "Plan") provides only general information for the Plan sponsored by FDH Infrastructure Services, LLC (the "Company"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on November 1, 1999 as a defined contribution plan. Every permanent employee of the Company will become eligible to participate in the Plan on the same date that eligibility requirements are met. There is no minimum age requirement to participate in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Assets of the Plan are held by the plan trustee selected by the plan sponsor. The Company acts as plan sponsor.

On December 9, 2024, the Plan Trustees approved a plan of liquidation of the Plan and contributions ceased effective February 7, 2025. The Plan was fully liquidated and the Plan terminated effective April 15, 2025.

Contributions

Participants may contribute up to 100% of their pre-tax or after-tax annual compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). Employees are automatically enrolled in the Plan at a deferral of 3% of their compensation, unless they opt out of participating or select a different deferral election. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective July 1, 2024, the Plan was amended to adopt automatic deferral increases, at the rate of 1% per year up to a maximum of 10% of compensation.

The Company contributes 100% of the participant's elective deferrals that do not exceed 3% of compensation. Additionally, the plan sponsor may elect to contribute a discretionary amount determined by the board of directors based upon the terms of the Plan (a participant must be employed by the Company on December 31 to receive the discretionary amount). There were no discretionary employer contributions for the period ended April 15, 2025. The Plan also permits rollover contributions from other qualifying retirement plans.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of plan earnings and administrative expenses. Allocations are based on the participant's compensation, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (Continued)

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan. Vesting in the Company's matching and discretionary contribution portion of their accounts is based on years of credited service. Participants are fully vested after completing three years of credited service. Effective July 1, 2024, the Plan was amended to remove the vesting schedule whereby all participants, including terminated participants, are immediately vested in matching and discretionary contributions.

Forfeitures

At April 15, 2025, there were no forfeited non-vested accounts. Forfeited accounts may be used to pay administrative expenses or reduce the employer matching contributions, as permitted by the Plan's provisions. During the period ended April 15, 2025, the Plan used \$4,723 of forfeited accounts to pay administrative expenses and to reduce employer matching contributions.

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. Participants who terminate their employment will receive their vested account balance as a lump-sum payment. Participants are also eligible to take in-service withdrawals once they attain age 59 ½. Effective January 1, 2024, the Plan was amended to increase the minimum cash-out balance to \$7,000.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their vested contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of (1) 50% of participant's vested account or (2) \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. Participants may have one loan outstanding at a time. The loans are generally payable over a period of up to five years, except for loans associated with the purchase of a principal residence. The notes are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1% (8.50% at April 15, 2025) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants were \$0 and \$80,030 as of April 15, 2025 and December 31, 2024, respectively.

2. Significant Accounting Policies

Basis of Accounting

On December 9, 2024, the Plan Trustees approved a plan of liquidation, and the Plan was fully liquidated by April 15, 2025. As a result, the Plan changed its basis of accounting to the liquidation basis used in presenting the financial statements.

Use of Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are comprised of a fully benefit-responsive investment contract and mutual funds. The Plan's investments are stated at fair value except for its fully benefit-responsive investment contract, which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant account based on participant holdings in each fund.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Plan Expenses

Certain plan expenses are paid by the Company as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participants' account.

NOTES TO FINANCIAL STATEMENTS
April 15, 2025 and December 31, 2024

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated November 14, 2022, in which the IRS stated that the plan document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The liquidation basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of April 15, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in process.

4. Plan Termination

During 2024, there was a reduction in the Company's workforce that resulted in a partial plan termination. As a result, all affected participants became 100% vested in the employer portion of their accounts. Effective January 2, 2025, the Plan Trustees approved a plan of liquidation whereby contributions ceased effective February 7, 2025 and the Plan was fully liquidated and terminated effective April 15, 2025.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements was obtained or derived from information certified as complete and accurate by Empower Trust Company, LLC ("Empower"), the trustee of the Plan, and was not subject to audit for the period ended April 15, 2025 and the year ended December 31, 2024:

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
<u>April 15, 2025:</u>		
Mutual Funds	\$	\$
Investments at Fair Value	\$	\$
 <u>December 31, 2024:</u>		
Mutual Funds	\$ 10,627,702	\$ 10,627,702
Investments at Fair Value	\$ 10,627,702	\$ 10,627,702

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

- Level 2 Inputs are based on significant other observable inputs such as:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

NOTES TO FINANCIAL STATEMENTS
April 15, 2025 and December 31, 2024

7. Party-in-Interest Transactions

Plan investments are managed by Empower, the trustee as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to the trustee and other parties-in-interest for investment management services and other administrative services amounted to \$61,506 for the period ended April 15, 2025. The Plan also held notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

8. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through November 10, 2025, which is the date the financial statements were available to be issued.
