INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Inhabit IQ 401(k) Plan
Knoxville, TN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Inhabit IQ 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the Financial Statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, and Schedule of Delinquent Participant Contributions for the Plan year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the Financial Statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Financial Statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Financial Statements or to the Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INHABIT IQ 401(K) PLAN

Knoxville, TN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Inhabit IQ 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan was established January 1, 2022 and is a defined contribution plan covering substantially all employees of Property Brands d/b/a Inhabit IQ (the "Company") who have 90 days of service. The Plan's first entry date and first effective date for elective deferrals was March 1, 2022. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Each year, participants may contribute a portion of their eligible compensation, as defined by the Plan, as pretax or Roth contributions, up to the maximum allowed under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Company may make discretionary employer matching contributions. For 2023, the Company made matching contributions equal to 50% of the first 6% of compensation deferred by the participant. The Company also has the option to make a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for 2023. Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions, and Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, contributions, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. The vesting schedule provides for 100% vesting of employer contributions after four years of credited service. Effective January 1, 2023, the Plan was amended to recognize service with entities acquired by the Company for individuals who are employees of the acquired entity at the time of the acquisition.

INHABIT IQ 401(K) PLAN

Knoxville, TN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

PAYMENT OF BENEFITS

Upon termination of service a participant, or their beneficiary, is entitled to receive the vested interest in his or her account as a lump sum amount. Withdrawals may also be made when a participant attains age 59 1/2 or demonstrates financial hardship.

FORFEITED ACCOUNTS

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$1,867 and \$0, respectively. These accounts may be used to reduce future employer contributions or to pay plan administrative expenses. During 2023, \$33,242 in forfeitures were used to pay plan administrative expenses.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The investments of the Plan are reported at fair value (except for fully benefit responsive investment contracts, which are reported at contract value). The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses that are charged to participant accounts include withdrawal fees and plan administrative fees. Certain investment related expenses are included in net appreciation in fair value of investments.

INHABIT IQ 401(K) PLAN

Knoxville, TN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 3 - CERTIFIED INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2023 and 2022, and investment income for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company LLC ("Empower"), a qualified institution. The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedules.

NOTE 4 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

INHABIT IQ 401(K) PLAN

Knoxville, TN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

- *Mutual funds.* Valued at the published daily net asset value ("NAV") as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2023 and 2022.

Investment Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	10,338,293	0	0	10,338,293
Total assets in the fair value hierarchy	10,338,293	0	0	10,338,293

Investment Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	3,919,313	0	0	3,919,313
Total assets in the fair value hierarchy	3,919,313	0	0	3,919,313

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a benefit responsive investment contract with Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses.

The investment held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting interest is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed quarterly for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement before the scheduled maturity date.

INHABIT IQ 401(K) PLAN

Knoxville, TN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

- Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan)
- The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions
- Bankruptcy of the Company or other Company events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligations under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity, political uncertainty, pandemic environmental risks, cybersecurity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INHABIT IQ 401(K) PLAN

Knoxville, TN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan held a guaranteed investment contract managed by Empower, which qualifies as a party-in-interest transaction. The Plan is not charged for administrative services performed on its behalf by employees of the Company. Some fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. During 2023, the Plan paid fees to Empower, Rather & Kittrell Inc., and Tennessee Pension Administrators which also qualify as party-in-interest transactions.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - TAX STATUS

The Plan uses a non-standardized pre-approved plan document sponsored by Tennessee Pension Administrators LLC. Tennessee Pension Administrators LLC received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which states that the non-standardized pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that no uncertain positions are taken or are expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events through the date the financial statements were available to be issued, other than the items discussed below, no events or transactions occurred through November 13, 2025 requiring recognition or disclosure in the financial statements.

The Plan was amended to allow participant loans effective January 1, 2024.
