INDEPENDENT AUDITOR'S REPORT

Plan Trustees, Plan Administrator, and Plan Participants
A & K Construction, Inc. Prevailing Wage Employee Benefit Plan
Paducah, Kentucky

Opinion on the 2024 Financial Statements

We have audited the accompanying financial statements of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A & K Construction, Inc. Prevailing Wage Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A & K Construction, Inc. Prevailing Wage Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i – schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Compiled 2023 Financial Statement

Management is responsible for the accompanying 2023 financial statement of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan, which comprises the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

PREVAILING WAGE EMPLOYEE BENEFIT PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the A & K Construction, Inc. (the Company) Prevailing Wage Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution prevailing wage pension plan established effective January 1, 1997. All employees of the Company are eligible to participate in the plan upon their employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Funding Policy

Contributions to the Plan are made solely by the Company; participants do not contribute. Contribution amounts are determined in accordance with the applicable prevailing wage agreement, which establishes the required pension contribution rates and related terms. Contributions are calculated based on the hours worked that are subject to the prevailing wage pension rates set by the governing prevailing wage job requirements. The Company remits these contributions on a monthly basis.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the employer contributions, as well as allocations of investment earnings or losses and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All Company contributions are held in a trust fund. The trustee has designated Morgan Stanley & Co., LLC, the Custodian, to hold all assets as determined at the time to be prudent, based on the advice of investment professionals and in accordance with the Plan's investment policy.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon upon entering the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Payment of Benefits

Upon a participant's death, disability, severance of employment, hardship, attainment of age 59 ½, or retirement, distributions are permitted. Participant account balances with a vested benefit not exceeding \$5,000 may be distributed without prior consent of the participant. A participant's account is payable by a lump-sum amount if the vested account is \$1,000 or less. If the vested account is greater than \$1,000, but less than \$5,000, and the participant does not provide the Plan with an affirmative distribution election, the distribution must be rolled over to an individual retirement account set up in the name of the participant. A participant or beneficiary (in the case of death) with an account balance exceeding \$5,000 may elect to commence distribution of the account balance as soon as administratively practicable in a lump sum or by installment payments that meet federal minimum distribution requirements.

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment adviser and the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold and held during the year.

Payment of Benefits

Benefit payments are recorded when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at year-end, if any. There were no unpaid distributions as of December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Administrative Costs

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Company does not intend to request reimbursement from the Plan for these costs. Fees related to the administration of certain withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Management has evaluated subsequent events through November 18, 2025, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

U.S. GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect the Plan's own assumptions of market participant valuation (Level 3).

All financial assets and liabilities as of December 31, 2024 and 2023 are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date.

Interest-bearing cash – Interest-bearing cash is valued at market value of cash held by the Plan at year end.

Mutual funds – Shares of publicly traded mutual funds are recorded at unit value. Unit value is determined daily using publicly traded net asset value or share prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Continued)

The tables below set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Balance at December 31, 2024	Fair value measurement using:		
		Level 1	Level 2	Level 3
Interest-bearing cash	\$ 12,774	\$ 12,774	\$ --	\$ --
Mutual funds	1,255,506	1,255,506	--	--
	\$ 1,268,280	\$ 1,268,280	\$ --	\$ --

	Balance at December 31, 2023	Fair value measurement using:		
		Level 1	Level 2	Level 3
Interest-bearing cash	\$ 19,763	\$ 19,763	\$ --	\$ --
Mutual funds	1,298,527	1,298,527	--	--
	\$ 1,318,290	\$ 1,318,290	\$ --	\$ --

Note 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 5. Tax Status

The Plan is based on a non-standardized pre-approved plan which has received a favorable opinion letter dated August 1, 2023, from the IRS that the profit-sharing plan is designed to qualify as being exempt from federal income taxes. The plan administrator has not separately applied for a determination letter from the IRS. However, plan management and the plan administrator believe the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

Note 6. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held by Morgan Stanley & Co., LLC, the Custodian. The Brown Wealth Management Group is the Plan's investment advisor. Williams, Williams, & Lentz is the third-party administrator as defined by the Plan, and Jones, Nale & Mattingly PLC is the independent auditor of the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$15,094 for the year ended December 31, 2024.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

IRS announces tax relief for taxpayers impacted by severe storms, straight-line winds, flooding, and landslides in Kentucky; various deadlines postponed to Nov. 3

Updated on 3/5/2025: This news release has been updated to correct the quarterly payroll and excise tax returns due dates of April 30, July 31, and Oct. 31, 2025.

KY-2025-02, Feb. 24, 2025

WASHINGTON — The Internal Revenue Service announced today **tax relief for individuals and businesses in the entire state of Kentucky** affected by severe storms, straight-line winds, flooding, and landslides that began on Feb. 14, 2025. These taxpayers now have until Nov. 3, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA) [↗](#), **individuals and households that reside or have a business in the entire state qualify for tax relief**. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Feb. 14, 2025, and before Nov. 3, 2025, are granted additional time to file.

As a result, affected individuals and businesses will have until Nov. 3, 2025, to file returns and pay any taxes that were originally due during this period.

The Nov. 3, 2025, deadline applies to individual income tax returns and payments normally due on April 15, 2025. The Nov. 3 deadline also applies to 2024 contributions to IRAs and health savings accounts for eligible taxpayers. This relief also applies to the estimated tax payments normally due on April 15, June 16, and Sept. 15, 2025.

Penalties on payroll and excise tax deposits due on or after Feb. 14, 2025, and before March 3, 2025, will be abated as long as the tax deposits are made by March 3, 2025.

The Nov. 3, 2025, deadline also applies to affected businesses:

- Quarterly payroll and excise tax returns normally due on April 30, July 31, and Oct. 31, 2025.
- Calendar-year partnership and S corporation returns normally due on March 17, 2025.
- Calendar-year corporation and fiduciary returns and payments normally due on April 15, 2025.
- Calendar-year tax-exempt organization returns normally due on May 15, 2025.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS Special Services toll-free number at 866-562-5227 to request this tax relief. Tax practitioners in the covered disaster area, who maintain records necessary to meet a filing or payment deadline for taxpayers located outside the disaster area, may contact the IRS Special Services; if the practitioner maintains the necessary records of ten or more clients, please refer to Bulk requests from practitioners for disaster relief for additional guidance.

Covered disaster area

The locality listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until Nov. 3, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Feb. 14, 2025, and before Nov. 3, 2025.

Estimated income tax payment originally due on or after Feb. 14, 2025, are postponed through Nov. 3, 2025, and affected taxpayers will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before Nov. 3, 2025.

The IRS also gives affected taxpayers until Nov. 3, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (Dec. 10, 2018), that are due to be performed on or after Feb. 14, 2025, and before Nov. 3, 2025.

Under the relief, Form 5500 series returns that were required to be filed on or after Feb. 14, 2025, and before Nov. 3, 2025, are postponed through Nov. 3, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Feb. 14, 2025, and before March 3, 2025, will be abated as long as the tax deposits were made by March 3, 2025.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2025 return normally filed next year), or the return for the prior year (the 2024 return filed this year. Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. For individual taxpayers, this means Oct. 15, 2026. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts [PDF](#) and its instructions [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, 3624-EM on any return. See Publication 547 for details.

Other relief

The IRS will waive the usual fees for requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number (**3624-EM**), in bold letters at the top of Form 4506, Request for Copy of Tax Return [PDF](#), or Form 4506-T, Request for Transcript of Tax Return [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and that the taxpayer may take into income over three years. See Form 8915-F, Qualified Disaster Retirement Plan Distributions and Repayments and Disaster relief frequently asked questions: Retirement plans and IRAs under the SECURE 2.0 Act of 2022. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Taxpayers who do not qualify for disaster tax relief may qualify for reasonable cause penalty abatement. See Penalty relief for reasonable cause for additional information.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, IRS.gov.

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) sites. To find the closest free tax help site, use the VITA Locator Tool [↗](#) or call 800-906-9887. **Note that normally, VITA sites cannot help claim disaster losses.**
- To find an AARP Tax-Aide site, use the AARP Site Locator Tool [↗](#) or call 888-227-7669.
- Any individual or family whose adjusted gross income (AGI) was \$84,000 or less in 2024 can use IRS Free File's Guided Tax Software at no cost. There are products in English and Spanish.
- Another Free File option is Free File Fillable Forms. These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
- MilTax, a Department of Defense program, offers free return preparation software and electronic filing for federal tax returns and up to three state income tax returns. It's available for all military members and some veterans, with no income limit.

INDEPENDENT AUDITOR'S REPORT

Plan Trustees, Plan Administrator, and Plan Participants
A & K Construction, Inc. Prevailing Wage Employee Benefit Plan
Paducah, Kentucky

Opinion on the 2024 Financial Statements

We have audited the accompanying financial statements of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A & K Construction, Inc. Prevailing Wage Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A & K Construction, Inc. Prevailing Wage Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i – schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Compiled 2023 Financial Statement

Management is responsible for the accompanying 2023 financial statement of A & K Construction, Inc. Prevailing Wage Employee Benefit Plan, which comprises the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

PREVAILING WAGE EMPLOYEE BENEFIT PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the A & K Construction, Inc. (the Company) Prevailing Wage Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution prevailing wage pension plan established effective January 1, 1997. All employees of the Company are eligible to participate in the plan upon their employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Funding Policy

Contributions to the Plan are made solely by the Company; participants do not contribute. Contribution amounts are determined in accordance with the applicable prevailing wage agreement, which establishes the required pension contribution rates and related terms. Contributions are calculated based on the hours worked that are subject to the prevailing wage pension rates set by the governing prevailing wage job requirements. The Company remits these contributions on a monthly basis.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the employer contributions, as well as allocations of investment earnings or losses and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All Company contributions are held in a trust fund. The trustee has designated Morgan Stanley & Co., LLC, the Custodian, to hold all assets as determined at the time to be prudent, based on the advice of investment professionals and in accordance with the Plan's investment policy.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon upon entering the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Payment of Benefits

Upon a participant's death, disability, severance of employment, hardship, attainment of age 59 ½, or retirement, distributions are permitted. Participant account balances with a vested benefit not exceeding \$5,000 may be distributed without prior consent of the participant. A participant's account is payable by a lump-sum amount if the vested account is \$1,000 or less. If the vested account is greater than \$1,000, but less than \$5,000, and the participant does not provide the Plan with an affirmative distribution election, the distribution must be rolled over to an individual retirement account set up in the name of the participant. A participant or beneficiary (in the case of death) with an account balance exceeding \$5,000 may elect to commence distribution of the account balance as soon as administratively practicable in a lump sum or by installment payments that meet federal minimum distribution requirements.

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment adviser and the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold and held during the year.

Payment of Benefits

Benefit payments are recorded when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at year-end, if any. There were no unpaid distributions as of December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Administrative Costs

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Company does not intend to request reimbursement from the Plan for these costs. Fees related to the administration of certain withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Management has evaluated subsequent events through November 18, 2025, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

U.S. GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect the Plan's own assumptions of market participant valuation (Level 3).

All financial assets and liabilities as of December 31, 2024 and 2023 are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date.

Interest-bearing cash – Interest-bearing cash is valued at market value of cash held by the Plan at year end.

Mutual funds – Shares of publicly traded mutual funds are recorded at unit value. Unit value is determined daily using publicly traded net asset value or share prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Continued)

The tables below set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Balance at December 31, 2024	Fair value measurement using:		
		Level 1	Level 2	Level 3
Interest-bearing cash	\$ 12,774	\$ 12,774	\$ --	\$ --
Mutual funds	1,255,506	1,255,506	--	--
	\$ 1,268,280	\$ 1,268,280	\$ --	\$ --

	Balance at December 31, 2023	Fair value measurement using:		
		Level 1	Level 2	Level 3
Interest-bearing cash	\$ 19,763	\$ 19,763	\$ --	\$ --
Mutual funds	1,298,527	1,298,527	--	--
	\$ 1,318,290	\$ 1,318,290	\$ --	\$ --

Note 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 5. Tax Status

The Plan is based on a non-standardized pre-approved plan which has received a favorable opinion letter dated August 1, 2023, from the IRS that the profit-sharing plan is designed to qualify as being exempt from federal income taxes. The plan administrator has not separately applied for a determination letter from the IRS. However, plan management and the plan administrator believe the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

Note 6. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held by Morgan Stanley & Co., LLC, the Custodian. The Brown Wealth Management Group is the Plan's investment advisor. Williams, Williams, & Lentz is the third-party administrator as defined by the Plan, and Jones, Nale & Mattingly PLC is the independent auditor of the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$15,094 for the year ended December 31, 2024.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
