Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ARMANINO LLP**

(2) EIN: **33-2514127**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee
First Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of First Bank 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First Bank 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of First Bank 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Bank 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Bank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Bank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2024 (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of the First Bank 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan, a defined contribution plan sponsored by First Bank (the "Company", "Plan Sponsor", or "Employer"), was established effective April 4, 1994 and restated effective June 7, 2023. Employees who are age 21 or older are eligible to participate in the Plan, except collective bargaining (union) employees, residents of Puerto Rico, those classified as agricultural employees, and part time/temp/seasonal employees regularly scheduled under 1,000 hours of service in a year. Employees are eligible to enter the Plan the first day of each month following meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is designed to qualify under the applicable provisions of the Internal Revenue Code ("IRC") to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination of employment, or financial hardship. The Plan covers all employees of the Company who meet certain eligibility requirements. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, related to participants loans and distributions. The Company has until December 31, 2026, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until December 31, 2026, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, the "Custodian") are responsible for the custody and management of the Plan's assets. An affiliate of the Custodian is responsible for maintaining participant accounts and transactions related to participant initiated activity.

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participants are allowed to make elective pre-tax or Roth contributions to the Plan of not more than 100% of their annual eligible Plan compensation, as defined, subject to limitation under the IRC. The terms of any such salary deferral agreement shall provide that the participant agrees to accept a deferral in eligible compensation from the Company. Rollover contributions from other qualified plans are also permitted. The Plan also allows eligible participants, who have attained the age 50 prior to the end of the plan year, to make additional catch up contributions.

The Plan has an automatic salary deferral feature whereby all newly eligible employees are automatically enrolled at 3% of eligible compensation. The Plan also has an auto escalation feature. All auto enrolled participants' deferral percentages will automatically be increased by 1% annually up to a maximum of 6%. Participants may opt out of this auto escalation at any time.

The Plan has elected to be a Qualified Automatic Contribution Arrangement ("QACA") safe harbor plan. Participants will be matched at 100% of the participant's elective deferrals that do not exceed 4%.

The Company may contribute additional profit-sharing amounts at the discretion of the Company's Board of Directors. The Company made no discretionary contributions during the years ended December 31, 2024 and 2023. Contributions are subject to certain limitations as defined by the IRC.

Participant investment account options

Investment account options available include various mutual funds, a collective investment fund, and a group annuity contract. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Forfeited accounts

Non-vested balances of participants' accounts may be subject to forfeiture upon termination of their employment with the Company. A forfeiture occurs in the Plan year in which the participant either receives a distribution of their vested account or has five consecutive one-year breaks in service, as defined by the Plan. Forfeitures of non-vested balances may be used to reduce Employer contributions or pay plan expenses. At December 31, 2024 and 2023, remaining forfeitures to be used in future periods were \$459,049 and \$159,492, respectively. For the years ending December 31, 2024 and 2023, \$14,551 and \$138,078, of forfeitures were used to reduce employer contributions, respectively.

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts

Each participant's account is credited with the participant's deferral contribution, rollovers, the Company's matching and discretionary contributions, and an allocation of Plan earnings and gains, as defined. Participant accounts are charged with any withdrawals or distributions, allocation of Plan losses as defined, and an allocation of administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions, plus or minus actual earnings or losses thereon. Vesting in Company contributions is based on years of service, as defined in the Plan. Company QACA Safe Harbor contributions are subject to a two year cliff vesting schedule, as defined in the Plan. A participant leaving the Company for a reason other than death, disability or attainment of age 65 will be vested in discretionary nonelective and matching Company contributions based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than three years	0 %
Three years or more	100 %

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, disability, or death, as defined by the Plan. Under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Balances less than or equal to \$7,000 upon termination will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a distribution. If the account balance is over \$7,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or postpone payment to a later date and remain in the Plan as described in the plan document.

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant is not allowed to have more than two outstanding loans at any given time. All loans are covered by demand notes and are repayable over a period not to exceed five years (the Plan Administrator may fix the term for repayment of a home loan for a period exceeding five years) through payroll withholdings unless the participant is paying the loan in full or has separated from the Company. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, which is commensurate with local prevailing rates as determined by the Plan Administrator. Notes receivable outstanding at December 31, 2024, bear interest at rates ranging from 4.25% to 10.25% with varying maturities through November 2048.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net realized and unrealized appreciation in fair value of investments on the statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates in financial statement preparation

The preparation of financial statements in conformity with U.S GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally receive if they were to initiate permitted transactions under the terms of the Plan. See Note 6 for discussion of the Plan's fully benefit-responsive investment contract.

Notes receivable from participants

Notes receivable are carried and presented at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make repayments and the plan administrator deems the participant note to be a distribution, the note receivable balance is reduced, and a benefit payment is recorded.

Contributions

Contributions from participants are recorded based on the date the contributions have been separated from the participant's pay by the Company, which is the pay date. The Company's matching safe harbor contributions and discretionary contributions, are recorded in the year they are earned and to coincide with the year in which the Company records the contributions in its general ledger. Rollovers are recognized when received by the Custodian.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through November 21, 2025, the date the financial statements are available to be issued.

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

3. INFORMATION PREPARED AND CERTIFICATIONS BY PLAN CUSTODIANS (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodians, Empower Retirement LLC, ("Empower") as of and for the year ended December 31, 2024 for the period from June 8, 2023 to December 31, 2023, and Reliance Trust Company ("Reliance") for the period from January 1, 2023 to June 7, 2023, determined to be qualified institutions by the plan administrator, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2024.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the information included in the Plan's financial statements and supplemental schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

4. FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Valuation is generated from model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment fund – Valued at the NAV of units of a bank collective trust held by the Plan at year end (see Note 5). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 176,719,015</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 176,719,015</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 167,650,780</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 167,650,780</u>

Investments measured at net asset value as a practical expedient (a)

13,345,288
\$ 180,996,068

(a) In accordance with FASB subtopic 820-10, Fair Value Measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following tables summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. There are no investments for which fair value is measured using net asset value per share practical expedient as of December 31, 2024.

December 31, 2023:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment fund	\$ 13,345,288	None	Immediate	12 months

First Bank 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the Guaranteed Investment Contract at December 31, 2024 and 2023, was \$11,965,271 and \$637,294 respectively.

The guaranteed investment contract is designed to accrue interest based on a crediting rate established by the contract issuer. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not have a scheduled maturity date. The guaranteed investment contract can be terminated by either party, 75 days after communication is received by either party.

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- Premature termination of the contract.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

7. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

ERISA defines party-in-interest similar to a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation, arrangements, expense allowances or similar items.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or relatives of such persons. Fees paid to Empower in 2024 totaled \$25,539. Fees paid to Pentegra (former recordkeeper) totaled \$22,556 and fees paid to Empower (current recordkeeper) totaled \$11,179 in 2023.

The Plan incurs expenses related to general administration and recordkeeping. A portion of these administrative expenses relating to the Plan can be paid by the Company.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PLAN TAX STATUS

The Plan adopted the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by Empower Retirement LLC. The Internal Revenue Service has issued an opinion letter dated November 14, 2022, stating that the form of the pre-approved defined contribution plan document is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate, discontinue making contributions to, amend, or modify the Plan at any time, subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts. After deducting all charges and expenses, the balances of all individual participant accounts will be adjusted and the remaining assets distributed.
