**403(b) Thrift Plan for
Goddard Riverside Community Center**

Financial Statements
(Modified Cash Basis)

December 31, 2023

Independent Auditors' Report

**The Board of Directors of
403(b) Thrift Plan for
Goddard Riverside Community Center**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for Goddard Riverside Community Center (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions (modified cash basis) for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules (modified cash basis) related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the 403(b) Thrift Plan for Goddard Riverside Community Center (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Goddard-Riverside Community Center (the "Center" or "Employer"). An employee is eligible for participation in the Plan upon their date of hire. In addition, the Center merged with the Stanley M. Isaacs Neighborhood Center ("SINC") in 2022. As a result, all eligible employees of SINC were able to join the Plan on July 1, 2022 and prior service with SINC shall be counted towards and service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to complete a salary reduction agreement and an enrollment form. The salary reduction agreement between the employee and employer states the percentage or specific dollar amount of eligible compensation that will be contributed to the Plan each pay period. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Center. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC").

The Employer may contribute a percentage of a participant's eligible compensation that is capped at 6% for those within the Plan who are eligible for the employer discretionary base contribution. Effective July 1, 2022 the employer discretionary base contribution was extended to include eligible SINC employees. Upon obtaining 21 years of age and completing one year of service (i.e., 1,000 hours of service) and are active participants on December 31 of the Plan year, a participant is eligible to receive an Employer discretionary base contributions. All Employer contributions are at the discretion of the Board of Directors. For the 2022 plan year, non-elective contributions of \$346,472 were made to the Plan in October 2023. The nonelective contributions for the 2023 plan year, \$429,880, were made to the Plan in October 2024.

1. Description of Plan (*continued*)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service in accordance to the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
0-1	0%
2	25%
3	50%
4	75%
5 or more	100%

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions, and allocations of the Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. All investments are participant directed.

Payment of Benefits

Upon retirement, termination of employment, death, permanent disability or attainment of age 59 ½, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan Document.

Forfeitures

Forfeited amounts can be used by the Plan to pay certain Plan expenses and the Center's contributions. Unallocated forfeited non-vested accounts totaled \$33,645 and \$3,528 at December 31, 2023 and 2022. During 2023, no forfeitures were used to reduce the Center's contributions or pay Plan expenses.

Loans to Participants/Collateralized Assets

The Plan offers a loan feature whereby a participant (borrower) enrolled in the Plan may borrow a minimum of \$1,000 up to a maximum of 50% of his/her vested balance or \$50,000 (whichever is less). Loans to the participant are made directly from Mutual of America Life Insurance Company. The participant's account is not reduced by the loan amount, but serves as security for the loan, the loan amount is moved into a fixed income collateral account within the borrower's account. The loan must be repaid directly to Mutual of America Life Insurance Company within a five-year period in substantially equal payments (not less frequently than quarterly). The five-year repayment period will not apply to a loan that is used to acquire a principal residence of the borrower. Participants may only have two outstanding loans at any time.

1. Description of Plan (*continued*)

Loans to Participants/Collateralized Assets (continued)

If a borrower defaults on a loan, the value of his accounts pledged as collateral for that loan shall be reduced by his outstanding loan balance plus interest. However, this reduction shall not occur before the earliest date that the borrower is entitled to a distribution from the Plan.

At December 31, 2023 and 2022, total principal balances due amounted to \$109,868 and \$96,112, which also represents a collateralization of participant accounts. Of these loan balances, there was 1 in default amounting to \$3,403 as of December 31, 2023 and 2022. At December 31, 2023, the interest rates on these loans ranged from 4.60% to 5.85% with maturities through 2029. At December 31, 2022, the interest rates on these loans ranged from 3.25% to 4.21% with maturities through 2027.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income is recognized when received and disbursements are recognized when made, investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

Although the Plan's financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. GAAP, the Plan follows U.S. GAAP guidance on Fair Value Measurements for disclosure purposes. That guidance defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Investments in separate accounts are valued based on the fair value of the underlying assets as determined by the insurance company and reported to the Plan. The investment in the insurance company general account is reported at fair value, which is based on the value as reported by the insurance company. Fair value represents contributions made under the contract, plus interest credited, less benefits paid and expenses. Because the investment is not actively traded and relies on valuation inputs provided by the insurance company, it is considered an estimate of fair value.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Reclassifications

Certain amounts in the 2022 financial statements have been reclassified to conform to the 2023 presentation. Such reclassifications had no impact on the Plan's net assets or changes in net assets.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 30, 2025.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements (modified cash basis) and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year)(modified cash basis), including investments at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company ("MOA"), a qualified institution.

5. Insurance Company General Account

Amounts placed in the Mutual of America Interest Accumulation Account are credited with interest at a rate determined by Mutual of America. Mutual of America guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate of at least equal to the greater of: (1) any contractual minimum guarantee provided by the contract; or (2) the minimum rate required by applicable state law or, if no state law minimum rate is applicable to a contract, the minimum guaranteed credited interest rate will be set pursuant to National Association of Insurance Commissioners ("NAIC") standard non-forfeiture law. The NAIC minimum rate is determined in accordance with a formula, and cannot be less than 1.00% or more than 3.00%. Mutual of America determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year.

The Mutual of America Interest Accumulation Account is not a fully benefit-responsive investment contract and may be subject to withdrawal or transfer restrictions under certain plan or contract provisions.

The interest rate under that contract will not go below that amount regardless of the minimum rate that is set for a calendar year. In Mutual of America's sole discretion, they may credit a higher rate of interest to a participant's contract in the general account, although they are not obligated to credit interest in excess of the minimum guaranteed rate. Mutual of America compounds interest daily on the contract amounts in the general account to produce an effective annual yield that is equal to the stated interest rate.

The Mutual of America Interest Accumulation Account represents approximately 25% and 28% of the net assets available for benefits as of December 31, 2023 and 2022.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon such termination, participants would become 100% vested in their Employer contributions.

**403(b) Thrift Plan for
Goddard Riverside Community Center**

Notes to Financial Statements (Modified Cash Basis)
December 31, 2023

7. Tax Status

The Center has adopted a restated plan document effective January 1, 2018 which is intended to satisfy the Internal Revenue Service's ("IRS") final 403(b) regulations. The Plan has since been amended, however, the Center believes that the Plan, as amended, is designed and currently being operated in accordance with applicable sections of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Exempt Party-in-Interest Transactions

All investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

9. Prohibited Transactions

For the 2023 and 2022 plan year, the Center failed to remit to the Plan certain participants' contributions within the period prescribed by the Department of Labor plan asset regulations. Delays in remitting the contributions to the Plan were due to administrative issues. In 2024, the Employer has processed the necessary corrections for the 2022 Plan year to satisfy both the Department of Labor and IRS guidance for this matter. For the amounts relating to the 2023 plan year, lost earnings will be calculated and contributed to the Plan by the Employer. This amount will be allocated to the affected participants once the correction process is complete.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
