## Independent Auditor's Report

To Plan Administrator and Those Charged with Governance  
AssuredPartners PEP  
White Plains, New York

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AssuredPartners PEP (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from the qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Information Required by ERISA**

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO FINANCIAL STATEMENTS**

### **Note 1 – Description of Plan**

The following description of AssuredPartners PEP (the Plan or the PEP) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General and eligibility

The Plan is a pooled employer plan (PEP) established and administered by AssuredPartners Investment Advisors, LLC, the Pooled Plan Provider (PPP). The PEP was established on January 1, 2022, under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). The PEP is a defined contribution profit sharing plan covering eligible employees of the Participating Employers and is intended to qualify as a PEP as described in Internal Revenue Code (IRC), Section 413(c). The PEP allows any affiliated or unaffiliated employer, as defined, to participate in the PEP. Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants, and payment of benefits.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The PPP is the Plan Administrator and is responsible for oversight of the PEP. The PEP's 3(38) is responsible for determining the appropriateness of investment offerings, and monitoring investment performance. The PEP uses Empower Annuity Insurance Company of America (EAIC), Empower Insurance & Annuity Company of New York, and Empower Trust Company, LLC, (ETC) (collectively, the Trustee), to serve as the trustee of the PEP, process and maintain the participant records and hold the PEP's investment assets.

#### Contributions

Participants may make pre-tax, Roth, and/or after-tax contributions of their eligible compensation, as defined by the PEP and Participating Employer adoption agreement, subject to applicable limits established by law. Participating Employers may elect safe harbor or non-safe harbor contribution provisions as well as compensation definitions. Under certain circumstances, eligible employees may make rollover contributions to the PEP. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants direct their contributions into various investment options offered by the PEP.

The Participating Employers in the PEP may elect automatic enrollment and escalation features. Accordingly, the Participating Employer will automatically withhold a defined percentage of an eligible participant's compensation based on the Participating Employer's adoption agreement, unless the participant affirmatively opts out.

Based on elections made in their adoption agreement, Participating Employers may elect to make matching contributions, profit-sharing contributions, safe harbor, and nonelective contributions. Participating Employers may also elect to make true-up matching contributions. Participating Employer contributions, if any, are recorded in the year for which the contributions apply. Aggregate Participating Employer contributions for the year ended December 31, 2024, amounted to \$1,725,622. Participating Employer contributions are invested in funds in accordance with the participant's direction and the PEP's provisions.

Contributions are subject to certain IRS limitations.

#### Participant accounts

Participant accounts are credited with the participant's contributions, their Participating Employer's contributions, if any, and earnings or losses thereon. Participants are charged with applicable transaction charges, and an allocation of administrative expenses that are paid by the Plan. Participants direct their contributions into various investment options offered by the PEP. Allocations are based on earnings and losses of the participant's investments or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**ASSURED PARTNERS PEP**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 1 – Description of Plan, Continued**

Vesting

Participants are immediately vested in their individual contributions, and their Participating Employer's safe harbor contributions (if any) plus, actual earnings or losses thereon. Vesting in the Participating Employer's other contributions (if any), portion plus actual earnings thereon, is based on years of credited service ranging from immediate to six years using graded or cliff vesting schedules, as elected by the Participating Employer. Participant accounts become fully vested upon reaching normal retirement age (65), death, or disability.

Forfeitures

Forfeited nonvested accounts may be used to pay Plan administrative expenses or to reduce future employer contributions. During the year ended December 31, 2024, \$18,000 of forfeited nonvested accounts were used to pay Plan administrative expenses and reduce Participating Employer contributions. As of December 31, 2024 and 2023, forfeited nonvested accounts available to be used approximated \$184,000 and \$94,000, respectively.

Notes receivable from participants

Plan participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by the balance in a participant's account and bear interest at local prevailing rates, as determined quarterly and as of the date of the loan request. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed thirty years. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Principal and interest are repaid through regular payroll deductions.

Payment of benefits

Payment of benefits can be made in a lump-sum, partial distributions, or periodic required minimum distributions based on the Participant Employer's adoption agreement. Upon separation of employment due to termination of employment, death, disability, or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or maintain their vested account balance in the PEP. Participants with vested amounts less than \$5,000 will receive a lump-sum distribution. Participants may elect to take in-service withdrawals of their vested accounts if they meet certain defined requirements, including becoming disabled, reaching early retirement age (59½), or due to heavy financial hardship, as defined. Participants, at any time, may also withdraw amounts attributable to their contributions, rollover contributions and/or any portion of their transferred balance that is available under a grandfathered withdrawal option.

Plan administration

The PPP is responsible for the management and administration of the PEP. The PEP utilizes Empower Annuity Insurance Company of America (EAIC), Empower Insurance & Annuity Company of New York, and Empower Trust Company, LLC, (ETC) (collectively, the Trustee) to hold manage and administer the PEP's investment assets.

AssuredPartners Investment Advisors, LLC is the Pooled Plan Provider (PPP). Pentegra Retirement Services (PRS), is the PEP's third-party administrator.

**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 2 – Summary of Significant Accounting Policies**

Basis of accounting

The accompanying financial statements of the PEP are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract which is recorded at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Trustee.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the PEP's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires the PEP management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Risks and uncertainties

The PEP provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the level of risk associated with certain investment securities, including the uncertainty related to changes in the value of investment securities, it is at least reasonably possible changes in such risks in the near-term would materially affect participant account balances and the amounts reported in the financial statements.

Concentrations

For the year ended December 31, 2024, two (2) Participating Employers comprised approximately 57% of total contributions. For the year ended December 31, 2024, one Participating Employer comprised 100% of transfers in from other qualified plans.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are charged directly to the borrowing participants' accounts and included as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the note receivable is reduced and a benefit payment recorded.

Payment of benefits

The Plan records benefits when paid.

**ASSURED PARTNERS PEP**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 2 – Summary of Significant Accounting Policies, Continued**

Contributions

Contributions from participants and contributions from Participating Employers are recorded in the year which participant compensation is earned.

Administrative expenses

Reasonable expenses of the PEP, including custodian, attorneys, advisors, fiduciaries, and service providers are paid by the PEP, unless otherwise paid by the PPP or the Participating Employers. Expenses that are paid by the PPP or the Participating Employers are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Uncertain tax positions

U.S. GAAP requires the PEP administrator to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, PEP management has determined it does not have any positions at December 31, 2024, that it would be unable to substantiate.

**Note 3 – Certified Investment Information**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America, Empower Insurance & Annuity Company of New York, and Empower Trust Company, LLC, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental information is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2024 and 2023;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024; and
- Investment information included in the Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2024, as shown on the ERISA-required supplemental information.

At the request of the PEP's Administrator, the PEP's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental information, including assessing whether the supplemental information is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 4 – Fair Value Measurements**

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

**ASSURED PARTNERS PEP**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 4 – Fair Value Measurements, Continued**

The three levels of the fair value hierarchy are described as follows:

|         |   |
|---------|---|
| Level 1 | Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.   |
| Level 2 | Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities. |
| Level 3 | Significant unobservable inputs.  |

A financial investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2024 and 2023. During the year ended December 31, 2024, there were no transfers of financial instruments into or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds* – are valued at the daily quoted closing price as reported by the fund. Mutual funds held by the Plan are deemed to be actively traded on national exchanges and transact at their published daily net asset value (NAV).

*Collective investment trust funds (CITs)* – valued daily at the net asset value (NAV) of units held. The NAV, as provided by the trustee of the CITs, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CIT less its liabilities. This practical expedient would not be used when it is determined to be probable that the CITs will sell for an amount different from the reported NAV. The CITs provide for daily redemptions by the Plan at reported NAV with no advance notice. There are no unfunded commitments related to these investments. These are direct filing entities.

*Pooled separate accounts* – The unit values of the pooled separate accounts are based upon significant observable inputs and are based upon quoted market prices of underlying assets in the active market and are therefore considered Level 2 investments within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the PEP believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

\*Certain investments that were measured at NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to line item presented in the statement of net assets available for benefits.

**Note 5 – Fixed Annuity Contract with Insurance Company**

The PEP invests in a fully benefit-responsive investment contract through a fixed annuity contract issued by EAIC (the issuer), with a contract value of \$628,316 and \$234,128, respectively, as of December 31, 2024 and 2023. EAIC maintains the contributions in a general account. The fixed account is a general account product offered through a fixed annuity contract. Participant's principal and interest are fully guaranteed by the general accounts of EAIC. The methodology for calculating the interest crediting rate is based on the earnings on the underlying investments in the entire medium-long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

EAIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The contract does not permit EAIC to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the PEP. Under the terms of the group annuity contract, participants may direct the withdrawal or transfer transactions of all or a portion of their balance in the investment option at contract value. Contract value, as reported to the PEP by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses.

The PEP's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**ASSUREDPARTNERS PEP**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 5 – Fixed Annuity Contract with Insurance Company, Continued**

Certain events limit the ability of the PEP to transact at contract value. Such events include, but may not be limited to, amendments to the PEP documents (including complete or partial plan termination or merger with another plan), changes to the PEP's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the PEP, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract.

Plan management does not believe any events are probable of occurring that might limit the ability of the Plan to transact at contract value with EAIC and that also would limit the ability of the PEP to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the PEP and settle at an amount different from contract value. Such events include an uncured violation of the PEP's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation or a material amendment to the agreement without consent of the issuer.

Based on ongoing credit evaluations of its guaranteed investment contract investments, Plan management does not expect payment defaults or delinquencies and has not recorded an allowance for credit losses for these investments as of December 31, 2024 and 2023.

**Note 6 – Related Party and Party-In-Interest Transactions**

Parties-in-interest are defined under DOL Regulations as any fiduciary of the PEP, any party rendering service to the PEP, Pooled Plan Provider (PPP), Participating Employers and certain others. The PEP's investments are managed, held, administered and/or issued by EAIC and ETC (collectively, the Trustee). Therefore, transactions with the Trustee are considered party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules under ERISA.

AssuredPartners Investment Advisors, LLC is the Plan's PPP and provides investment advisory services to the PEP under an advisory agreement and receives compensation for such services directly. For the year end December 31, 2024, the PPP received direct compensation for investment advisory services of approximately \$61,000 which is included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

The PEP contracted with PRS for third-party administrative services. The PEP compensates PRS directly for such services which is included in administrative expenses for the year ended December 31, 2024, in the accompanying statement of changes in net assets available for benefits.

**Note 7 – Plan Termination**

Although it has not expressed any intent to do so, the PPP reserves the right to terminate the PEP subject to the provisions of ERISA. In the event of PEP termination, participants will become 100% vested in the Participating Employer's contribution portion of their accounts.

**Note 8 – Plan Transfers**

In the normal course of business, the PPP adds Participating Employers, and assets from the Participating Employers qualified plans are transferred into the PEP, when administratively feasible to do so. Likewise, as Participating Employers leave the PEP and adopt different qualified plans, assets attributable to these outgoing Participating Employers are transferred out of the PEP.

**ASSURED PARTNERS PEP**  
**NOTES TO FINANCIAL STATEMENTS, CONTINUED**

**Note 9 – Tax Status**

The PEP is intended to qualify under IRC Section 401(a) and 501(a). On June 30, 2020, the IRS stated that the Non-Standardized Pre-Approved Profit-Sharing Plan adopted by the PEP, as then designed, qualifies under IRC Section 401(a) and, therefore, the related trust is tax-exempt. The PEP has not received a determination letter specific to the PEP itself. The PEP has been amended since adoption, however, the PEP Administrator and the PEP's tax counsel believe that the PEP is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the PEP's financial statements.

The PEP is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 10 – Delinquent Participant Contributions**

During 2024 and 2023, certain participant contributions and loan repayments totaling \$788,610 and \$70,999, respectively, were not remitted to the Plan within the timeframe required by the Department of Labor (DOL). The Plan's third-party administrator and Participating Employers are determining the amount of related lost earnings and are in the process of remitting lost earnings to the related participants' accounts.

**Note 11 – Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for plan benefits and changes in net assets available for benefits as shown on Form 5500 at December 31, 2024 and 2023, and for the year ended December 31, 2024, with the amounts shown in the financial statements:
