* Amounts provided under the "Commissions Paid" column include all earned commission paid on all lines of business relative to your account during this reporting period.

** Amounts provided under the "Fees Paid" column include the total value of any fees, awards, prizes, bonuses or other forms of non-monetary compensation paid relative to your account. These amounts are calculated based on a calendar year. Some bonuses, fees, and contests are paid based on the aggregate amount of sales for all accounts throughout the calendar year. To determine the value of these items relative to your account, the amount of sales for your account is divided by the total amount of sales during the reporting period. This percentage is then multiplied by the value of the bonus, fee or contest.
