Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **VRAKAS S.C.**

(2) EIN: **39-1453055**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Prolec-GE Waukesha, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Prolec-GE Waukesha, Inc. Retirement Savings Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements - modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 1.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 1, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of ERISA Section 103(a)(3)(C) audits do not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 1.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 1.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Other Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements and supplementary information were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and contents of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Prolec-GE Waukesha, Inc. Retirement Savings Plan

Notes to Financial Statements - Modified Cash Basis

December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - The Prolec-GE Waukesha, Inc. Retirement Savings Plan ("the plan") follows the modified cash basis of accounting. Under that basis, certain additions and the related assets are recognized when received rather than when earned and certain deductions are recognized when paid rather than when the obligation is incurred. That basis differs from accounting principles generally accepted in the United States of America ("GAAP") primarily because the plan has not recognized contributions receivable and payable and the related effects on changes in net assets in the accompanying financial statements.

Accounting estimates - The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis.

Subsequent events - The preparation of these financial statements includes the plan administrator's evaluation of the events and transactions occurring subsequent to December 31, 2024 through October 14, 2025, which is the date the financial statements were available to be issued.

Key parties of the plan - Prolec-GE Waukesha, Inc. ("Prolec-GE") is the plan sponsor, employer and plan administrator. Fidelity Management Trust Company is the trustee of the plan that holds custody of the plan's investment assets. Fidelity Workplace Services LLC is the record-keeper that maintains plan and participant records, and tax counsel that performs various compliance tests. The two related entities are collectively referred to as "Fidelity". UBS is the plan's investment advisor.

Investments - The plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. The net appreciation (depreciation) in fair value of investments bought, sold and held during the years is reflected in the statements of changes in net assets available for benefits - modified cash basis. Participants should refer to the prospectuses and annual reports of the investments for more information.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds - Valued at the daily quoted market prices as reported by the funds. The investments held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value ("NAV") and are deemed to be actively traded.

Prolec-GE Waukesha, Inc. Retirement Savings Plan

Notes to Financial Statements - Modified Cash Basis

December 31, 2024 and 2023

Common/collective trusts - Valued at NAV based on units of the common/collective trusts. The common/collective trust investments are direct filing entities. The NAV, as certified by Fidelity, is used as a practical expedient to estimate fair value and is generally based on the fair value of the underlying investments held by the common/collective trusts less their liabilities. The practical expedient would not be used if it is determined to be probable that the common/collective trusts will sell the investment for an amount different from the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as summarized below.

Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$13,329,477	\$ -	\$ -	\$13,329,477
Total investments in the fair value hierarchy	\$13,329,477	\$ -	\$ -	13,329,477
Investments measured at NAV (a)				32,152,806
Total investments at fair value				\$45,482,283

Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$30,518,543	\$ -	\$ -	\$30,518,543
Total investments in the fair value hierarchy	\$30,518,543	\$ -	\$ -	30,518,543
Investment measured at NAV (a)				603,648
Total investments at fair value				\$31,122,191

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits - modified cash basis.

The following table summarizes investments for which fair value is measured using the NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the plan.

As of December 31, 2024	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trusts	\$32,152,806	n/a	Daily	n/a *
As of December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$ 603,648	n/a	Daily	12 months

* The Managed Income Portfolio common/collective trust, which accounts for \$860,336 of total common/collective trusts as of December 31, 2024 has a redemption notice period of 12 months.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General - The plan was established effective November 1, 2021 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to provisions of the Employee Retirement Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible to participate in the plan on the first pay period immediately following their hire date.

Contributions - Contributions to the plan can be made as follows:

- a. Participants may contribute a percentage of their wages subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions. Effective January 1, 2024 newly eligible employees will be automatically enrolled in the plan and have 6% of their compensation withheld as deferral contributions. Such participants have the option to increase, decrease, or stop the deferral contribution at any time by completing the necessary documentation.
- b. Participant rollover contributions are accepted by the plan from other qualified plans.
- c. Employer safe harbor matching contributions are made equal to 100% of the first 4% of compensation and 50% of the next 2% of compensation that a participant contributed to the plan. These contributions are funded coinciding with each payroll with an annual true-up contribution.
- d. Employer nonelective contributions may be made at the employer's discretion. No such contributions were made in 2024 and 2023.

Vesting - Participants are always 100% vested in their entire account balance.

Participant accounts - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral contributions, rollover contributions, and an allocation of the employer contributions. Participants are allowed to change their investment options daily and change their deferral percentage each pay period.

Benefits to participants - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability or attainment of normal retirement age. Distributions are made in a single lump sum or partial payments in the event of required minimum distributions. In-service distributions are permitted upon obtaining age 59½ and hardship withdrawals are also permitted under certain circumstances.

Notes receivable from participants - Participants may obtain loans from their accounts in accordance with the loan policy. The minimum loan amount is \$1,000 and maximum amount is the lesser of \$50,000 or 50% of the participant's account balance. Each participant may only have two loans outstanding at any given time. The maximum loan term for a general purpose loan is five years. The loan term may be extended if the loan proceeds are used to purchase a primary residence. As of December 31, 2024, notes receivable from participants have various repayment schedules through September 2038 with interest rates ranging from 4.25% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus accrued but unpaid interest, which approximates fair value.

Administrative fees - Certain administrative fees of the plan are paid by the plan sponsor. Certain other administrative fees are paid by the plan from plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for processing loans and distributions and investment advisory services and nonparticipant directed charges for account maintenance and recordkeeping. The nonparticipant directed fees are charged to participants at a flat rate of \$7.50 per calendar quarter (\$12.00 per quarter prior to April 1, 2024).

3. PARTY-IN-INTEREST TRANSACTIONS

Fidelity is the trustee that holds custody of the plan's investment assets and manages certain plan investment offerings. As such, transactions between Fidelity and the plan qualify as party-in-interest transactions. Fidelity receives indirect compensation from mutual fund service providers for services Fidelity provides to the funds. This indirect compensation received by Fidelity is used to offset amounts that would otherwise be owed by the plan to Fidelity for administrative services provided. Direct fees paid by the plan to Fidelity, recorded as a component of administrative expenses, were \$77,000 and \$81,000 in 2024 and 2023.

Notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although they have not expressed any intent to do so, the employer has the right to terminate the plan subject to the provisions of ERISA.

5. INCOME TAX STATUS

The plan adopted an FMR LLC non-standardized pre-approved profit sharing plan that received a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan; however, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

As discussed in Note 7, the plan administrator identified certain operational defects throughout 2022, which are anticipated to be corrected in 2025. The plan administrator and tax counsel expect that the final outcome of the correction process will not have a material effect on the plan's financial statements and tax status.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

6. INFORMATION CERTIFIED BY FIDELITY

Management has obtained certifications from Fidelity, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held and the fair value of such and notes receivable from participants as of December 31, 2024 and 2023;
- b. Dividends and interest income from investments, net appreciation (depreciation) in fair values of investments and interest income on notes receivable from participants during 2024 and 2023;

Prolec-GE Waukesha, Inc. Retirement Savings Plan

Notes to Financial Statements - Modified Cash Basis

December 31, 2024 and 2023

- c. Purchases and sales of investments during 2024 and 2023; and
- d. Contributions to and withdrawals from accounts, and purchases, sales and interfund transfers of investments during 2024 and 2023.

7. OPERATIONAL DEFECT

During 2023, it was discovered that certain operational defects occurred in the daily operations of the plan during 2022. The operational defects only impacted certain participants and primarily related to the accuracy of the deferral election percentages that were used to calculate employee and employer contributions. Under guidance provided by the plan's ERISA counsel, management intends to make the corrections deemed necessary to remedy these matters in Q1 2026.
