## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee  
CorpNet Incorporated 401(k) Profit Sharing Plan and Trust  
Westlake Village, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the CorpNet Incorporated 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - 2024 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Note 1 – Description of the Plan**

The following description of the CorpNet Incorporated 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of CorpNet Incorporated (Company) age 21 years or older. The Plan was originally effective January 1, 2020, and was last restated May 20, 2022. Employees whose employment is governed by a collective bargaining agreement under which retirement benefits were subject to good faith bargaining, nonresident aliens with no US source income, and Code section 410(b)(6)(C) employees are not eligible to participate in the Plan. The Plan provides participants with a salary deferral option pursuant to Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to 92% of their annual compensation, as defined in the Plan, into a pre-tax deferral account and/or an after-tax Roth account subject to the limits set by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. Newly eligible participants are automatically enrolled in the Plan at a 3% deferral rate unless they affirmatively elect not to participate in the Plan. Their contributions are invested in a designated fund until changed by the participant. Participants who are automatically enrolled also have their deferrals automatically increased by 1% annually, up to a maximum of 10% of compensation.

The Plan also allows the Company to make discretionary profit sharing contributions. To be eligible for discretionary profit sharing contribution, a participant must complete 500 hours of service during the year and be employed on the last day of the Plan year. No discretionary profit sharing contributions made during the periods presented. Contributions are subject to certain regulatory limits.

Investment Elections

Participants direct the investment of their and the Company's contributions into various investment options offered by the Plan that are designated by the Plan's Administrative Committee. Participants can change their investment elections daily.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's profit sharing contributions and Plan earnings and charged with an allocation of administrative expenses and any related transaction fees for loans and distributions. Allocations are made in a manner which recognizes each participant's account balance, investment selection and timing of contributions and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contributions is based on years of continuous service. A participant becomes partially vested after 2 year of service and is 100% vested after 6 years of credited service. A participant becomes fully vested in the entire balance of his or her account upon retirement, disability, death or termination of the Plan.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested account balances. Loans may not be made for less than \$1,000 and may not exceed the lesser of \$50,000 or 50% of a participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Participants may only have two loans outstanding at a time. Principal and interest are paid ratably through payroll deductions not to exceed 4.5 years unless the proceeds are used for the purchase of a principal residence.

Payment of Benefits

On termination of service due to any reason, participants with vested account balances of \$1,000 or less receive an automatic lump-sum distribution, unless the participant requests that it be rolled-over to an Individual Retirement Account (IRA) provider or another qualified retirement plan. Participants with vested account balances of less than \$5,000 and more than \$1,000 receive a lump sum distribution or an automatic distribution to an IRA. Participants with vested account balances of \$5,000 or more may elect to receive their benefits in any way permitted by the Plan, leave their balance in the Plan, or choose to rollover their balance into another qualified retirement plan or IRA. Participants may also take in-service distributions subject to the terms of the Plan and IRS regulations.

Forfeited Accounts

Generally, a participant's unvested portion of the Company's discretionary profit sharing contribution is forfeited upon termination of employment. Forfeitures are maintained in a separate account and can be used to pay Plan expenses or reduce Company contributions.

At December 31, 2024 and 2023 forfeited nonvested accounts totaled \$0. During the year ended December 31, 2024, no forfeitures were used.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

**Note 2 – Summary of Significant Accounting Policies, continued**

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan permits the payment of Plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or to a participant's account for transactions specifically related to that participant.

Certain investment management fees and other charges paid to the Custodian are offset against fund performance in the net appreciation in fair value of investments on the statement of changes in net assets available for benefits and are not, therefore, separately reflected as administrative expenses. Certain Plan expenses are paid directly by the Company and therefore are excluded from these financial statements.

Risks, Uncertainties, and Concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2024 approximately 32%, 22%, and 18%, respectively, of the Plan's investments were invested in the State Street Target Retirement 2060, State Street Target Retirement 2035, and State Street Target Retirement 2055 funds.

Contributions

Contributions from Plan participants and the Company, when applicable, are recorded in the year in which the employee contributions are withheld from compensation.

Subsequent Events

The Plan has evaluated subsequent events through November 19, 2025, the date the financial statements were available to be issued.

Effective July 9, 2025, the Plan was amended to allow hardship distributions.

**Note 3 – Certified Information**

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the custodian of the Plan), a qualified institution.

Notes receivable from participants as of December 31, 2024 and 2023, and the related interest income on notes receivable from participants for the year ended December 31, 2024 are not certified.

**Note 4 – Tax Status**

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated August 31, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 5 – Fair Value Measurement**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Registered Investment Companies (Mutual Funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trust (CCT):* Valued at the net asset value of units of a collective trust. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. There are no unfunded commitments or withdrawal restrictions.

In accordance with Subtopic 820-10, certain investments listed above that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### Note 6 – Related-Party and Party-in-Interest Transactions

Certain Plan investments are units of registered investment companies and a common collective trust held by Mid Atlantic Trust Company. Paychex Retirement also acts as the third-party administrator and recordkeeper of the Plan. Transactions with these entities qualify as party-in-interest transactions. Loans to participants also qualify as party-in-interest transactions.

#### Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

In consideration of the agreed premium, COLONIAL SURETY COMPANY, a Pennsylvania corporation (the "Company"), hereby agrees to indemnify the employee benefit plan(s) identified on Rider 1 attached hereto (the "Insured" or the "Insured Plan") against any loss of money or other property by reason of, and only by reason of, acts of fraud or dishonesty, directly or in connivance with others, on the part of any Employee or Employees as defined by this bond, said indemnity not to exceed the amount identified on Rider 1 attached hereto. In no event shall the obligation of the Company to indemnify the Insured under this bond be interpreted or construed to be greater than the amount specified in Rider 1 with respect to a loss sustained by the Insured as a result of an act of fraud or dishonesty or a series of related acts of fraud or dishonesty, regardless of the number of Employees whose conduct resulted in said loss. The maximum indemnity amount set forth in Rider 1 is an aggregate amount which applies per occurrence, such that if two or more Employees, acting together in a fraudulent or dishonest act or series of fraudulent or dishonest acts, cause loss to the Plan, the total amount of the indemnity to be paid under this paragraph shall not exceed the maximum amount set forth in Rider 1.

**THE FOREGOING AGREEMENT IS SUBJECT TO THE FOLLOWING CONDITIONS AND LIMITATIONS:**

**TERM OF BOND**

*Section 1:* The term of this bond begins at 12:01 A.M. on standard time after the effective date of the Company's written acceptance, at the address of the insured above given, and ends at 12:01 A.M., standard time, on the effective date of the cancellation of the bond in its entirety.

**EXCLUSION**

*Section 2:* This bond does not apply to loss, or to that part of any loss, as the case may be, the proof of which, either as to its factual existence or as to its amount, is dependent upon an inventory computation or a profit and loss computation. In addition, the bond does not apply to the defense of any legal proceedings brought against the Insured, the Employee or Employees who caused loss to the Insured, or any other person or entity, to fees, costs or expenses incurred or paid by or on behalf of the Insured Plan or employer that sponsors the Insured Plan in prosecuting or defending any legal proceedings whether or not such proceedings result or would result in a loss to the Insured Plan covered by this bond. In addition, the Company shall not be liable for any of the costs, fees and other expenses incurred by or on behalf of the Insured Plan in establishing the existence or the amount of loss covered under this bond. Moreover, this bond does not cover any loss of money or other property resulting from any cause other than one or more fraudulent or dishonest acts by an Employee or Employees.

**DISCOVERY PERIOD**

*Section 3:* Loss is covered under this bond only (a) if sustained through any act or acts committed by any Employee or Employees while this bond is in force as to such Employees, and (b) if discovered no later than one year from the end of the bond term or sooner cancellation of this bond in its entirety as provided in Section 10, or from its cancellation or termination in its entirety in any other manner, whichever shall first happen.

#### **DEFINITION OF EMPLOYEE**

*Section 4:* The words "Employee" or "Employees," as used in this bond, shall mean only those persons who handle funds or other property of the Insured, who are employed by the employer that sponsors the Insured Plan and are in the regular service of said employer, provided that said employer compensates said person by salary or wages and further provided (1) said employer has the right to govern and direct said person(s) in the performance of their services (2) said persons are engaged in such a service within any of the States of the United States of America, the District of Columbia, Guam, Puerto Rico, Northern Mariana Islands, or the United States Virgin Islands. "Employee" shall not mean or include persons not subject to the day-to-day direction of the employer that sponsors the Insured Plan, such as brokers, broker-dealers, service providers, investment managers, investment advisers, vendors or independent contractors. As used in this paragraph, persons that "handle" plan funds are intended to include those Employees, and only those Employees, (1) described in 29 C.F.R. §2580.412-6 as being deemed to handle or to be "handling" funds or other property of a plan so as to require bonding and (2) are not a person deemed exempt from the bonding requirements as described in Field Assistance Bulletin 2008-04, Q-15 and certain regulations cited therein. In no event shall the terms "handling property" or "handle property" as used in this bond be interpreted or construed as having a meaning broader than the definitions of those terms as set forth in 29 C.F.R. §2580.412-6, Field Assistance Bulletin 2008-04 (and regulations cited therein) and such subsequently issued guidance that modifies augments or restates the definitions set forth therein.

#### **FRAUDULENT OR DISHONEST ACT**

*Section 5:* A fraudulent or dishonest act of an employee shall mean an act encompassing all those risks of loss, that might arise through dishonest or fraudulent acts in handling funds as delineated in 29 C.F.R. §2580.412-6 (and such subsequently issued guidance that modifies, augments or restates the definitions set forth therein and as set forth in 29 C.F.R. § 2580.412-9).

#### **MERGER OR CONSOLIDATION**

*Section 6:* If any natural persons shall be taken into the regular service of the employer that sponsors the Insured plan through merger or consolidation with some other concern, the Insured and/or the employer that sponsors the Insured shall give the Company written notice thereof and shall pay an additional premium in an amount determined in the sole discretion of the Company.

#### **NON-ACCUMULATION OF LIABILITY**

*Section 7:* The Company's liability under this bond and all continuations therefore shall not be cumulative, and regardless of the number of years this bond is continued in force, and, regardless of the number of annual premiums that may be payable or paid, the Company's aggregate liability on account of any occurrence giving rise to a loss as to which the Company is obligated to indemnify the Insured Plan shall not exceed the maximum of this bond whether said loss occurred during the term of any one or more years or as the result of fraud or dishonesty on the part of one or more Employees.

#### **LIMIT OF LIABILITY UNDER THIS BOND AND OTHER INSURANCE**

*Section 8:* With respect to loss or losses caused by an Employee which are chargeable to such Employee as provided in Section 5 and which occur partly under this bond and partly under other bonds or policies issued by the Company to the Insured or to any predecessor in interest of the Insured and in which the period for discovery has not expired at the time any such loss or losses thereunder are discovered, the total liability of the Company under this bond and under such other bonds or policies shall not exceed, in the aggregate, the amount carried under this bond in connection with such loss or losses or the amount available to the Insured under such other bonds or policies as limited by the terms and conditions thereof, for any such loss or losses, if the latter amount be the larger. In the event of a loss or series of losses caused by fraud or dishonesty by an Employee acting in concert with any person or entity that is covered by any other bond in favor of the Insured Plan, the liability of the Company hereunder, together with any amounts paid or payable under such other bond, shall not be greater than the amount of said loss.

#### **RECOVERY FROM EMPLOYEES FOLLOWING BOND PAYMENT**

*Section 9:* In the event the Company issues payment under this bond to the Insured, and the amount of the loss incurred by the Insured exceeds the amount paid by the Company, the Insured shall have the first right to recover from the Employee(s) responsible for said loss provided that in the event the Insured recovers any amounts in excess of the difference between the amount of the loss and the amount paid under this bond, the Insured shall pay to the Company any and all such amounts in excess of the difference between the amount of the loss and the amount paid by the Company under this bond.

**CANCELLATION AS TO ANY EMPLOYEE**

*Section 10:* This bond shall be deemed cancelled as to any Employee: (a) immediately upon discovery by the sponsor of the Insured Plan, or by any partner or officer thereof not in collusion with such Employee, of any fraudulent or dishonest act on the part of such Employees, or (b) at 12:01 A.M., standard time, upon the effective date specified in a written notice served upon the sponsor of the Insured Plan or sent by mail. Such date, if the notice be served, shall be not less than ten days after such service, or, if sent by mail, not less than fifteen days after the date of mailing. The mailing by Company of notice, as aforesaid, to the sponsor of the Insured Plan at its principal office shall be sufficient proof of notice.

**CANCELLATION AS TO BOND IN ITS ENTIRETY**

*Section 11:* This bond shall be deemed cancelled in its entirety at 12:01 A.M., standard time, upon the effective date specified in a written notice served by the Insured, or the employer that sponsors the Insured Plan, upon the Company or by the Company upon the Insured, or sent by mail. Such date, if served by the Company, shall not be less than ten days after such service, or if sent by the Company by mail, not less than fifteen days after the date of mailing. The mailing by the Company of notice, as aforesaid, to the Insured or to the employer that sponsors the Insured Plan at its principal office shall be sufficient proof of notice. The Company shall refund to the Insured the unearned premium computed pro rata if this bond be cancelled at the instance of the Company. There are no premium refunds if the Insured or the employer that sponsors the Insured Plan cancels the policy as stated and agreed to by application, receipt of policy and payment of premium.

**PRIOR FRAUD, DISHONESTY OR CANCELLATION**

*Section 12:* No Employee, to the best of the knowledge of the Insured or the employer that sponsors the Insured Plan, has committed any fraudulent or dishonest act in the service of the Insured or the employer that sponsors the Insured Plan or otherwise. If prior to the issuance of this bond, any fidelity insurance in favor of the Insured that covers one or more of the Employees shall have been cancelled as to any of such Employees by reason of (a) the discovery of any fraudulent or dishonest act on the part of such Employees, or (b) the giving of written notice of cancellation by the insurer issuing said fidelity insurance, whether the Company or not, and if such Employees shall not have been reinstated under the coverage of said fidelity insurance or superseding fidelity insurance, the Company shall not be liable under this bond on account of any loss incurred by the Insured through any fraudulent or dishonest act by any such Employee unless the Company shall agree in writing to include such Employee within the coverage of this bond.

**LOSS – NOTICE – PROOF – LEGAL PROCEEDINGS**

*Section 13:* At the earliest practical moment, and in no event later than fifteen days after discovery of any fraudulent or dishonest act on the part of any Employee by the Insured or the employer that sponsors the Insured Plan, the Insured shall give the Company written notice thereof and within four months after such discovery shall file with the Company affirmative proof of loss, itemized and duly sworn to, and shall upon request of the Company render every assistance, not pecuniary, to facilitate the investigation and adjustment of any loss. No suit to recover on account of loss under this bond shall be brought before the expiration of two months from the filing of proof as aforesaid on account of such loss, nor after the expiration of fifteen months from the discovery as aforesaid of the fraudulent or dishonest act causing such loss. If any limitation in this bond for giving notice, filing claim or bringing suit is prohibited or made void by any law controlling the construction of this bond, such limitation shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

**CHANGING AMOUNT OF COVERAGE**

*Section 14:* The maximum amount of indemnity set forth in Rider 1 may be increased upon written request of the Insured and written agreement by the Company without impairing the continuity hereunder. However, no agreement regarding any such increase under this paragraph shall operate to modify or extend the Discovery Period described in Section 3.

**OTHER INSURANCE**

*Section 15:* If there is available to the Insured any other insurance or indemnity covering any loss covered by this bond, the Company shall be liable hereunder only for that part of such loss which is in excess of the amount recoverable or recovered from such other insurance or indemnity.
