INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Quest Media & Supplies 401(k) Retirement Savings Plan
Roseville, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Quest Media & Supplies 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Quest Media & Supplies 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United State of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Quest Media & Supplies 401(k) Retirement Savings Plan and to meet other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Quest Media & Supplies 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that the audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether

due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Quest Media & Supplies 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Quest Media & Supplies 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and of assets (held at end of year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

QUEST MEDIA & SUPPLIES 401(k) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2024 and 2023

NOTE 1 DESCRIPTION OF PLAN

The following description of the Quest Media & Supplies 401(k) Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Quest Media & Supplies, Inc. (Company) who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 15% of pretax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 52 mutual funds through a variable investment account and a fixed income account as investment options inside an annuity contract sponsored by American United Life Insurance Company (AUL). The Plan provides for a safe harbor match of employee contributions. The matching contributions to the account of each eligible participant is 100 percent of the participants elective deferrals up to 3 percent of participants salary, plus 50 percent of the amount of the participants elective deferrals that exceed 3 percent of participant salary but to not exceed 5 percent of participant salary.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution (if any) and (b) Plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account plus actual earnings thereon is based on years of continuous service. A participant is fully vested after five years of credited service. Forfeitures of terminated participants' nonvested amounts are used to pay Plan expenses. Any forfeitures remaining are reallocated as additional employer contributions. No forfeitures were allocated to participant accounts during the year ended December 31, 2024.

Participant Loans

Participant loans are not permitted from the Plan.

QUEST MEDIA & SUPPLIES 401(k) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2024 and 2023

Payment of Benefits

On termination of service, a participant may elect to receive a distribution equal to the vested portion of their account balance at the date of termination. The elections available are a lump sum distribution or an installment distribution. Terminated participants' whose account balance is less than \$7,000 receive an involuntary cash out distribution. Distributions are paid as soon as administratively practicable after the participant terminates. In the event of a participants' death, his or her designated beneficiary will be paid in accordance with the terms of the beneficiary designation form. Hardship withdrawals are permitted from this Plan.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain expenses of maintaining the plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

QUEST MEDIA & SUPPLIES 401(k) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2024 and 2023

Date of Managements Review

Subsequent events were evaluated through October 9, 2025, which is the date the financial statements were available to be issued.

Tax Status

On August 19, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). Although the Plan is amended to comply with recent legislation as necessary, the Plan administrator believes that the Plan as designed is being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. There is no effect on the financial statements based on this evaluation. The Plan administrator believes the Plan is no longer subject to examination for years prior to 2022.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments and interest for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by American United Life Insurance Company (AUL).

NOTE 4 PARTY-IN-INTEREST TRANSACTIONS

During 2024, AUL provided all recordkeeping and trust services to the Plan. The Company pays the administrative expenses of the Plan. These service providers qualify as a parties-in-interest for the year ended December 31, 2024.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

QUEST MEDIA & SUPPLIES 401(k) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2024 and 2023

NOTE 6 UNALLOCATED INSURANCE CONTRACTS

Unallocated insurance contracts are traditional investment contracts which are guaranteed. The contracts are invested in AUL's general account and are invested in accordance with AUL's general account investment policy. AUL is obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is declared prior to the beginning of a calendar quarter and is applicable to all contributions received in that quarter. The crediting interest rate at December 31, 2024 was 1.75%. This contract meets the fully benefit-responsive investment contract criteria and is reported at contract value which is an appropriate determination of fair value.

Certain events might limit the ability of the Plan to transact at contract values with AUL. Examples of such events include the following: the Plan's failure to qualify under §401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under §501(a) of the Internal Revenue Code; premature termination of the contracts; plan termination or merger; or changes to the Plan's prohibition on competing investment options. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with AUL and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 7 FAIR VALUE MEASUREMENTS

U.S. generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or by other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan's investment consists of a group annuity contract with a fixed option investment or a variable investment option issued by AUL. The annuity contract is considered a level 2 asset.

Under the fixed option investment, funds are placed in the AUL general account where they are invested in accordance with AUL's general account investment policy. The objective of that investment policy is to maximize long-term, risk-adjusted returns. The fixed option investment value is equal to the principal invested plus accrued interest earned. An interest rate is declared prior to the beginning of each calendar quarter and is applicable for that quarter until the new rate is set for the next calendar quarter. As the inputs are observable, the fixed option investment is considered a level 2 asset.

QUEST MEDIA & SUPPLIES 401(k) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2024 and 2023

Amounts allocated to a variable investment account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment. The value of each accumulation unit is published each business day. Each investment account is invested by AUL exclusively in shares of a specific mutual fund as directed by the participant. As the inputs are observable, the variable investment option is considered a level 2 asset.

Following is the fair value and fair value hierarchy levels at December 31, 2024 and 2023.

	2024	Fair Value	Level 2
Mutual funds		\$ 28,593,924	\$ 28,593,924
	2023
