INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Participants
Milton Ruben Chevrolet, Inc. Group Medical Plan
Augusta, Georgia

Opinion

We have audited the financial statements of Milton Ruben Chevrolet, Inc. Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of benefit obligations and net assets available for benefits as of June 30, 2024, the related statement of changes in benefit obligations and net assets available for benefits for year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of as of June 30, 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

MILTON RUBEN CHEVROLET, INC. GROUP MEDICAL PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Milton Ruben Chevrolet, Inc. Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The plan was formed on July 1, 2023, to provide benefits to eligible employees of Milton Ruben Chevrolet, Inc. (the Company), as defined, and covered dependents. Certain plan assets are held in a trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

In addition to deductibles and co-payments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The company contributions, after consideration of contributions by participants, are intended to fund plan obligations, participant benefits, and certain administrative costs of the Plan. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Benefits

The Plan provides for medical and prescription drug benefits for eligible members and their dependents where applicable on a self-insured basis, as specified in the plan document. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The claims for self-insured benefits are processed by the Plan's third-party claims processor under an administrative service only (ASO) agreement. The claims processor pays the claims directly to or on behalf of participants and are reimbursed by the Plan's trust and the Company. Ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, remaining assets will be applied in a uniform and non-discriminatory manner toward the payment of benefits for or on account of the participants. No assets of the Plan may revert back to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Payment of Benefits

Claim payments to participants are recorded when payment is made by the Plan or when the third-party claims processor is reimbursed by the Plan. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as claims payable in the accompanying statements of benefit obligations and net assets available for benefits. Premiums paid by the trust are recorded as administrative expenses in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Stop-Loss Insurance

Premiums for stop-loss insurance are included in employer contributions in the accompanying statement of changes in benefit obligations and net assets available for benefits. Stop-loss refunds of approximately \$321,305 for the year ended June 30, 2024, have been included in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Benefit Obligations

Benefit obligations at June 30, 2024, for claims incurred but not reported are estimated by the Plan's management based on claims data provided by the Plan's third-party claims processor. These amounts are paid by the Plan only if claims are submitted and approved for payment.

NOTE 3 – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist of fees paid to a third-party for claims processing and stop-loss insurance premiums. These expenses are reported on the accompanying statement of changes in benefit obligations and net assets available for benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan and are excluded from the financial statements.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan administrative expenses described in Note 1 and Note 3 are paid to parties-in-interest. During 2024, there were no prohibited transactions concerning parties-in-interest.

NOTE 5 – INCOME TAX STATUS AND UNCERTAIN TAX POSITIONS

The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan has not received a determination letter from the Internal Revenue Service.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of ASC Topic 740, Income Taxes. The plan administrator has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax year ended June 30, 2024 (year of inception), the year that remains subject to examination by major tax jurisdictions as of June 30, 2024.

NOTE 6 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to June 30, 2024, through February 12, 2025, (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements.
