INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of Milosch's Palace Chrysler Jeep Dodge, Inc. 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Milosch's Palace Chrysler Jeep Dodge, Inc. 401(k) Plan & Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2024 (in liquidation) and February 29, 2024 (ongoing), and the related statement of changes in net assets available for benefits for the period ended July 31, 2024 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 31, 2024 and February 29, 2024, and for the period ended July 31, 2024, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter - Plan Termination

As discussed in Note 1 to the financial statements, the plan Sponsor signed an amendment to freeze and terminate the Plan effective March 1, 2024, and management determined liquidation is imminent during the Plan period ended July 31, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the financial statements for the year ended February 29, 2024 to the liquidation basis used in presenting the financial statements for the period ended July 31, 2024. Our opinion is not modified with respect to this matter.

Very truly yours,

Certified Public Accountants

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan:

The following brief description of the Milosch's Palace Chrysler Jeep Dodge, Inc. 401(k) Plan & Trust ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete information.

1. General - The Plan is a defined contribution plan covering substantially all employees of Milosch's Palace Chrysler Jeep Dodge, Inc. ("Company") who are age twenty-one or older and have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is currently provided as a pre-approved plan by Milliman, Inc. ("Milliman").
2. Contributions - Prior to the plan year ended February 29, 2024, eligible employee participants could authorize their employer to withhold from 1% to 100% of their compensation, as defined in the Plan, as a pre-tax elective deferral contribution or after-tax (Roth) contributions. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could have also contributed amounts representing distributions from another retirement plan. Separate accounts are maintained for each participant. The participant directed the investment of those amounts among a selection of seven mutual funds and 13 common/collective trusts and a money market fund held by Charles Schwab Trust Bank. The Company annually determined the amount of discretionary employer matching contributions. Contributions were subject to certain limitations. Effective March 1, 2024, the Plan has been terminated, with no contributions permitted after this date.
3. Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the portion of their accounts funded by employer's matching and discretionary contributions plus earnings thereon was based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

As of March 1, 2024, the Plan has been terminated, and all participant accounts became fully vested.

NOTE A - Description of Plan (continued):

5. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate ranging between 4.25% and 9.50%, which is commensurate with local prevailing rates as determined by the Trustee. As of July 31, 2024 and February 29, 2024, the balance of outstanding loans was none and \$248,912, respectively. Principal and interest is paid ratably through weekly or biweekly payroll deductions. As of July 31, 2024, all remaining loan balances were transferred to the Serra Automotive 401K Plan.
6. Forfeited Accounts - At July 31, 2024 and February 29, 2024, forfeited nonvested accounts totaled none and \$14,239, respectively. These accounts were used to reduce plan fees. For the fiscal period ended July 31, 2024, plan fees were reduced by \$15,635.
7. Payment of Benefits - On termination of service due to any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in partial withdrawals (not permitted for the beneficiary's required minimum distributions). The Plan also allows in-service distributions for those who reach age 59 ½ or cite a financial hardship as defined by the plan.

NOTE B - Summary of Significant Accounting Policies:

1. Basis of Accounting - As discussed in Note 1, the Company authorized the termination of the Plan effective March 1, 2024, and it was determined by management liquidation is imminent for the period ended July 31, 2024. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing accrual basis used in presenting the financial statements for the year ended February 29, 2024 to the liquidation basis used in presenting the financial statements for the period ended July 31, 2024.
2. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of July 31, 2024 and February 29, 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - Summary of Significant Accounting Policies (continued):

3. Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. A Trust Fund has been established to hold all Plan contributions. The Trust Fund is valued as of each statement date.

4. Administrative Expenses - Certain administrative expenses of the Plan are paid directly by the Company, and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant accounts and are included in administrative expenses.
5. Uses of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
6. Payment of Benefits - Benefits are recorded when paid.
7. Subsequent Events - Subsequent events were evaluated through April 17, 2025, which is the date the financial statements were available to be issued.

NOTE C - Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

MILOSCH'S PALACE CHRYSLER JEEP DODGE, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - Fair Value Measurements (continued):

Money/Market/Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the NAV of units of a common/collective trust. The NAV is used as a practical expedient to estimate fair value.

The preceding methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of July 31, 2024 and February 29, 2024:

NOTE C - Fair Value Measurements (continued):

- (a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

NOTE D - Plan Termination:

The plan was terminated due to the sale of the Company, whose employees participated in the Plan. The Company adopted an amendment to terminate the Plan, which was effective March 1, 2024. As of that date, participant accounts became fully vested, and no further contributions were permitted. All assets were distributed by period-end.

MILOSCH'S PALACE CHRYSLER JEEP DODGE, INC. 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE E - Tax Status:

The Internal Revenue Service has determined and informed the third-party administrator, Milliman, in an opinion letter dated June 30, 2020, that the pre-approved restated Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - Information Certified by Custodian:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for the period ended July 31, 2024 and year ended February 29, 2024. Accordingly, Charles Schwab Trust Bank, the custodian of the Plan, has certified to the completeness and accuracy of all money market, mutual fund, and common collective trust investments reported in the accompanying Statements of Net Assets Available for Benefits as of July 31, 2024 and February 29, 2024, and the related investment activity related to the investments above reported in the Statement of Changes in Net Assets Available for Benefits for the period ended July 31, 2024.

NOTE G - Related Party/Party-In-Interest Transactions:

Certain Plan investments were managed by Charles Schwab Trust Bank ("Charles Schwab"). Charles Schwab and Milliman are the Plan custodian and third-party administrator/recordkeeper, respectively and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees were paid by the Plan to Charles Schwab and Milliman for their respective services noted above. Charles Schwab, Milliman, and Janz & Knight, PLC are service providers to the Plan and, therefore, transactions with these service providers qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE H - Risks and Uncertainties:

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities could occur.

NOTE I - Plan Amendments During Reporting Period:

Effective March 1, 2024, the Plan was amended to freeze and terminate, with all participants becoming fully vested in their account balances as of this date. This amendment was executed on February 19, 2024.

With this amendment, the Plan has adopted all relevant interim amendments needed to reflect the plan qualification requirements, effective as of the date of plan termination.
