INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Central Distributors, Inc. Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Central Distributors, Inc. Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Central Distributors, Inc. Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Central Distributors, Inc. Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Distributors, Inc. Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Distributors, Inc. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Distributors, Inc. Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) at December 31, 2024 and Delinquent Participant Contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the Central Distributors, Inc. (the Company) Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Central Distributors Inc. established the Central Distributors, Inc. Employee Savings Plan effective January 1, 1985. The Plan is a defined contribution plan, and it is a cash or deferred arrangement under code Section 401(k) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, (ERISA).

Eligibility

All employees of the Company and its wholly owned subsidiary, Aroostook Brewing Co., are generally eligible to participate in the Plan after meeting certain eligibility requirements.

Contributions

Each year, participants may contribute, on a pre-tax basis, up to a maximum of 100% of their eligible compensation up to the dollar amount set by the Internal Revenue Service. Upon attaining age 50, participants may also elect to make catch-up contributions as defined under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company matches participant contributions to the Plan based on the formula described in the Plan document. In addition, the Company may make profit-sharing contributions in an amount determined by the Company on an annual basis. Qualified non-elective contributions are allocated to non-key employees.

The participants designate the allocation of their contributions and any Company matching or profit-sharing contributions among the available investment fund choices.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions and (b) Plan earnings (losses) and charged with an allocation of certain administrative expenses paid by the Plan. The Plan's earnings (losses) are allocated according to participants' relative account balances. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer matching contributions and any earnings thereon. The portion of the participant's account attributable to employer profit sharing or other contributions becomes 100% vested in such contributions after six years of credited service. Participant accounts become fully vested upon attainment of the normal retirement age or in the event of death or total disability. The benefit to which a participant is entitled is the benefit that can be provided from the vested balance of the participant's account.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participants' account and bear a reasonable rate of interest which are commensurate with the prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through weekly or bi-weekly payroll deductions.

Distributions and Payment of Benefits

In certain hardship situations, as described in the Plan agreement, participants may withdraw part of their account balances while actively employed but such withdrawals are limited to the amount dictated by the hardship. Hardship withdrawals are limited to the participant's required and/or optional deferred account balances and may not include any interest earned thereon.

On termination of employment due to death, disability, or retirement, participants with vested account balances that do not exceed \$5,000 will automatically receive a lump-sum distribution of their vested account balance. If the vested balance is at least \$5,000, the participant may elect to receive a lump sum payment, otherwise, upon attaining normal retirement age, the participant will receive periodic payments through a joint and survivor annuity.

Forfeitures

Forfeitures may be used to reduce Plan expenses or future employer contributions. Forfeitures used to pay expenses during 2024 totaled \$2,647. No forfeitures were used to reduce employer contributions. The forfeited non-vested accounts totaled \$903 and \$0 at December 31, 2024 and 2023, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. As such, contributions and income are recorded when earned and benefit payments are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

DECEMBER 31, 2024 AND 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Plan Expenses

Fees paid directly from the Plan assets consist of custodial, recordkeeping, trustee, investment, and certain other administrative fees. Fees for the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Certain other administrative expenses are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

Participant Notes Receivable

Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant’s account and are included in administrative expenses when incurred. Delinquent participant notes that the plan administrator considers to be in default are reclassified as benefit payments based upon the terms of the Plan document.

Subsequent Events

Events that occur after the financial statement date, December 31, 2024, but before the financial statements were available to be issued must be evaluated for recognition or disclosure. Subsequent events that provide evidence about conditions that existed at the financial statement date require disclosure in the accompanying financial statements. Subsequent events that provide evidence about conditions that existed after the financial statement date require disclosure in the accompanying notes. The plan administrator evaluated the activity of the Plan through December 3, 2025, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTE 3: INVESTMENTS

Certain information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company, the custodian of the Plan’s assets.

NOTE 4: FAIR VALUE MEASUREMENTS

The accounting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan held no Level 3 investments on either December 31, 2024, or 2023.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered Investment Companies (Mutual Funds and Money Market Funds): Valued at the daily closing price as reported by the fund. The funds held by the Plan are open-ended and registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The funds held by the Plan are deemed to be actively traded. Therefore, these funds are classified as Level 1 assets.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 9,915,207	\$ -	\$ -	\$ 9,915,207
Money Market Fund	<u>293,544</u>	<u>-</u>	<u>-</u>	<u>293,544</u>
	<u>\$ 10,208,751</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,208,751</u>

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 8,501,079	\$ -	\$ -	\$ 8,501,079
Money Market Fund	<u>315,876</u>	<u>-</u>	<u>-</u>	<u>315,876</u>
	<u>\$ 8,816,955</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,816,955</u>

NOTE 5: TAX STATUS

The Plan is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC), and, accordingly, the Plan's net investment income is exempt from income taxes. The plan administrator believes that the Plan is designed and operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained on examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 7: ADMINISTRATION OF PLAN ASSETS

Officers and employees of the Company perform various administrative functions. No such officer or employee receives compensation from the Plan.

NOTE 8: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by Ascensus Trust Company, the custodian of the Plan's assets, and the Plan paid certain administrative and investment management expenses to the custodian and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to Ascensus Trust Company during the year ended December 31, 2024 and 2023 totaled \$19,493 and \$17,332, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: SECURE 2.0 - SECURING A STRONG RETIREMENT ACT

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was signed into law. SECURE 2.0 includes new retirement provisions with varying effective dates with the majority of changes becoming effective in 2024. The new provisions include changes in required minimum distributions (RMD), eligibility of part-time employees, and hardship distribution rules. SECURE 2.0 includes both required and optional provisions. Management will determine if any optional provisions should be elected by the Plan. 401(k) plans have until December 31, 2026, to make retroactive amendments to plans in order to stay compliant with the SECURE 2.0 Act.
