**Report of Independent Auditors**

To the Participants and Trustees of  
Electrical Workers Local No. 292  
Vacation and Holiday Plan

***Opinion***

We have audited the financial statements of Electrical Workers Local No. 292 Vacation and Holiday Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Electrical Workers Local No. 292 Vacation and Holiday Plan as of April 30, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Emphasis of Matter***

As discussed in Note 8 to the financial statements, the 2023 financial statements have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Responsibilities of Management for the Financial Statements (continued)***

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Electrical Workers Local No. 292 Vacation and Holiday Plan

## Notes to Financial Statements

April 30, 2025 and 2024

### Note 1. Description of the Plan

Electrical Workers Local No. 292 Vacation and Holiday Plan (the Plan) was established effective January 1, 1991, as a result of a collective bargaining agreement between Minneapolis Chapter, National Electrical Contractors Association, Inc. (the Contractors' Association) and International Brotherhood of Electrical Workers Local Union No. 292 (the Local). The Plan is a multiemployer defined contribution welfare plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is managed by a joint board of trustees consisting of an equal number of representatives from the Contractors' Association and the Local.

Participants are initially eligible to participate in the Plan when employer contributions are made on their behalf. Eligibility continues until contributions cease. Contributions made on behalf of participants are 100% vested.

Participants' accounts are credited with employer contributions made on their behalf and charged with a monthly administrative fee assessment, as determined by the Trustees. During the years ended April 30, 2025 and 2024, participant accounts were charged a monthly administrative fee assessment of \$1 per participant per transfer. No earnings are credited to participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Administrative fee assessments are available to pay administrative costs incurred by the Plan. At April 30, 2025 and 2024, unallocated amounts totaled \$6,279 and \$100,126 respectively.

Benefit distributions represent monthly transfers into accounts at various financial institutions held in the name of the participant. Participants may designate the deposit institution of their choice for Plan benefits. If a participant does not designate a deposit institution, amounts are held within the Plan until a deposit institution is selected. The Plan makes diligent efforts to track down missing or unresponsive participants.

Participants should refer to the summary plan description for more complete information.

### Note 2. Summary of Significant Accounting Policies

**Method of Accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting.

**Contributions Receivable** - Employer contributions due and not paid at year end are recorded as contributions receivable. Deficiencies established through payroll compliance audits are recorded upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

## **Note 2. Summary of Significant Accounting Policies (continued)**

**Revenue Recognition** - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the amount of eligible wages earned in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within the electrical industry primarily located in central Minnesota.

**Payment of Benefits** - Benefit payments made to or on behalf of participants are recorded upon distribution. There were no participant distributions approved for payment that were not paid at either April 30, 2025 or 2024.

**Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Subsequent Events** - Subsequent events have been evaluated through October 30, 2025, which is the date the financial statements were available to be issued.

## **Note 3. Priorities upon Termination**

It is the intent of the Trustees to continue the Plan in full force and effect; however, in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan.

## **Note 4. Tax Status**

The Plan's notice of exemption is dated March 24, 1992, in which the Internal Revenue Service stated that the trust established under the Plan, as then designed, was in compliance with the applicable requirements of Section 501(c)(9) of the Internal Revenue Code. The Plan has been amended since receiving the notice of exemption. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**Note 4. Tax Status (continued)**

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 5. Funding Policy**

The Plan is primarily funded by employer contributions, as specified in the collective bargaining agreements. The contribution rate for the majority of participants covered under the Plan was 14.00% and 14.04% of gross wages during the years ended April 30, 2025 and 2024, respectively.

**Note 6. Major Employers**

Contributions from two employers accounted for approximately 25% and 22% of total contributions during the years ended April 30, 2025 and 2024, respectively. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting fixed administrative expenses until the appropriate adjustments were made.

**Note 7. Related Parties**

The Plan is related to a labor union, a joint apprenticeship and training trust fund, a defined contribution retirement plan with a 401(k) feature, a defined benefit pension plan, a supplemental unemployment benefit plan and a health care plan, all of which are tax-exempt.

The Plan shares office facilities and staff with Electrical Workers Local No. 292 Pension Plan, Electrical Workers Local No. 292 Defined Contribution and 401(k) Plan, Electrical Workers Local No. 292 Supplemental Unemployment Benefit Plan and I.B.E.W. 292 Health Care Plan (the Health Care Plan). Certain operating expenses of the combined facility are initially paid by the Health Care Plan and are allocated annually based on estimates of space and staff utilized. The amounts allocated to the Plan were \$56,021 and \$44,310 for the years ended April 30, 2025 and 2024, respectively. As of April 30, 2025 and 2024, the amounts owed to the Health Care Plan amounted to \$126,892 and \$178,731 respectively.

In addition, the Health Care Plan holds a receiving agency account that serves to collect contributions and union dues and distribute them to the various related organizations. On a regular basis, contributions due to the Plan are transferred from the receiving agency account into the Plan's cash account. No amounts were due from the receiving agency as of either April 30, 2025 or 2024.

**Note 8. Prior Period Restatements and Reconciliation of Financial Statements to Form 5500**
