INDEPENDENT AUDITOR'S REPORT

To: IBEW Local #915 Health and Welfare Fund
Tampa, Florida

Opinion

We have audited the accompanying financial statements of IBEW Local #915 Health and Welfare Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023 and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of IBEW Local #915 Health and Welfare Fund as of December 31, 2024 and 2023 the changes in its net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW Local #915 Health and Welfare Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITORS' REPORT

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local #915 Health and Welfare Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW Local #915 Health and Welfare Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local #915 Health and Welfare Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Operating Expenses is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with generally accepted auditing standards. In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole.

IBEW LOCAL #915
HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION

The following description of the IBEW Local #915 Health and Welfare Fund provides general information only. Participants should refer to the plan Agreement for more complete information.

General – The Plan was formed pursuant to a collective Bargaining Agreement between members of the Florida West Coast Chapter of the National Electrical Contractors Association and Local Union #915 of the International Brotherhood of Electrical Workers (AFL-CIO). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits – The Plan provides medical, life insurance and accidental death and dismemberment benefits to eligible employees and their dependents. The plan provides a life insurance benefit for retirees.

The Plan also provides a \$1,000 Dental Benefit.

The Plan also provides certain benefits for retired and terminated participants on a self-pay basis.

The Plan maintains stop loss insurance coverage through HCC Life Insurance Company. Stop loss premiums paid in 2024 and 2023 amounted to \$562,935 and \$423,686.

Stop loss reimbursements totaled \$453,418 and \$685,267 in 2024 and 2023 and have been deducted from health claims and other benefits in the statements of changes in net assets available for benefits.

The Plan utilizes a pharmacy benefit manager (PBM) who periodically makes refunds based on the Plan's drug utilization. Prescription drug rebates totalled \$496,935 and \$331,948 in 2024 and 2023. Prescription rebates are recorded as a reduction of prescription costs included in health claims and other benefits in the Statements of Changes in Net Assets Available for Benefits.

Eligibility - Participants become eligible for benefits on the first day of the following month after attaining 1000 hours. Participants can also become initially eligible by working at least 600 hours in six consecutive months or less.

Upon meeting eligibility requirements, members receive at least 3 months of coverage and remain eligible until the next eligibility period.

Continual eligibility requires a minimum of 390 hours of work performed in a qualifying period. The hour bank may be satisfied in the following manner:

1. Contributions for hours worked with a participating employer
2. Disability credits (130 hours per month) for a maximum of three months
3. Withdrawals from the hour bank

**IBEW LOCAL #915
HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 **DESCRIPTION** (continued)

If a member becomes disabled for a minimum of twenty consecutive days during any one month, 130 hours for each month of proven disability will be credited to that member, limited to three consecutive calendar months.

Qualifying Period	Eligibility Period
July 1 through September 30	January 1 through March 31
October 1 through December 31	April 1 through June 30
January 1 through March 31	July 1 through September 30
April 1 through June 30	October 1 through December 31

The Plan also allows participants to maintain an hour bank to assist in retaining eligibility. Hours reported by participating employers in a qualifying period in excess of 480 hours will be credited to the hour bank.

The maximum eligibility accumulated in a participant's hour bank is limited to an amount which could maintain eligibility for no more than 18 months.

Funding – Benefits are funded by contributions from multiple employers based on the gross earnings of each member they employ. The contribution rate for Journeymen is as follows:

Effective Date:	Contribution Rate
12/01/2021- 11/30/2022	23.0%
12/01/2022- 11/30/2023	24.0%
12/01/2023	24.5%

Contribution rate for Construction Wiremen and Construction Electrician is 18% of gross earnings.

Terminated employees and retired members may extend coverage by contributing specified amounts determined periodically by the Plan's benefit consultant.

Other – The Board of Trustees have the right under the Plan to discontinue or modify the requirements for participation in the Plan, eligibility of participants, type of benefits offered, amount to be paid and procedures for payment of benefit claims. The Plan may be terminated by joint agreement by the Board of Trustees, subject to the provisions set forth in ERISA.

SUMMARY OF ACCOUNTING POLICIES

This summary of accounting policies and information of IBEW Local #915 Health and Welfare Fund is presented to assist in understanding the Fund's financial statements.

Method of Accounting – The accounts of the Fund are maintained on the cash basis of accounting. Memorandum entries have been applied to the cash basis accounts to present them on the accrual basis.

Use of Estimates – The presentation of financial statements in conformity with United States of America generally accepted accounting principles requires the Trustees to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change in the near term are the Plan's Benefit Obligations and Other Plan Benefits.

Valuation of Investments and Income Recognition – Investments are valued as fair value. Quoted market prices are used to value investments. See Note 3.

Security transactions are accounted for on the date the order to buy or sell is executed. Realized and unrealized gains and losses from security transactions are calculated on the cost basis.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Cash Concentration Credit Risk – The Plan maintains its cash in bank deposit accounts at a high credit, quality financial institution. The balances, at times may exceed federally insured limits. Balances are insured by the Federal Deposit Insurance Corporation up to \$250,000.

The Fund has not experienced, nor does it expect to experience any losses on such accounts. The uninsured cash balances at December 31, 2024 and 2023 was \$192,187 and \$1,188,899 respectively.

Contributions Receivable – Contributions receivable was determined by a review of cash collections in subsequent periods. Accordingly, an allowance for uncollectible contributions is not considered necessary.

Employer contributions receivable totaled \$1,502,978 and \$1,266,648 for 2024 and 2023 respectively. Delinquent contributions receivable may exist at December 31, 2024 and 2023, however due to the uncertainty of the amount and collectability no receivable has been recorded.

Contribution Concentration Risk – For the year ended December 31, 2024 approximately 40% or \$6,383,177 of total contributions was received from two employers. As of December 31, 2024, amounts due from those employers totaled \$543,586.

For the year ended December 31, 2023 approximately 40% or \$4,929,610 of total contributions was received from two employers. As of December 31, 2023, amounts due from those employers totaled \$499,799.

HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits - Benefit payments for health claims are recorded when paid.

Operating Expenses - The Plan's expenses are paid by the Plan, as provided by the Plan document. Operating expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

Post-Benefit Obligations – The post-retirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered to December 31, 2024 and 2023. Post-retirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees, their beneficiaries and dependents, (2) active employees, their beneficiaries and dependents after retirement from service with participating employers. Prior to an active participant's full eligibility date, the post-retirement benefit obligation is the portion of the expected post-retirement benefit obligation that is attributed to that participant's service in the industry rendered to the valuation date.

The actuarial present value of the expected post-retirement benefit obligation is determined by an independent actuary and is that amount that results from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The changes in assumptions and methods from 2023 to 2024 are as follows:

- a) The discount rate was changed from 4.75% to 5.50%, based on the interest rate environment at the valuation date.
- b) Change in the expected annual medical care rates, based upon updated Plan experience.
- c) Expected administrative costs increased from \$847 to \$935 per person per annum, based upon Plan experience.
- d) Expected dental care costs increased from \$230 to \$254 per person per annum, based upon Plan experience.
- e) Change in the expected medical trend rate, based upon anticipated changes in medical inflation and utilization.

For measurement purposes, 9.0% medical trend rates were assumed. The rates were assumed to decrease gradually to 5.0% by 2033 and thereafter.

IBEW LOCAL #915
HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (continued)

The following were other significant assumptions used in the valuations as of December 31, 2024.

1. Weighted average discount rate: 4.75%
2. Average retirement age: 55-62
3. Mortality Table: The sex-distinct RP-2014 Blue Collar Mortality Table adjusted backward to 2006 with the MP-2014 projection scale and then projected generationally using Scale MP-2018
4. Expected Retiree Cost Sharing: Monthly contributions are \$650 for single or family coverage, trended by 3.0% per year
5. Expected Dental Care Cost: \$254 per person per year
6. Expenses: \$935 per person, trended by 5.0% per year

The following were other significant assumptions used in the valuations as of December 31, 2023.

1. Weighted average discount rate: 4.75%
2. Average retirement age: 55-62
3. Mortality Table: The sex-distinct RP-2014 Blue Collar Mortality Table adjusted backward to 2006 with the MP-2014 projection scale and then projected generationally using Scale MP-2018
4. Expected Retiree Cost Sharing: Monthly contributions are \$650 for single or family coverage, trended by 3.0% per year
5. Expected Dental Care Cost: \$230 per person per year
6. Expenses: \$847 per person, trended by 5.0% per year

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the post-retirement benefit obligation.

Other Benefit Obligations - Plan obligations at December 31, 2024 and 2023 for health claims incurred by active participants but not reported at that date and for accumulated eligibility of participants at December 31, 2024 and 2023 are estimated based upon subsequent claims payments. Such amounts are reported in the accompanying Statement of Benefit Obligations.

Income Taxes – The Plan is exempt from income taxes under the Internal Revenue Code. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 3 INVESTMENTS

Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active or non-active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS

NOTE 3 INVESTMENTS (continued)

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered Investment Companies (Mutual Funds): The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Fund are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Fund are considered to be actively traded.

Certificates of Deposit: The fair values of certificates of deposit are based upon period ending amounts. The certificates of deposit bear interest at rates averaging 4.63%, maturing at various dates through August 2026.

Short Term Reserves: Valued at period ending amounts.

The Fund's assets at fair value as of December 31, 2024 and 2023 by level are as follows:

Fair Value Measurements at December 31, 2024:

	<u>LEVEL 1</u>
Mutual Funds	\$ 14,956,572
Certificates of Deposit	3,760,088
Short Term Reserves	<u>347,357</u>
	<u>\$ 19,064,017</u>

Fair Value Measurements at December 31, 2023:

	<u>LEVEL 1</u>
Mutual Funds	\$ 13,650,702
Certificates of Deposit	2,002,955
Short Term Reserves	<u>2,889</u>
	<u>\$ 15,656,546</u>

**IBEW LOCAL #915
HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 **INVESTMENTS** (continued)

The Plan has entered into agreements with investment managers to manage the Plan's investments. At December 31, 2024 and 2023, the following investments of the Plan represent 5% or more of the net assets.

	<u>2024</u>	<u>2023</u>
Mutual Funds:		
Vanguard Stock Index Fund	\$ 5,079,400	\$ 4,104,787
Vanguard Intermediate Grade Fund	3,695,162	3,577,563
Baird Core Plus Bond Fund	3,590,730	3,501,907
Vanguard Short Term Grade Fund	<u>2,591,280</u>	<u>2,466,445</u>
	<u>\$ 14,956,572</u>	<u>\$ 13,650,702</u>

Net Appreciation (Depreciation) in Fair Value of Investments

Net appreciation consists of the difference between fair value and cost at the end of the period and the fair value and cost of the investments as of the preceding year end.

For the years ended December 31, 2024 and 2023, the Fund's investments appreciated in value by \$831,320 and \$1,101,295 respectively.

NOTE 4 **BENEFIT OBLIGATIONS**

The Plan's benefit obligation as of December 31, 2024 and December 31, 2023 totaled \$39,315,489 and \$38,728,233 resulting in a (deficiency) of Net Assets over Total Benefit Obligations of \$(18,319,928) and \$(20,502,327) respectively. The deficiency relates primarily to the Plan's postretirement benefit obligation.

The Board of Trustees have the right under the Plan to determine the requirements for participation in the Plan, eligibility of participants, type of benefits offered, amount to be paid and procedures for payment of benefit claims, whenever events or changes in circumstances occur, the Trustees have the right to make changes to the Plan.

The weighted average health care rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage point it would increase the obligation as of December 31, 2024 and December 31, 2023 by \$6,833,483 and \$6,850,346 respectively.

IBEW LOCAL #915
HEALTH AND WELFARE FUND
NOTES TO FINANCIAL STATEMENTS

NOTE 5 RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The Plan invests in investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6 RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan pays investment and operating expenses directly to service providers. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

NOTE 7 RECONCILIATIONS OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the form 5500:

	<u>2024</u>	<u>2023</u>
