INDEPENDENT ACCOUNTANTS' REPORT

To the Participants and Trustees of
Local 33 Safety Professionals of America
Annuity Fund

Opinion

We have audited the financial statements of Local 33 Safety Professionals of America Annuity Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Local 33 Safety Professionals of America Annuity Fund as of June 30, 2025, and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibility under those standards is further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of Local 33 Safety Professionals of America Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 33 Safety Professionals of America- Annuity Fund's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for the maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local 33 Safety Professionals of America Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 33 Safety Professionals of America Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ANNUITY FUND NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. The accompanying financial statements are prepared on the accrual basis of accounting.
- b. In accordance with the collective bargaining agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Employer contributions receivable are estimated based on collections received the following year end which are applicable to the current year. Management contracts for the performance of audits of contributing employer compensation records to verify compliance with the employers' obligations to make required contributions to the Plan. Any additional employer contributions that are due to the plan based on findings of the aforementioned engagements are recorded as income in the period in which such amounts are received.
- c. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies, if any, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- d. Each participant's account is credited with employer contributions and allocations of forfeitures and share of net investment income less an administrative charge (if any) .
- e. Benefits are recorded when paid.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan booklet for a more complete description of the Plan's provisions.

- a. General. The Fund is a defined contribution annuity plan and was established on July 1, 2015 as a result of collective bargaining agreements with participating independent contractors to provide annuity benefits for eligible participants. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.
- b. Contributions. The Fund is financed entirely by employer contributions as specified in the collective bargaining agreements.
- c. Participant Accounts. Individual account balances are maintained for all participants. Vesting is 100% in the account balance. Each account is credited with employer's contributions, forfeitures and share of net investment income less an administrative charge.
- d. Benefits. A participant who becomes eligible for benefits may elect to receive these benefits either in a lump sum or in 10 annual payments provided the joint and survivor benefit has been waived by the spouse.

NOTE 3 - PRIORITIES UPON TERMINATION

It is the intent of the trustees to continue the Plan in full force and effect. However, in the event of termination, the assets then remaining, after providing for the expenses of the Plan and for the payment of any accumulated shares theretofore approved, shall be distributed among the participants. Each participant shall receive that part of the total remaining assets in the same ratio as his accumulated share bears to the aggregate amount of the accumulated shares of all participants. (See NOTE 6 for subsequent event)

NOTE 4 - TAX STATUS

The Internal Revenue Service has advised that the Fund qualifies under Section 401(a) of the Internal Revenue Code and is, therefore, exempt from federal income taxes under the provisions of Section 501(a). Once qualified, the Fund is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Fund is not aware of any action or event that has occurred that might affect its status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2025, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – RISKS AND UNCERTAINTIES

Concentrations of credit risk with respect to contributions receivable are limited due to the large number of participants. The Plan routinely assesses the financial strength of its participants and, consequently, believes that their contributions receivable credit risk exposure is limited. Management does not believe significant risk exists in connection with the Plan's concentrations of credit at June 30, 2025 and 2024.

The Plan maintains cash balances at banks in the New York metropolitan area. Cash accounts at banks are insured by the Federal Deposit Insurance Corporation subject to certain limits. The Plan has not experienced any losses in such accounts.

NOTE 6 – SUBSEQUENT EVENTS

In accordance with FASB Accounting Standards Codification Topic 855, Subsequent Events, the Fund has evaluated events and transactions that occurred after the balance sheet date for potential recognition and disclosure through November 17, 2025, which is the date these financial statements were available to be issued.

**ANNUITY FUND
NOTES TO FINANCIAL STATEMENTS**

JUNE 30, 2025

NOTE 6 – SUBSEQUENT EVENTS (continued)

Subsequent to the date these financial statements were available to be issued, the trustees decided to terminate the Plan. The remaining assets after providing for expenses were distributed among the participants in the ratio as their accumulated share bore to the aggregate amount of the accumulated shares of all participants.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For financial statement purposes, investment expenses are reported as a reduction of investment income. The reporting requirements of the Department of Labor require these fees be shown as administrative expenses. There were no reclassifications required in the current year.

NOTE 8 – EMPLOYER CONTRIBUTIONS

In accordance with collective bargaining agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Payroll examinations are performed on a rotating basis to verify that proper contributions are being made.
